- (1) All costs included in this proposal to establish billing or final indirect costs rates for the fiscal year period through are allowable in accordance with the requirements of the Federal award(s) to which they apply and the provisions of 2 CFR 200, Appendix VII for State/Local/Tribal Indirect Cost Proposals. Unallowable costs have been adjusted for in allocating costs as indicated in the indirect cost proposal.
- (2) All costs included in this proposal are properly allocable to OCJP grant contracts on the basis of a beneficial or causal relationship between the expenses incurred and the agreements to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently and the State, Department of Finance and Administration, Office of Criminal Justice Programs will be notified of any accounting changes that would affect the predetermined rate.

I declare that the foregoing is true and correct.
