New Bank Formation Procedures

Thank you for your inquiry concerning the procedure for the formation of a state-chartered bank in Tennessee. The statutes governing formation of a state chartered bank are found in T.C.A. Sections 45-2-201 through 45-2-217. In addition, the Department of Financial Institutions has promulgated certain rules governing new bank formation. Links to those rules can be found throughout this document.

Please submit the application information requested throughout this correspondence. In addition, please provide a disk or electronic version of the application to the Department.

NOTICE OF INTENTION

Prior to filing the application, it will be necessary for you to file a notice of intention as required under Section 45-2-202(a), Tennessee Code Annotated. The notice of intention must include the following:

1. The name, residence and occupation of each incorporator and the amount of stock subscribed and paid for by each.

2. The name and address of an individual within the state to whom notice to all incorporators may be sent.

3. The total capital, the number of shares of each class, and the par value of the shares of each class of the proposed state bank and a copy of the shareholder offering circular and subscription agreement for review, before it is finalized and printed. In addition, please supply a copy of the escrow agreement.

The Federal Deposit Insurance Corporation has issued a statement of policy which recommends use of an offering circular in connection with the sale of new bank securities which details the information that should be included in an offering circular. We suggest that you refer to this statement of policy and follow its guidelines.

4. Whether it is intended that the proposed state bank shall have trust powers.

5. The community in which the proposed state bank is to be located.

Please also identify the method of financing and amount of the organizational expense fund. Your attention is directed to T.C.A. Section 45-2-203 whereby “prior to applying for a Charter, the incorporators shall establish an organizational expense fund in an amount the Commissioner deems adequate . . .” Section 0180-7-.10 Rules of Department of Financial Institutions sets forth the procedure and purpose for establishing this fund. Please confirm that this fund has been established prior to applying for a Charter.

The Commissioner shall within ten (10) business days after receipt of the notice of intention notify the incorporators that the notice of intention is approved as to form or call attention to any defects.

After a Notice of Intention has been received and accepted for official filing, we will contact you to arrange a meeting of the organizers with the Commissioner and his staff.
INTERAGENCY CHARTER APPLICATION

After the incorporators have received notification from the Commissioner that the notice of intention and accompanying documents are approved as to form, the incorporators may apply to the Commissioner for a charter. The incorporators shall submit:

1. A proposed charter in such form as the Commissioner shall prescribe containing the following information:
   
   A) The name of the state bank;
   
   B) If the state bank is to exercise trust powers, a statement to that effect;
   
   C) The community in which the state bank is to be located;
   
   D) The amount of capital, the number of shares of each class, the relative preferences, powers and rights of each class, the par value of the shares of each class, if any, and the amount of the paid-in-surplus; and
   
   E) Such other proper provisions to govern the business and affairs of the state bank as may be desired by the incorporators, including, but not limited to, the initial directors of the proposed state bank.

2. The application should be filed simultaneously with the Federal Deposit Insurance Corporation, Memphis, Tennessee, and this Office. The application should be submitted to the Department, together with your check of $20,000 payable to the Tennessee Department of Financial Institutions.

Your attention is directed to Pages i through iii of the application, “General Information and Instructions”. These instructions must be followed and the application complete in order for the application to be accepted as “officially filed.” Should the application not be filed within six (6) months from the date of acceptance of the Notice of Intention, or an extension granted, we may consider the file closed.

3. Interagency Biographical and Financial Report: The Department will accept the Interagency Biographical and Financial Report(s) required by the Federal Deposit Insurance Corporation, in lieu of our own. Please submit a copy of the Interagency Biographical and Financial Report to the Department upon submission of the application for each incorporator, director, executive officer and/or persons owning ten percent (10%) or more of the stock of the proposed new bank.

4. Please provide a current credit report for each incorporator, director, executive officer and persons owning ten percent (10%) or more of stock of the proposed new bank. The credit report must not be more than thirty (30) days old and must be obtained from a major credit reporting agency.

5. A copy of the proposed by-laws;

6. The name, residence, and occupation of each subscriber from whom subscriptions have been accepted as of the date the application is filed, and the number of shares for which each such subscriber has subscribed, which list shall be updated not less than every thirty (30) business days to add all additional subscribers and any amendments to any such information previously filed;

7. The past and present connection with any bank, other than as a customer on terms generally available to the public, of each director and each subscriber to more than ten percent (10%) of the capital stock, updated as necessary to identify subscribers not previously identified in the
application; and

(8) The address at which it is proposed that the state bank do business, or, if such address is not known, the area within the community in which it is proposed that the business be located.

Please note that it is also necessary to complete and return the attached affirmation form to this office before the application may be considered "officially filed." Also, the Stock Ownership form must be completed by each organizer, director or persons owning 10% or more of the stock.

T.C.A. Section 45-2-204(c) empowers the Commissioner to require the incorporators to "mail such notice of the application as may be prescribed to each bank in the county in which the proposed new bank is to be located, and to such persons and organizations as he may designate." Publication of the notice is required by Chapter 0180-5, of the Rules of Department of Financial Institutions.

Within 3 days, before or after, the date you mail or deliver your application, you are required to mail notice by regular mail to each bank within the county and you must publish notice one time in a newspaper of general circulation in the community where you propose to establish your bank. The notice should contain Items A and B of the attached form. However, if the notice is run concurrently with the FDIC notice, and if such notice complies with the requirements of the applicable FDIC Rules and Regulations, then only Item B of the attached form should be included.

Immediately after publication, you should furnish this Office with a clipping of the notice as published in the newspaper with the date of the publication on the clipping.

The applicant will receive notification within twenty (20) business days from the receipt of the application and accompanying documents as to its sufficiency. If the application is deemed sufficient by the Commissioner it shall be accepted for filing.

After the application has been accepted for filing, the incorporators may make a written request for the Commissioner to grant the Charter, if the charter has not yet been granted. However, the issuance of the charter does not provide authority to the applicant to begin a banking business.

If clarification is needed as to any information necessary to complete this application, please contact Debra Grissom, Chief Administrator for Applications at 615/741-5018 or William Cook, Applications Analyst, 615/253-1085. The Department looks forward to working with you and the organizers of your proposed new bank.
AFFIRMATION

Having been duly sworn, I hereby affirm that I have reviewed the information submitted to the Tennessee Department of Financial Institutions relative to ________________
______________________________ and that all of the information contained therein is truthful, complete and accurate.
