

July 29, 2013

Dear:

Each year at this time, the Tennessee County Commissioners Association (TCCA) hosts several regional meetings across the state. These meetings provide an opportunity for county commissioners, metro council members, county executives, and county mayors to discuss common concerns and interests of county government.

Because the partnerships between local, state and federal government are so vital, I invite you or a staff member to any of the meetings you can work into your schedule. Each meeting will begin at 6:30 p.m. local time. A complimentary meal is provided, followed by introductions and discussions. If you can join us, your presence will be greatly appreciated.

Please call my office at (615) 532-3767 and leave a message if you will be able to attend. The meeting schedule is listed below. I hope you will be able to join our group at any or all of the following meetings.
