

2023 STATE OF EDUCATION IN TENNESSEE

A Stronger Path Forward

SCORE invites you to join leaders across Tennessee as we share our 2023 education priorities at the release of our annual report, *2023 State Of Education In Tennessee*. These priorities focus on ensuring all students receive an excellent education and are prepared for a career that enables economic independence. This year, we are hosting this report release at regional events in each of Tennessee's three Grand Divisions. We hope you can join us in Nashville, Knoxville, or Memphis as we explore how to build a stronger path forward for Tennessee students to have the opportunity for success in school, college, career, and life. Seating is limited, so register soon to join us at one of our regional events.
