

CITIZENS FOR A DIGITAL FUTURE

**Citizens for a Digital Future and the Tennessee Chamber of
Commerce and Industry invite you to a lunch conversation,
What Access Reform Could Mean to Tennessee**

Tuesday, March 8th

11:30AM - 12:30PM

Sheraton Downtown

623 Union Street
Nashville, TN

Lunch will be provided

Please join us for a conversation with Hance Haney, Director and Senior Fellow of the Technology & Democracy Project at the Discovery Institute, as he releases a white paper, "Further Telecom Reform Needed in Tennessee: Hidden Subsidies Threaten Competition and Broadband."

Mr. Haney will be joined by representatives from Citizens for a Digital Future and the Tennessee Chamber of Commerce and Industry to discuss the findings of his white paper, including rationale for why the access system in Tennessee needs to be reformed and the positive impact on broadband deployment such reform could have.

Please RSVP to rsvp@citizensfordigitalfuture.org.

This event has been disclosed and a copy of this invitation has been submitted to the Tennessee Ethics Commission.
