

Good morning, members of the Tennessee General Assembly.

Tennesseans for Quality Early Education (TQEE) is excited to announce three webinars next week to discuss its 2021 legislative agenda. These webinars will specifically highlight important TANF legislation and will include participation from bill sponsors Senator Bo Watson and Representative David Hawk. Legislators, local policy makers, and various other stakeholders across the state will receive this invitation to ensure a full discussion on this bill and other TQEE priorities. Please see the registration links below to sign up to participate in one of these 1-hour webinars, and please let me know if you have any questions.
