## RESEARCH IN YOUR BACKYARD – TENNESSEE

Tuesday, Jan. 23, 2:30 p.m.  
Cordell Hull Building  
8th Floor, Room C

**Policymakers • Local Biotechnology Researchers  
Life Science Industry Representatives • Patient Advocates**

Announcement and discussion of local health and economic benefits produced by clinical trials and Tennessee's biopharmaceutical research and manufacturing industry.

State Sen. Mark Green, M.D., Founder, Align MD

Dr. Jeffrey Conn, Director, Vanderbilt Center for Neuroscience Drug Discovery

Dr. Paul Newhouse, Director, Vanderbilt Center for Cognitive Medicine

James Felts, Alzheimer's disease patient and recent clinical trial participant

Please RSVP to [ssalisbury@mpf.com](mailto:ssalisbury@mpf.com) by Friday, Jan. 19

"After my husband was diagnosed with Alzheimer's disease, my family and I really wanted to know what we could do. Luckily, he qualified for a clinical trial. Although there is still no cure, ultimately the trial gave us something we were struggling to find: hope."

– Josi Felts, wife of local Alzheimer's disease patient who recently completed a clinical trial in Nashville
