

College Application Toolkit

The Tennessee Higher Education Commission has partnered with Tennessee higher education institutions to provide institution-specific college application instructional videos. These videos, created by Tennessee colleges, walk students step-by-step through each college's application process. The Video link below will open the institution's instructional video. The Application link will bring you to the institution's admissions application or website. The institutions listed are those that volunteered to create an application video. If the institution you are looking for is not listed, please visit the institution's website for access to their college application.
