FILING A DISABILITY INCOME INSURANCE CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder.

If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. We recommend that You do so no later than:

- 14 days with respect to Disability Income Insurance: Short Term Benefits; and
- 12 weeks, with respect to Disability Income Insurance: Long Term Benefits

after the first day You are unable to report for Active Work so that Your claim can be processed in a timely manner.

When a claimant files an initial claim for Disability Income Insurance benefits described in this certificate, the following should be sent to Us:

- notice of claim within 30 days of the date of loss; and
- the required Proof within 90 days after the end of the Elimination Period.

Notice of claim and Proof for Disability Income Insurance may also be given to Us by following the steps set forth below:

Step 1

A claimant may give Us notice by calling Us at the toll-free number shown in the Certificate Face Page within 30 days of the date of a loss.

Step 2

We will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of giving Us notice of claim.

Step 3

When the claimant receives the claim form the claimant should fill it out as instructed and return it with the required Proof described in the claim form. If the claimant does not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4

The claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice or Proof are given as soon as is reasonably possible; and, in no event, except in the absence of legal capacity, later than 1 year after the date Proof is otherwise required.

Subject to due Written Proof of loss, all accrued benefits for loss for which this certificate provides periodic payment will be paid as follows:

Subject to the Time Limit on Legal Actions provision, if We do not pay benefits when due and payable You may bring an action to recover such benefits, any interest which has accrued with respect to such benefits, and any other damages which may be allowed by law. If it is determined in such action that We acted in bad faith as evidenced by a repeated or deliberate pattern of failing to pay benefits and/or claims when due, You or the health care provider shall be entitled to recover damages in an amount up to three (3) times the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Disability Income Benefit Payments: Who We Will Pay

We will make any benefit payments during Your lifetime to You or Your legal representative as Beneficiary. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving designated Beneficiary at Your death, We may determine the Beneficiary for any amount that is or becomes due, according to the following order:

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement confirms that You will reimburse Us for all overpayments.

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;

GENERAL PROVISIONS (continued)

- any other organization; or
- any person to or for whom payment was made.

If the overpayment results solely from Our error in the processing of Your claim under this certificate, We have the right to recover the overpayment from You within 15 months of the date such overpayment occurs.

Lien and Repayment

If You become Disabled and You receive Disability benefits under this certificate and You receive payment from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate (for example, a judgment, settlement, payment from Federal Social Security or payment pursuant to Workers' Compensation laws), You shall reimburse Us from the proceeds of such payment up to an amount equal to the benefits paid to You under this certificate for such Disability. Our right to receive reimbursement from any such proceeds shall be a claim or lien against such proceeds and Our right shall provide Us with a first priority claim or lien over any such proceeds up to the full amount of the benefits paid to You under this certificate for such Disability. You agree to take all action necessary to enable Us to exercise Our rights under this provision, including, without limitation:

- notifying Us as soon as possible of any payment You receive or are entitled to receive from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate;
- furnishing of documents and other information as requested by Us or any person working on Our behalf; and
- holding in escrow, or causing Your legal representative to hold in escrow, any proceeds paid to You or any party by a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate, up to an amount equal to the benefits paid to You under this certificate for such Disability, to be paid immediately to Us upon Your receipt of said proceeds.

You shall cooperate and You shall cause Your legal representative to cooperate with Us in any recovery efforts and You shall not interfere with Our rights under this provision. Our rights under this provision apply whether or not You have been or will be fully compensated by a third party for any Disability for which You received or are entitled to receive benefits under this certificate.
