

Education and Resources for Youth

Unlock your financial skills and expertise with the Vault!

Gain valuable financial education and earn your certificate with the Vault interactive challenge!

Before you begin, you will need a registration code.

Option 1: Use your classroom code (if applicable)

If you are participating as part of your classroom team, you can enter your classroom's registration code when prompted. By entering your classroom code, your scores will be included in your class totals.

Option 2: Use a generic code to begin playing now

If you would like to play the vault without tracking your scores, please copy the following registration code to use when prompted:

8d3f6d62

Ready to get started?

Once you have your registration code, click the launch button below to go to the login screen. If this is your first time playing the Vault, be sure to click **Register** and select **Student/Learner**. From there, you can enter your registration code and get started with the Vault!
