It applies to all full-time and part-time elected or appointed officials and employees, whether compensated or not, including those of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by the Town. The words "municipal" and "City" or "Town of Iron City" include these separate entities.

2. Definition of "personal interest." (1) For purposes of Sections 4-103 and 104, "personal interest" means:

affects or that would lead a reasonable person to infer that it affects the official's vote on the measure. In addition, the official may recuse himself from voting on the measure.

1-404 Disclosure of personal interest in non-voting matters. An official or employee who must exercise discretion relative to any matter, other than casting a vote, and who has a personal interest in the matter that affects or that would lead a reasonable person to infer that it affects the exercise of the discretion shall disclose, before the exercise of the discretion when possible, the interest on a form provided by and filed with the recorder. In addition, the official or employee may, to the extent allowed by lay, charter, ordinance, or policy, recuse himself from the exercise of discretion in the matter.

1-405 Acceptance of gratuities, etc. An official or employee may not accept, directly or indirectly, any money, gift, gratuity, or other consideration or favor of any kind from anyone other than the City:

(1)For the performance of an act, or refraining from performance of an act, that he would be expected to perform, or refrain from performing, in the regular course of his duties; or

(2)That might reasonably be interpreted as an attempt to influence his action, or reward him for past action, in executing municipal business.

1-406 Use of information. (1) An official or employee may not disclose any information obtained in his official capacity of the City or position of employment that is made confidential under state or federal law except as authorized by law.

(2) An official or employee may not use or disclose information obtained in his official capacity of the City or position of employment with the intent to result in financial gain for himself or any other person or entity.

2Masculine pronouns include the feminine. Only masculine pronouns have been used for convenience and readability.
1-407 Use of municipal time, facilities, etc. (1) An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to himself.

(2) An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to any private person or entity, except as authorized by legitimate contract or lease that is determined by the Board of Commissioners to be in the best interests of the City.

1-408 Use of position or authority. (1) An official or employee may not make or attempt to make private purchases, for cash or otherwise, in the name of the City.

(2) An official or employee may not use or attempt to use his position to secure any privilege or exemption for himself or others that is not authorized by the charter, general law, or ordinance or policy of the City.

1-409 Outside employment. A full-time employee of the City may not accept any outside employment without written authorization from the department head.

1-410 Ethics complaints. (1) The City attorney is designated as the ethics officer of the City. Upon the written request of an official or employee potentially affected by a provision of this chapter, the City attorney may render an oral or written advisory ethics opinion based upon this chapter and other applicable law.

(2)(a) Except as otherwise provided in this subsection, the City attorney shall investigate any credible complaint against an investigation on his own initiative when he acquires information indicating a possible violation, and make recommendations for action to end or seek retribution for any activity that, in the attorney's judgement, constitutes a violation of this code of ethics.

(b) The City attorney may request the Board of Commissioners to hire another attorney, individual, or entity to act as ethics officer when he has or will have a conflict of interests in a particular matter.

(c) When a complaint of a violation of any provision of this chapter is lodged against a member of the City's Board of Commissioners, the Board of Commissioners shall either determine that the complaint has merit, determine that the complaint does not have merit, or determine that the complaint has sufficient merit to warrant further investigation. If the Board determines that a complaint warrants further investigation, it shall authorize an investigation by the City attorney or another individual or entity chosen by the Board of Commissioners.

(3) The interpretation that a reasonable person in the circumstances would apply shall be used interpreting and enforcing this code of ethics.

(4) When a violation of this code of ethics also constitutes a violation of a personnel policy, rule, or regulation or a civil service policy, rule, or regulation the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this code of ethics.
1. All violations. An elected official or appointed member of a separate municipal board, commission, committee, authority, corporation, or other instrumentality who violates any provision of this chapter is subject to punishment as provided by the municipality's charter or other applicable law, and in addition is subject to censure by the Town Council.
