

On behalf of Tennessee's business community, thank you for your leadership and commitment to enhancing Tennessee's technical and skilled trade programs. Due to the generous support of the Legislature and Governor's office last year, we have made great strides in developing a new cutting-edge workforce development initiative, Be Pro Be Proud, and we are excited to launch the Mobile Workshop for the upcoming school year.

To celebrate the exciting opportunity of this program and officially kick-off the statewide tour, the Tennessee Chamber of Commerce along with our Be Pro Be Proud Leadership Council members and Chairman Sponsor, Meta, invite you to the **Be Pro Be Proud Tennessee Launch Event** at **Volunteer State Community College in Gallatin on September 25**. Exhibits will open at 9:00 am and the program will begin at 10:00 am. The Be Pro Be Proud Mobile Workshop will travel across the state year-round working to bring a new generation of pride, progress, and professionals to Tennessee's skilled workforce.
