

Good afternoon,

Tennessee Nonprofit Network is hosting **Nuggets from Nonprofits** – a series of invitation-only roundtable conversations bringing together state legislative and nonprofit leaders across Tennessee to collectively discuss pressing challenges facing our communities – including childcare, housing, workforce development, and more.

These small-group gatherings are designed to:

1. Foster open dialogue between nonprofits and their elected representatives and policymakers
2. Share on-the-ground perspectives
3. Explore opportunities for collaborative solutions to strengthen our communities

We would love to have you join us and be a part of one of these upcoming discussions tailored to your region and constituents.
