

APPLICATION/NOTIFICATION TO ESTABLISH A NEW BRANCH FACILITY- RELOCATE A BRANCH FACILITY – RELOCATE THE MAIN OFFICE OF A BANK

FILING INSTRUCTIONS

Revised April, 25, 2018

Institutions seeking permission to open a new branch, relocate a branch or relocate the main office of a bank should complete the application/notification and file the original with the Tennessee Department of Financial Institutions. **Banks with a CAMELS Rating of 1 or 2 should complete the notification on Pages 2 and 3.** All other banks must complete the entire application. Completed applications/notifications will be automatically accepted as of the date they are received by the Department; however, the Commissioner retains the right to request additional information and delay acceptance of the application/notification until such time as the information is received.

The FDIC will accept a copy of the application/notification submitted to the Department. The application/notification should be mailed or delivered to the Regional Director on the date the notice required by Section 303.44 of the FDIC Regulations is published, or within five days after the date of the last publication. A copy of each newspaper publication required by Section 303.44, the name and address of the newspaper, and the date(s) of publication should be submitted with the application/notification. The FDIC retains the right to request additional information.

PLEASE NOTE: Federal Reserve member banks should contact their respective Federal Reserve Bank to obtain instructions relative to the filing of any branch application or the relocation of the main office or a branch of the bank.

PUBLICATION INSTRUCTIONS

Department of Financial Institutions

Chapter 0180-5 of the Rules of the Department of Financial Institutions requires that institutions give public notice of the application/notification. Within 3 days after mailing or delivering your application/notification, you must publish one time in a newspaper of general circulation in the community where you intend to establish your facility or relocate your facility, and in a newspaper of general circulation in the community where your main office is located, if they are not the same.

To relocate a branch, the notice must be published within 3 days after mailing or delivering your application/notification to the Department. The notice must be published one time in a newspaper of general circulation where the current branch is located and also in the community to be served by the branch at the new location if they are not the same.

To relocate a main office, the notice must be published within 3 days after mailing or delivering your application/notification to the Department. The notice must be published one time in a newspaper of general circulation where the current main office is located and also in the community to be served by the new main office at the new location if they are not the same.

See Attachment A for the information that must be included in the public notice. A copy of the clipping evidencing publication must be furnished to the Department and the comment period expired in order for the application/notification to be considered by the Commissioner. However, a certification from the publisher is no longer required.

Federal Deposit Insurance Corporation

The public comment period is 15 days after the date of the last newspaper publication required. To establish or relocate a branch, the notice is to be published once. To establish a branch, the notice is to be published in the community in which the main office is located and in the community to be served by the branch. To relocate a branch, the notice is to be published in the community in which the branch is located.

To relocate the main office, the notice is to be published at least once each week on the same day for two consecutive weeks. It is to be published in the community in which the main office is currently located and in the community to which it is proposed the main office will relocate.

In the case of applications to relocate a main office or a branch, a copy of the required newspaper publication is to be posted in the public lobby of the office to be relocated for at least 15 days beginning on the date of the last published notice required.

Publication requirements to establish a branch provide that the notice shall be published once in a newspaper of general circulation in the community in which the main office is located and in the community or communities to be served by the branch. Comments and requests for hearings must be received by the Regional Director within 15 days after the date of the last newspaper publication. A sample publication can be found at Attachment A.

PLEASE NOTE: Federal Reserve Member Banks should contact their respective Federal Reserve Bank to obtain instructions relative to the filing of any branch application or the relocation of the main office or a branch of the bank and the publication notice requirements thereof.

FEES

\$300 for each facility (payable to the Department of Financial Institutions) must be submitted with the application/notification to the Department of Financial Institutions whether a branch, a relocation of a branch or relocation of a main office. The FDIC does not require a fee for the establishment of a new branch, a relocation of a branch or relocation of a main office.
