Facts About The Tennessee Gas Association

- The Tennessee Gas Association, established in 1962, is a non-profit association created by and for the natural gas distribution systems across the State.
- Mission Statement—Equipping members to promote natural gas in the communities we serve.
- Vision Statement—Strengthening the foundational role of Natural Gas in Tennessee's energy future.
- Over one million meters cleanly fueling the *warmth, comfort and jobs* for Tennessee's Residential, Commercial and Industrial Consumers.
- TGA's 92 member companies in the Corporate Membership class employ close to 6,000 Tennesseans.
