

Tennessee Industrial Loan and Thrift Company Annual Report and Affidavit

Please note that the format for the Annual Report has changed. The Report is now on an Excel spreadsheet and consists of four (4) tabbed sections, each of which must be completed. If a registrant holds two (2) or more certificates of registrations, a composite report may be filed.

Please also note that there is a separate Affidavit which must be printed, signed and notarized. Tenn. Code Ann. § 45-5-503(c) provides that the Reports shall be sworn to by a responsible officer of the registrant.

The completed Annual Report and a copy of the signed and notarized Affidavit should be submitted to the Department by email at askmortgage.licensing@tn.gov. Copies of the forms do not need to be mailed.

Thank you, and please contact Carl Scott (carl.scott@tn.gov or 615-426-9674) or David Axford (david.axford@tn.gov or 615-253-2862) if you have any questions.
