

January 13, 2021

Dear Senator Briggs,

On behalf of all of us at the University of Tennessee Medical Center I want to thank you for serving as a member of the Tennessee General Assembly. Many of our 6,000 team members and the over 140,000 patients we see each year are your constituents and we appreciate your commitment to representing our combined priorities and interests.

This past year has certainly been unusual for all of us. Now that the legislative session is here again, we would like to cordially invite you to join us on Friday, February 12, 2021, from 8:30am to 10am EST here at UT Medical Center. We will recognize and thank you for your time in the Legislature, and let you hear from our medical experts on COVID19, the vaccine, and discuss a few key issues on the upcoming legislative agenda.

At this point we are planning on having the meeting at the Medical Center in a correct and socially distanced way. If by chance, we have even more concerns about the COVID19 spread we will change this to a virtual meeting. As we get closer to February 12th we will send you the location and directions for where the meeting will be held.

Please contact my Executive Assistant, Angela Sandel at 865-305-9896 or asandel@utmck.edu to let us know that you will be joining.

Thanks again and we look forward to seeing you on February 12th. If you have any questions, my direct office phone is 865-305-6049 or 865-680-1687.

Sincerely,

Bruce Hartmann
Senior Vice President
Chief Community Relations Officer
