

Dear Friend,

Please join me on Wednesday, November 29, when the State Collaborative on Reforming Education (SCORE) presents Tennessee's top priorities for K-12 education through 2025.

During an hour-long event, SCORE will release *Excellence For All: How Tennessee Can Lift Our Students To Best In The Nation*, a report that outlines a collective vision for public education and the work necessary to continue the historic academic progress our students have made.

Because you are a leader in Tennessee's work to improve public education and student achievement, I hope you will join me at 1:30 p.m., Wednesday, November 29, at the John Seigenthaler Center (1207 18th Avenue South, Nashville, TN 37212).

Attendees will include key education stakeholders such as policymakers, educators, business leaders, members of the SCORE Board and Steering Committee, candidates for governor, and other education leaders.

We believe the priorities outlined in this report will set a new student-focused vision for education in our state as we approach the 2018 gubernatorial election and the transitions that follow.

Because seating is limited, this is an invitation-only event. If you can attend, please RSVP to Sarah Brown at sarah@tnscore.org or by calling (615) 727-1545.

I hope to see you on November 29.

Sincerely,

Senator Bill Frist, MD
