WAR MEMORIAL AUDITORIUM

111th GENERAL ASSEMBLY

We hope you'll be able to attend the seventh annual
Capitol Jam VII legislative reception on
Tuesday, February 25th!

Each year, JohnsonPossKirby and The Tennessee Performing Arts Center make the stage of historic **War Memorial Auditorium** available to members, staff and others to put on a great musical show for the entire General Assembly.

This evening is always a great time to speak with legislators, experience their musical talents, and show your support of TPAC.
Thank you to TPAC Board Member Nathan Poss for all he does to make this night a success.
