Re: Town of Lookout Mountain, Tennessee  
Ethics Code Adoption

Gentlemen:

As Town Attorney and Town Clerk for the Town of Lookout Mountain, Tennessee, this letter will serve to advise that the Town adopted the Municipal Technical Advisory Service model Code of Ethics on second and final reading at its June, 2007 meeting of the Mayor and Board of Commissioners. Under your rules, I do not believe it necessary to forward to you a copy of the model ethics code as adopted as there were no changes from the "MTAS" Model Code. Please acknowledge this letter as your required notice of adoption.

Very truly yours,
