_DGS Title VI Compliance Report and Implementation Plan FY 2020-2021_
A. Overview of the Department

The Department of General Services was established by Tennessee Code Annotated (TCA) § 4-3-1101. The function of the Department is to act as a service provider to other state agencies by coordinating and administrating the State's purchases, real property, personal properties, printing, motor vehicles, surplus property, postal services, and general public works services, as well as other support services not specifically assigned by law to other departments. In addition to the administrative staff, the Department is divided into several divisions that provide services to other State agencies. These are:

1. **Vehicle and Asset Management**: This division is responsible for the management and maintenance of State vehicles utilized by State departments, offices, and agencies. The Division establishes policies and procedures to affect the best maintenance, repair, operation, and administration of the fleet consistent with safety and service. In addition, the division is responsible for the redistribution of governmental property declared as surplus by a State agency or the Federal government. This property is redistributed to other State agencies and eligible recipients as needed.

2. **Document Solutions**: This division provides a full range of services including graphic design, photography, printing, copying, and binding services, to State agencies, other government agencies, non-profit agencies, and charities. This division also provides storage and distribution services for a variety of forms, envelopes, and other printed materials. This division also houses the centralized mail services for State agencies in Davidson County. It is the recognized liaison between State government and the U.S. Postal Service.

3. **State of Tennessee Real Estate Asset Management**: This division is dedicated to operating, managing, and maintaining the State's real estate assets and needs, in a manner that ensures a comfortable, safe, and secure working environment for State tenants, employees, and guests.

4. **Central Procurement Office**: The Central Procurement Office was created by Chapter 1098 of the Public Acts of 2010 with the goal of making the procurement and contracting processes faster and easier, while ensuring transparency and creating cost savings.

**Governor’s Office of Diversity Business Enterprise**: This office, housed within the Central Procurement Office, is charged with coordinating and directing the Executive Branch’s efforts in assisting minority-owned, women-owned, service-disabled veteran-owned, and small businesses in participating in bids and contracting opportunities within the State procurement processes. In accordance with TCA §12-3-1107, the Department issues an annual report to the Governor and members of the Tennessee General Assembly regarding the activities of this Office. The public report outlines the purpose, goals, and achievements of the Office.
Appendix A displays the organizational chart for the department.

The primary goal of the Department's Title VI Program is to ensure that all staff, contractors, and service beneficiaries are aware of the provisions of Title VI and the responsibilities associated with Title VI of the Civil Rights Act of 1964. TCA § 4-21-203 requires each State agency to develop a Title VI Implementation Plan. Each State governmental entity must submit an updated plan annually to the Human Rights Commission by October 1st.

The Department's Title VI and non-discrimination policies and statements are as follows:

**Policy Compliance Statement**

The Department of General Services, State of Tennessee, complies with Title VI of the Civil Rights Act of 1964, as codified in 42 U.S.C. 2000d, which states that: “No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving federal financial assistance.”

**Affirmative Action/Equal Employment Opportunity**

Pursuant to State and Federal law, the Department of General Services does not discriminate on the basis of race, color, age, national origin, religion, sex, disability, pregnancy, veteran status, or any other category protected by State and/or Federal civil rights laws. It is the policy of the State of Tennessee, in all of its decisions, programs, and activities, to promote equal employment opportunity and to eliminate unlawful discrimination. Equal Employment/Affirmative Action inquiries should be directed to the Department of General Service’s DOHR Business Partner, Melissa Thomas (615-741-1037).

**Americans with Disabilities Act (ADA)**

It is the policy of the Department of General Services to comply with all Federal and State laws concerning the employment of persons with disabilities. The Department prohibits discrimination and harassment against any qualified individual with a qualified disability as defined by the Americans with Disabilities Act and the Americans with Disabilities Act Amendment Act (ADA/ADAAA). Furthermore, the Department of General Services shall comply with applicable requirements set forth by the Rehabilitation Act of 1973, the Department of Human Resources Rules and Regulations, and any other applicable laws that pertain to disability non-discrimination. Anyone wishing to request an accommodation under the ADA should contact the Department's ADA Coordinator at 615-741-1037.

**Tennessee Human Rights Commission (THRC) Requests**

The Department of General Services, its subrecipients or contractors shall make available any compliance report for review by the THRC upon request.
The Commissioner of the Department has assigned Title VI responsibilities and the title of Title VI Coordinator to Abdul Fathi, within the Office of Internal Audit. The Title VI Coordinator is charged with the responsibility of implementing, monitoring, and ensuring the Department’s compliance with Title VI regulations.

Title VI Coordinator Responsibilities are as follows:

1. Receive and process the disposition of Title VI complaints;
2. Review annual Title VI reviews of DGS program areas performed by division representatives to determine the effectiveness of program activities at all levels;
3. Coordinate training programs on Title VI for Title VI Division Representatives and recipients of Federal property;
4. Establish procedures for promptly resolving deficiency status and reducing to writing the remedial action agreed to be necessary, all within a period not to exceed 30 days. See Appendix B - Title VI Policy;
5. Prepare annual Title VI Implementation Plan as required by the THRC.

Divisional Title VI Representatives are a key component in assisting the Title VI Coordinator in fostering the Department’s mission to ensure compliance with Title VI Regulations. The following staff members have been designated to ensure compliance within their Divisions.

Responsibilities of the Title VI Division Representatives are as follows:

1. Serve as the point of contact for division Title VI complaints.
2. Disseminate Title VI information to the public and, where appropriate, in languages other than English. See Appendix C – Title VI LEP Policy.
3. Conduct quarterly compliance audits of program activities, applicable contracts, and donees.
4. Report Title VI noncompliance issues to the Title VI Coordinator and appropriate supervisor.
5. Prepare a final monitoring report of Title VI findings to the Title VI Coordinator.
The following activities would be considered discriminatory practices under Title VI:

- Denying any individual any service, financial aid, or other benefits offered by the Department because of their race, color, or national origin.

- Treating individuals differently because of their race, color, or national origin.

- Using methods which directly or indirectly, through contractual relationships, defeat or substantially impair the accomplishment of the effective non-discriminatory practices.

The Department does not provide services directly to individuals, the Department's primary customers are other state agencies. As such, we are unable to provide examples of potential discriminatory practices in relation to services provided to individuals.
A. Program Coverage

Title VI prohibits discrimination in “any program or activity” that receives Federal financial assistance. Although the Department does not directly receive Federal funding, the Vehicle and Asset Management Division receives Federal surplus property from the U.S. General Services Administration, which it sells to governmental subdivisions, non-profit organizations, and other eligible recipients as defined by Federal guidelines. As a recipient of Federal surplus property, the requirements of Title VI are applicable to all of the operations of the Department.

The Federal Surplus Property Section is governed by Federal guidelines (41 CFR 102-37), which are incorporated into the Federal Surplus Property Rules in Chapter 0690-01-01 of the Rules and Regulations of the State of Tennessee (Appendix D). Under these rules, the Department receives surplus property from the Federal government, which it redistributes throughout the state to eligible recipients. The process of redistributing Federal surplus property is completed in accordance with Federal Surplus Property Rules and Guidelines.

B. Federal Coverage

For the most recent State fiscal year, the total original acquisition cost of property received through the Federal Surplus Property program for the period July 1, 2020 through June 30, 2021, was $1,952,246.72 with a fair market value of $438,669.84. Please see the following page for the details regarding the distribution of the property received. The Department does not receive any Federal grants, loans, subsidies, training resources, land, or detail of Federal personnel.

1. Beneficiaries of Federally Assisted Programs

The primary beneficiaries of the Surplus Property Distribution Program are State and local governmental agencies, non-profit organizations, and other organizations listed in Appendix E. Property not distributed to one of these organizations within 30 days of receipt is made available for sale to any other entity or the public via a third-party online auction site managed by Asset Auctions. Collection of participant race, color, or national origin data is not applicable to the Department because the main beneficiaries of the surplus program are other government agencies and nonprofit organizations. Inclusion of U.S. Census data regarding race and ethnicity or any other demographic data is not applicable to these organizations.

Limited English Proficiency policies and procedures for the Department are included as Appendix C.

The Central Procurement Office, Department of General Services, manages a statewide contract called the Managed Service Provider contract with Guidesoft Inc., DBA Knowledge Services. Under this contract, Knowledge Services manages all vendors that provide staff augmentation for the State, which includes telephonic interpretative services. Knowledge Services’ vendors for telephonic interpretative services are Linguistica International and Avaza Language Services Corporation.

Linguistica International
8819 South Redwood Rd. Suite D West
Jordan, UT 84088
866-908-5744

Avaza Language Services Corporation
5209 Linbar Drive, Suite 603
Nashville, TN 37211
1-800-482-8292

The Department did not utilize Linguistica’s or Avaza’s interpretation and translation services during the fiscal year.

As the Department’s main function is to provide services to other State departments and agencies, the Department does not encounter LEP persons on a regular basis; however, the Department has elected to provide its Title VI poster (Appendix P & Q) in both English and Spanish, the second most common language spoken in Tennessee. This poster is displayed in all of the Department’s offices and is distributed to donees participating in the surplus property program. In addition, each security checkpoint in each DGS building has a language card to assist in identifying 27 of the most common languages spoken and accessing an interpreter for the appropriate language in need.

Because the Department acts as a service provider for other State agencies and does not conduct business with LEP persons on a regular basis, the Department does not currently have any documents available in languages other than English. If needed, the Department will provide such documents in a reasonable period of time using the contracted translation services.
1. Process for Filing a Complaint

A formal complaint must be filed in writing within one hundred eighty (180) days of the occurrence of the alleged discrimination. The DGS formal complaint form can be found at https://stateoftennessee.formstack.com/forms/dgs_title_vi_complaint_form (please see Appendix F for a copy of the form). No anonymous complaints will be investigated.

a. The complaint may also be filed with the THRC:

i. In a letter, stating the elements of the complaint, addressed to:

   State of Tennessee Human Rights Commission Central Office
   Tennessee Tower
   312 Rosa L. Parks Ave, 23rd Floor
   Nashville, TN 37243

ii. By calling the THRC Central Office at 1-800-251-3589 (Spanish Toll-Free Line: 1-866-856-1252)

iii. By filling out the THRC's complaint form found on the THRC's official website.

b. Allegations that are received by telephone, fax or e-mail will be acknowledged and reduced to writing.

A complaint form will be forwarded for the person(s) to sign and return to the Department for processing. If the complainant is unable or unwilling to file the complaint in writing, the person to whom the complaint is made will document the elements of the complaint in writing.

The complaint must contain the following information:

i. Name, address, and phone number of the complainant;

ii. Location and name of the agency, facility, or other office where the alleged discrimination took place;

iii. Identification of the agency staff alleged to have engaged in discrimination;

iv. The elements of the event(s) that led to the belief that discrimination occurred;

v. The basis of the complaint: race, color, or national origin;

vi. Names, addresses, and phone numbers of people who may have knowledge of the event; and

vii. The date(s) the alleged discriminatory event(s) occurred.
c. A complaint alleging discrimination against a division or entity may be filed internally with the DGS Title VI Coordinator.

d. In addition, a complaint can be filed externally with the THRC or the Office of Civil Rights, U.S. General Services Administration.

2. Investigations, Determination, and Ruling

DGS supervisory staff shall forward all written complaints received to the Title VI Coordinator within two (2) business days of the receipt of any complaint.

The Title VI Coordinator will:

a. Coordinate the review and investigation of complaints;

b. Notify the complainant of receipt of the complaint:
   i. The notification will be accomplished by the most expedient means available, including e-mail, fax or telephone call to be documented in writing and confirmed by letter;
   ii. The notification will include a request for a time and date an investigator can reach the complainant by telephone or in person to discuss the complaint;

c. Notify the complainant by certified letter of the determination and/or any remedial action that has been taken if it is determined that there was discrimination based on race, color, or national origin;

d. Maintain copies of complaints and findings for a minimum of three (3) years from the resolution of the complaint;

e. Take primary responsibility for investigating complaints and reporting findings to the Commissioner. The investigation will review, minimally:
   i. Applicable practices and policies;
   ii. The circumstances and events which led to the filing of the complaint;
   iii. All other pertinent information;

f. Complete the investigation and prepare a written determination on the alleged discrimination and/or make any recommendations on appropriate remedial action to the Commissioner within thirty (30) calendar days of receipt of the written complaint;

g. If a complaint involves an Executive Director, Assistant Commissioner, Deputy Commissioner, or the Commissioner, the Department of Human Resources or the Human
Rights Commission will investigate the complaint on behalf of DGS and report the results to the appropriate agency.

3. Department of General Services Complaints for Fiscal Year 2020-2021:

- No complaints were filed regarding Title VI during the year.
- No complaints were closed.
- No complaints were referred to another State of Federal department or agency.

There were no lawsuits filed during fiscal year 2020-2021 against the Department alleging discrimination on the basis of race, color, or national origin under any Federally funded program or activity.

A copy of the Department's Title VI Complaint Log has been included as Appendix G.
The Department has communicated the Title VI policy to its Title VI representatives, staff, vendors, and donees through training seminars, one-on-one counseling, posters displayed in centrally located areas, dissemination of Title VI brochures, and by making available upon request its written nondiscriminatory policy.

In addition, the Department includes its non-discriminatory policy clause on all pro forma Invitation to Bid and Request for Proposal contract documents. The Department's efforts in the promulgation of Executive Order 14 of December 8, 2003 and involvement with the Governor's Office of Diversity Business Enterprise are other examples of the Department's commitment to Title VI.

The Department provides and requires Title VI training for employees on an annual basis. For the current plan year, the Title VI Coordinator attended the annual update meeting presented by the THRC in August 2021. All employees within the Department were provided Edison access to a Title VI training presentation in August 2021. Each active employee was required to register and complete the training in Edison. A copy of the training presentation is included as Appendix H.

A total of 308 active employees have completed the Title VI training in 2021 as of this report date, which constitutes 96% of the active employees. Individual training dates are tracked in Edison. Records of completed training for each year are retained in an electronic format by the Department's Title VI Coordinator. These records are used for following up with employees who have not satisfied the annual requirement.

The Department of General Services does not receive any federal grants; therefore, we do not have any sub-recipients requiring training.

The Department of General Services anticipates that Title VI training will be provided to all agency employees in May 2022.
A. Subrecipients, Contractors, and Vendors

The Department acts primarily as a service provider to other State departments and agencies by coordinating and administering the State's purchases, real property, personal properties, printing, motor vehicles, surplus property, postal services, and general public works services. In performing these activities, the department utilizes numerous contractors and vendors.

The Department's Central Procurement Office (CPO) was created with the purpose of centralizing the State's procurement and contracting activities. In this role, the CPO works with all State agencies and departments to fulfill their purchasing needs and serves as the primary point of contact for registering vendors seeking to provide goods or services to the State. The templates and models for contracts, including grants, which have been approved by the Procurement Commission and used by the CPO, contain language that ensures Title VI compliance by state grantees or contractors. Under applicable state law, state agencies are responsible for ensuring Title VI compliance for their grantees, subrecipients, and contractors.

While the CPO facilitates many aspects of these processes, it is not necessary for the Department to include all of these contractors and vendors in this Implementation Plan. Because many of these contractors and vendors are for utilization by other State departments, they should be included in the applicable department’s plan, and inclusion by the Department of General Services would be duplicative. The Department does not have any direct sub-recipient relationships. Appendix I lists all vendors with active contracts in Edison as of the end of fiscal year 2021, sorting by those with total authorized spend of $10,000 or more. Edison tracks vendors and the related contracts according to the respective contract periods, as opposed to the initial date of activity with the state. While the contract spend is an amount that can be provided by Edison, utilizing the data that is currently available as to vendor registration, we are unable to identify the total population of vendors utilized statewide, nor identify with assurance those who are new. Contracts spend for the statewide list cannot be differentiated between federal, state, or hybrid. The Department did not receive any Federal Grants, or loans and it does not have any direct subrecipients. Also, there are no Federal Assistance applications pending that have been generated by our Department.

B. Pre-Award Procedures – Assurances and Data Collection

The Department agrees that as a condition to receiving any Federal financial assistance, it will comply with Title VI of the Civil Rights Acts of 1964. The Commissioner has the overall responsibility for compliance with Title VI. The Title VI Coordinator, appointed by the Commissioner, is responsible for coordinating Title VI activities within the Department. The Department will make available to the THRC compliance reports upon request.
The U.S. General Services Administration, Southeast Office of Civil Rights, requires the Department to comply with Title VI for the receipt of Federal property. The Vehicle and Asset Management Division is required to follow strict Federal compliance review procedures in order and to remain eligible to participate in the Federal surplus property program. The Title VI Coordinator and the Director of Vehicle and Asset Management are responsible for coordinating and monitoring all approved donees that are participating in the Federal surplus property program. The rules of Federal Surplus Property are included in Appendix D. See Appendix E for qualifications to become a donee. All donees must complete the application and nondiscrimination assurance documents found in Appendix J.

Currently, the Department only has approved donees that participate in our Federal property program. The Department does not have any subrecipients that would require compliance with Title VI regulations. Additionally, the Department does not provide services or benefits to individuals.

All Requests for Proposals (RFPs) for professional service contracts require signed statements that the proposer will conform to the requirements of Title VI. See the Proposal Statement of Certifications and Assurance in Appendix K.

Title VI training assistance is available through the Department’s Title VI Representatives upon request or as deemed appropriate in the event compliance audits indicate deficiencies.
C. Post-Award Procedures

The Department does not have any subrecipient relationships; however, the Department has a total of Twenty-Four (24) active donees that have received Federal surplus property from the Surplus Property Program in the last fiscal years. Appendix L contains the complete list of active donees. Surplus Property staff periodically conducts Title VI compliance checks of selected active donees. The Title VI Audit Checklist (Appendix M) is utilized during these visits.

D. Public Notice and Outreach

All donees receive Title VI posters and brochures for display and distribution. All RFPs and contracts include standard language concerning non-discrimination practices and compliance with the requirements of Title VI.

E. Procedures for Noncompliance

After compliance checks, follow-up letters are sent to each donee, and deficiencies are noted if the donee is found to be in noncompliance with the Title VI regulations. An example follow-up letter is included as Appendix N. The Department will work with all non-compliant donees in an effort to achieve voluntary compliance and will follow up on any deficiencies within ninety (90) days to ensure that each area has been sufficiently addressed. If noncompliance is not corrected, the donee will be denied access to surplus property and will be reported to the appropriate Federal and State authorities. Any bidder for State contracts who does not sign the required acknowledgment regarding Title VI compliance is not eligible to do business with the Department.
A. Commitment Statement

The primary goal of the Department's Title VI Program is to ensure that all staff, contractors, and service beneficiaries are aware of the provisions of Title VI and the responsibilities associated with Title VI of the Civil Rights Act of 1964. Staff are readily available to provide high-quality technical assistance, resources, guidance, and any other information regarding Title VI. Information related to the Department's Title VI Policy, which includes complaint procedures, is included as part of the Department's Title VI Implementation Plan, which is accessible on the Department's internet page at https://www.tn.gov/generalservices/about-dgs/titleviimplementation-plan.html. In addition to electronic distribution, the Department will provide these documents in print, upon request.

The workshop concept has been utilized as a means of identifying specific issues and concerns of minorities. Concerns can be properly addressed only when they have been identified. This type of outreach and training throughout the State is continuously promoted by the Department through the Go-DBE office. Along with various other state agencies, this effort is intended to increase awareness of the Department's policy, as well as to increase contracting opportunities with minority-owned, women-owned, service-disabled veteran-owned, and small businesses.

Examples of outreach activities for the fiscal year include:

- Minority Enterprise Development Week (MEDWeek) Conference
- East Tennessee Diversity Business Expo
- UT Knoxville Supplier Workshop
- PTAC Beyond Certification Workshop
- Skanska Safety Leadership Workshop
- City of Knoxville's 12th Annual Business Opportunities Breakfast
- Austin Peay State University Supplier Workshop
- Small Business Development Office Meeting
- Metro Nashville Diversity Panel
- Bell Construction- Small and Diverse Business Certification Training
- U. S. Small Business Administration Outreach

In addition to the above efforts, Go-DBE has continued meeting with State agencies and departments to discuss the potential of setting goals for utilization of new certified businesses in rural counties. Go-DBE met with agencies and departments on October 15, 2020 for the Annual Agency and Departmental Goals meeting. Many State agencies have taken the initiative to their respective departments with the intent of continuing to drive momentum for improving rural county volume of transactions with certified businesses.
B. Board and Advisory Bodies

The Department does not control the membership of any Board or Commission. However, the Commissioner or the Commissioner's designee, sits on the following boards and commissions listed below, pursuant to the statutes indicated for each:

The Commissioner appoints two (2) members to the council and gives due consideration to the need for geographic, age, racial, gender, and ethnic diversity on the council, in accordance with the requirements of the statute. As stipulated the statute, the Commissioner must appoint one representative from the Department and one representative from other State agencies.

C. Documentation of Minority Input

The Governor’s Office of Diversity Business Enterprise (Go-DBE) is charged with coordinating and directing the Executive Branch’s efforts in assisting small businesses and businesses owned by minorities, women, service-disabled veterans, and persons with disabilities to develop into viable, successful businesses. This work includes assisting these businesses in competing successfully
for the State of Tennessee's expenditures for goods and services. In fulfilling its charge, the Go-DBE is directed to work with all existing state agencies and departments, specifically including the Business Enterprise Resource Office (BERO) within the Department of Economic and Community Development. In accordance with TCA § 12-3-1107, the Department issues an annual report to the Governor and members of the Tennessee General Assembly regarding Go-DBE. This public report outlines the purpose, goals, and achievements of Go-DBE and can be found at the following link https://www.teamtn.gov/cpo/supplier-diversity/events-and-publications. Bidding opportunities for surplus personal property and professional services contracts are published on the Department's website.

D. Go-DBE Accomplishments

Contract and Payments- For the past 15 years, agencies have increased spend with diversity businesses. The purchases to certified diversity businesses for Fiscal Year (FY) 2021 increased to $766 million, over 3.58% increase from the previous fiscal year.

Diversity Solicitations and Responses- Go-DBE makes considerable efforts to ensure diversity businesses receive as many opportunities to participate in state procurement as possible. Every year, the office publishes the Forecast of Acquisitions Plans for State Departments and Agencies for the fiscal year. The publication provides businesses with information on upcoming procurement opportunities the state anticipates purchasing during the next year. Go-DBE also works closely with State agencies and the Central Procurement Office's Sourcing Analysts and Category Specialist and provides them with lists of certified businesses to include in their procurement notifications that match the solicitations' s commodity codes.

Certification- Go-DBE certifies diversity businesses as minority-owned, women-owned, persons with disabilities, service-disabled veteran-owned, or small business enterprises. The certification application is entirely on-line process. FY 2021 saw a 5.4% increase from 2,087 to 2,199 in the number of certified businesses from the previous year.

Rural Counties- By focusing on rural counties with Go-DBE, the state spent $62 million across 34 counties in FY 2021. That's a 9.8% increase over FY 2020.

Sub-Contracting- Each year, Go-DBE participates in numerous Pre-Bid and Pre-Response conferences. The total sub-contracting dollars for FY 2021 was $276,882,284 million. This represents 35% of the overall diversity spend for the year.
The Title VI Coordinator obtains a Title VI summary report from each divisional representative on a quarterly basis. Additionally, reports are prepared for each donee compliance check performed by the Department. These reports are used to track Title VI compliance, and a summary is communicated in the Department’s annual Implementation Plan. See Section 11.C and Appendix G.

The Department does not routinely furnish to or share individual Title VI compliance reports with any Federal or State agencies; however, compliance reports are furnished to the THRC, upon request, and they are made available to the U.S. General Services Administration (GSA) during its periodic reviews of the Department’s Surplus Property Program. The THRC performed a compliance review in April 2017, and no findings were noted.

The Department is required to report quarterly results of the surplus property program to the GSA (41 CFR 102-37.360). This report reflects the Federal surplus property that has been allocated from the GSA and the property that the Department has issued to donees. This report does not involve Title VI compliance.
The Department evaluates its Title VI compliance program on a regular basis to ensure effectiveness and efficiency and considers the following information when evaluating its Title VI program:

- Compliance reports received from the THRC;
- Recent complaints received;
- Results of donee compliance checks;
- Department program changes and additions;
- Other relevant data and information.

The Department was deemed compliant by the THRC during the most recent audit in 2017. The Surplus Program was also deemed complaint by a GSA audit in 2017. Additionally, the Department did not receive any Title VI complaints in the previous year and as a result, has not identified any deficiencies at this time that need to be addressed.

The Title VI Coordinator and the Director of Surplus are responsible for coordinating and monitoring all approved donees that are participating in the Federal surplus property program. The rules of Federal Surplus Property are included in Appendix D. See Appendix E for qualifications to become a donee. All donees must complete the application and nondiscrimination assurance documents found in Appendix J.

Ongoing compliance checks are performed by the Title VI Representative of Vehicle and Asset Management under direct supervision by the Title VI Coordinator. During the fiscal year 2020-2021, the Title VI Coordinator and Title VI Representative for Vehicle and Asset Management performed compliance checks for three (3) donees within the Surplus program. These three donees held 29% of the total donated property from the Surplus program. Reviews included, but were not limited to, the display of appropriate posters, adequate written policies, adequate procedures for complaints, proper record keeping of complaints, minority representations on Boards, and evidence of training. These three (3) donees were all found to be in compliance with Title VI requirements. Additional donees will be selected for review on an ongoing basis.

The Department of General Services continued to focus its efforts on consistently delivering high performance, customer satisfaction, reduced time and cost, relationship-based customer service, and on creating the greatest enterprise-wide value. The Department’s fourth annual customer service survey of state agencies showed record high scores 92.7% of survey participants said they consider the Department a valued business partner for their agency.

The State Agency will also provide surplus personal property information to potential eligible applicants. The State Agency will utilize public information media, direct mail-outs, and information releases to public agencies and to nonprofit health and educational organizations. The applicants will also be provided with eligibility applications. Federal personal surplus property will be made available, after certification by the State Agency, to eligible donees certifying that such property is useful and needed when they are:

(2) The State Agency shall maintain a complete and current eligibility file on each donee which shall include the following properly executed documents:

(3) In certain cases conditional eligibility will be granted newly organized activities which may not have commenced operations, completed construction of its facilities, or not yet been approved, accredited, or licensed as may be required to qualify as an eligible donee. In other cases, there may be no specific authority which can approve, accredit or license the applicant as required for qualification. In such cases, the State Agency may accept letters from public authorities, either local or State, which the State Agency deems competent, such as a Board of Health or Board of Education, that the applicant otherwise meets the standards prescribed for approved, accredited or licensed institutions and organizations.

(4) The State Agency shall update a donee’s eligibility records on a periodic basis, but not less than once every three years, to insure continuing eligibility. When a eligible donee ceases to operate, or when it loses its status by not making prompt payment of service and handling charges or fees, compliance violations or other good reasons, the State Agency shall terminate its distribution of property to such activity.

**Authority:** T.C.A. Sections 4-330(15), 12-333(5A), and 49-808 through 49-810. See also Public Law No. 94-519.

**Administrative History:** Original Rule filed August 31, 1977, effective September 30, 1977.

**0690-1-1-.04 FAIR AND EQUITABLE DISTRIBUTION.** The State Agency will make property available to the eligible units in the State on a fair and equitable basis. When eligible units indicate an interest in property, it will be distributed on a fair and equitable basis based on their relative needs, resources and ability to utilize the property.

(1) Factors considered in the distribution of property based on relative needs, resources and ability to utilize the property.

(a) Relative needs - In considering requests of potential recipients, the criteria for determining the relative needs will be:

1. Size and types of programs conducted.

2. Contemplated use and frequency of use.

3. Economic condition of agency, activity or institution.

4. Critical or urgent need.

5. Geographical location (urban, suburban or rural).

6. Interest and expression of need on the part of the donee in the property available.

(b). Relative resources — In considering the request of potential recipients, the criteria for determining relative resources will be:
1. Funding sources and availability (grants, donations, taxes, etc.).

2. Equipment availability.

(c). Ability to utilize — In considering requests of potential recipients, the criteria for evaluating ability to utilize property will be:

1. Length of time in contemplated usage.

2. When item can be put in use.

3. Availability of funds to repair or maintain property in use.

4. Ability of the donee to select and remove property from the distribution center of a Federal activity on a timely basis.

5. Type and quantity of property received by the donee to date.

(2) The State Agency operates a distribution center to serve the eligible donees in the distribution of available property. To insure that eligible donees located a greater distance from the distribution center will receive equity in the distribution of desirable items, the donees are invited to submit a listing of major items needed such as vehicles, construction equipment, materials handling equipment, machine tools, generators, air compressors, business machines, boats, aircraft, large electronics and scientific type items, etc. The agency employees will be guided by these requests in their search and selection of property. This equipment (major items) will be distributed on the basis of need, resources, and ability to utilize the property as outlined in Section (1) above. The distribution center is open for donees to visit eight hours per day, five days a week. Small miscellaneous items will be available on a supermarket plant, with quantity limited to any one donee depending upon the total quantity on hand.

(3) The State Agency will recommend to General Services Administration the certification of donee screeners, as are qualified and needed in accordance with FPMR 101-44.116. The State Agency will, insofar as practical, economical, and considering equitable distribution among its donees, select that property requested by the donees, and the agency will arrange for direct pickup or shipment of the property to the donee if requested to do so.

(4) Donees which suffer or experience a local disaster and/or loss of property due to fire, flood, tornado, etc., will be given a temporary priority for all requested items of property. Special efforts will be made to locate and distribute needed property to them.

(5) Where competing requests are received for property items, the State Agency will make a determination as to the donee based on the evaluation of the criteria in paragraph (1) above.

Authority: T.C.A. Sections 4-330(15), 12-333(5A), and 49-808 through 49-810. See also Public Law No. 94-519.

0690-1-1-.05 FINANCING AND SERVICE CHARGES

(1) The State Agency is a service organization whose function is to acquire and distribute all available Federal surplus property needed for the eligible recipients in the State. The State Agency does not receive any appropriated funds from either Federal or State sources for operation of the Agency. The total costs for operation must be absorbed by receipts from service charges assessed on items distributed and sales and compliance proceeds. Such charges will be fair and equitable in relation to the service performed and the direct and indirect costs for operation. If any appropriated funds are made available at a later date, they will become part of the capital reserve fund. In general, the assessment of service charges are related to the following factors:
Expenses of operation.

1. Administrative costs including salaries and fixed charges
2. Warehouse operating expenses
3. Transportation expenses
4. Property screening expenses
5. Compliance and utilization review expenses
6. Costs for facility construction, maintenance, and repair
   (b) Original government acquisition costs.
(c) Condition and potential of property.
(d) Costs for repair and rehabilitation of property as needed.

Due to the infinite variety of available property, varying condition, obsolescent factors, and potential use as an item or for parts or material content, the following chart has been developed to assure fair and reasonable service charges:

Direct Pick-Up - Charges on property transferred direct from Holding Agency to a donee will be approximately ½ of the percentage of column a.

Exceptions:
(a) Rehabilitated property - Direct costs for rehabilitating property will be added to the charge.
(b) Overseas property - Additional costs for screening and returning property will be added.
(c) Extraordinary and/or unusual transportation charges - Charges on property with "out-of-the-ordinary or "unusual transportation cost” will be added.
(d) Special handling - An additional charge may be made for dismantling, packing, crating, shipping, delivery and other extraordinary charges.
(e) Adjustment in acquisition cost - When the acquisition cost of an item is unrealistic, an adjustment will be requested from the GSA Region Office prior to assessment of service charge.
(f) **Lotted property** - Property issued by pound, in accordance with State Agency inventory system, will be exempt from the above schedule. Service charges will be assessed on price per pound basis.

(3) The above schedule will be re-evaluated periodically for comparison of operating expenses with income receipts. When it is evident that operating costs exceed operating income, the percentage of A/C (Col. a) will be adjusted accordingly.

(4) In recognition of reduced agency expenses relating to such factors as loading, unloading, transportation, and screening, recipients making direct pick-up of surplus property from the holding agency will be assessed service charges at a lower rate than property transferred from the State Agency distribution centers. Normally, as a general rule, the rates for direct pick-up will be reduced by 50 percent or more when compared to similar items transferred from the Agency distribution centers. Since the screening process is inextricably involved in the basic function of the State Agency - to make fair and equitable distribution of all available property the savings on screener expenses would not be in as direct proportion as other factors such as transportation, loading, and unloading. A further reduction may be made for direct donee screening.

(5) The funds accumulated from service charges, appropriated funds, sales and compliance proceeds, or any other source, including funds acquired prior to October 17, 1977, will be deposited with the State Treasury in a specific fund designated for the State Agency, and are to be used solely to cover direct and indirect costs of the State Agency’s operation, to purchase necessary equipment, to construct and maintain facilities as required, to rehabilitate donable property items, to purchase replacement parts for donable property items, and to maintain a reasonable working capital reserve, not to exceed $100,000 over the operating cost of the preceding year. The service charges can be spent in acquiring or improving office space or distribution facilities. The State Agency has the authority subject to the approval of the Commissioner of the Department of General Services and real property regulations of the State of Tennessee. When such facilities are sold or otherwise disposed of, funds will revert to the capital reserve fund subject to the approval of the Commissioner of the Department of General Services and real property regulations of the State of Tennessee. Any excess in working capital reserve will be reduced by reducing service charges to donees. The State of Tennessee does not permit the State Agency to invest funds.

\(\text{Rule 0690-01-1-.06, continued}\)

“The Administrator of General Services is authorized, as circumstances warrant, to impose appropriate conditions on the donation of property having characteristics that require special handling or use limitations. In exercising his discretion the Administrator may, on a case-by-case basis, prescribe additional restrictions covering the handling or use of such property.”

8. The State Agency may impose other terms, conditions, reservations, or restrictions on the use of aircraft donated under this Section 101-44.108-2 which are not inconsistent with the conditions set forth in Sections 101-44.108-2(c)(2) and 101-44.208.

(11) The State Agency may amend, modify, or grant release of any term, condition, reservation, or restriction it has imposed on donated items of personal property in accordance with the enclosed standards (Exhibit A, sample copy enclosed), provided that the conditions pertinent to each situation have been affirmatively demonstrated to the prior satisfaction of the State Agency and made a matter of public record.

(12) Cannibalization of items on which GSA has imposed special handling conditions or use limitations will require prior GSA approval during the period of restriction.

(13) Non-combat aircraft and vessels over 50’ carry a five-year restriction from the date they were placed in use. (See Exhibit B - Vessel Conditional Transfer Document, and Exhibit C - Non-combat type Aircraft Conditional Transfer Document).

(14) Combat-type aircraft carry a perpetual restriction. (See Exhibit D - Combat-type Aircraft Conditional Transfer Document).

(15) From the date it receives the property and through the period of time the restrictions remain in effect, the donee shall not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property or remove it permanently, for use outside the State, without the prior approval of the State Agency. (16) In the event any of the property is sold, traded, leased, loaned, bailed, cannibalized, encumbered, or otherwise disposed of by the donee from the date it receives the property through the periods it is under restriction, without the proper prior approval of the State Agency, the donee, at the option of the State Agency, shall pay to the State Agency the proceeds of the disposal or for the fair market value or the fair rental value of the property at the time of such disposal, as determined by the State Agency.

(17) If at any time from the date it receives the property and throughout the period of restriction any of the property is no longer suitable, usable, or further needed by the donee for the purpose for which acquired, the donee shall promptly notify the State Agency, and shall, as directed by the State Agency, return the

0690-1-1-.07 COMPLIANCE AND UTILIZATION

(1) Items Subject to Compliance Review. The terms, conditions, reservations, and restrictions under which
Federal surplus property is donated are stated on the reverse of the property issue document. The State
Agency shall conduct utilization reviews for donee compliance on items with a unit acquisition cost of
$3,000 or more and on passenger motor vehicles. Also, reviews will include items of property on which the
Administrator of GSA imposes restrictions for special handling and use limitations defined in Rule 0690-11-
.06, Terms and Conditions on Donable Property. Major items of equipment on which the State Agency
imposes special use restrictions will be of major interest in the reviews.

(2) Procedures for Conducting Utilization Reviews

(a) Compliance Memorandum. It shall be the policy of the State Agency to require a written utilization
report from each donee who has acquired an item of property having a unit acquisition cost of $3,000
or more, a passenger motor vehicle, or certain items on which GSA has imposed special handling and
use limitations. After posting invoice to donee ledger card, utilization inquiry letter is mailed in
duplicate to donee. Satisfactory replies, reflecting specific date restrictive item is placed into use, or
to be placed into use, location, etc. are filed in respective donee restrictive item folder. Nonresponse
and insufficient reply cases are sent follow-up letter six months from date of first letter. If after 30
days no reply or unsatisfactory reply, cases are referred to Director for personal visit by State Agency
representative.

(b) Physical Inspections. State Agency personnel will physically inspect during the period of restriction
any major item of property on which the State Agency has imposed a special use limitation. During
such visits, State Agency personnel will spot check other items of surplus property acquired with
special emphasis on any items with special handling and use limitations imposed on it by GSA.

(c) Report of Cannibalization. A report shall be required on items with a unit acquisition cost of $3,000
or more and passenger motor vehicles on which cannibalization has been authorized to determine if
the cannibalization has been performed and if any remaining component is valued at $3,000 or more.

(3) Compliance Actions

(a) Administrative compliance remedies in cases of non-use, misuse, or unauthorized disposal of donated
property which had a unit acquisition cost of $3,000 or more, passenger motor vehicles, or property
distributed with special conditions or restrictions will be undertaken as follows:

1. Whenever possible and practicable, the property will be placed into eligible use by the present
donee, transferred to another eligible donee, or returned to the State Agency.
2. When it has been determined that property has been ineligibly used, demand will be made of the donee organization to pay to the State Agency or to the U.S. Government, in cases where the Federal conditions have been violated, fair rental value for the time the property was ineligibly used.

3. If property has been disposed of and cannot be reclaimed for further use, or if property is worn or damaged so as to render it unfit for further use, the donee organization will be liable for fair market value as described above.

(b) A full investigation will be conducted when there is evidence that suggests possible property compliance violations. A complete report will be filed with the Regional Office of GSA describing the results of the investigation if any compliance action is taken.

(c) When fraud in the acquisition of donable property is alleged or suspected, a report containing all available information will be made to the FBI, with notification to the GSA regional office. Local law enforcement officials will be advised of any violations of State restrictions. The State Agency will take necessary actions to prosecute cases of fraud or misuse of donated property and will assist GSA or other responsible Federal or State officials in investigating such cases upon request.

(a) Return the property at its own expense to the State Agency warehouse.

(b) Re-transfer the property to another eligible donee as directed by the State Agency.

EXHIBIT A

February 25, 1977

In accordance with Part VI of the plan of operation the State agency may amend or grant releases during the period of restriction from the terms, conditions, reservations, or restrictions it has imposed on donated property; in accordance with the following standards provided that the conditions pertinent to each situation have been affirmatively demonstrated to the prior satisfaction of the State agency, and have been made a matter of record:

(1) **Secondary utilization or cannibalization.** Secondary utilization or cannibalization may be accomplished provided that:

   (a) Disassembly of the item for use of its component parts for secondary use or repair and maintenance of a similar item has greater potential benefit than utilization of the item in its existing form;

   (b) Items approved for disassembly or cannibalization will remain under the period of restriction imposed by the transfer document pending completion of the proposed secondary use or cannibalization; and

   (c) A written report of such action is made by the donee to the State agency, including a list of all components resulting from the secondary utilization or cannibalization which have a single item acquisition cost of $3,000 or more. These components will remain under the restrictions imposed by the transfer document. Components with a single item acquisition cost of less than $3,000 will be released from the restrictions imposed by the transfer document. However, these components will continue to be used or be otherwise disposed of in accordance with applicable law and regulations.

(2) **Trade-in of an item on a similar replacement.** An item of donated personal property may be traded in or used as whole or part payment for another like item of property provided:

   (a) The item being traded in is not, when the request is made, in compliance status for violation of the terms, conditions, reservations or restrictions placed on it.

   (b) The item being traded in has been used by the donee for eligible purposes for at least 12 months from the date of being placed in use, and it has been demonstrated that the trade-in will result in increased utilization value to the donee;

   (c) The trade-in is on a one-for-one basis only, i.e., one donated item being traded for one like item having similar use potential.

   (d) The item being acquired has an estimated market value at least equal to the estimated market value of the item being traded in, and

   (e) The item is made subject to the period of restriction remaining on the item traded in.

(3) **Abrogation.** Except in cases involving the failure to use or the misuse of donated property, abrogation of restriction imposed by the State agency in the transfer instrument may be authorized upon payment to the State agency of an amount representing the fair market value at the time of donation less a credit for the time the property was used for the purpose for which donated, during the period of restriction, and provided that the State agency determines that such action will not result in a windfall revenue to the donee, and provided further that the property has been used for at least 12 months from the date of being placed in use.
(4) **Revision of the acquisition cost.** The acquisition cost of an item may be revised provided that the request therefor is made in writing by the donee, and it is determined by the State agency that the listed acquisition cost is unrealistic in view of its research and development costs, its incompleteness due to missing parts, or its generally deteriorated condition.

(5) **Destruction and abandonment.** A donated item of personal property may be destroyed or abandoned by a donee when it is determined that the item has no commercial value or the estimated cost of its continued care and handling would exceed the estimated proceeds from its sale. The determination shall be based on a finding made in writing by the State agency and the State agency shall prescribe the means and methods whereby the property shall be destroyed or abandoned.

(6) **Enforcement of compliance.** The enforcement of the terms and conditions, reservations and restrictions imposed by the State Agency of donated property, or the remedy of breaches of such terms and conditions, may be satisfied:

   (a) When payment is made to the State agency of any and all fair rental values due and payable for any unauthorized use of donated property.

   (b) When payment is made to the State agency of either the fair market value or gross proceeds of sale, whichever is in the best interest of the State, for the unauthorized disposal or destruction of donated property; or

   (c) When donated property is recovered by the State agency. Custody accountability and distribution of such reverted property are the responsibilities of the State agency.

(7) **Reduction in the period of restriction.** Provided an item of donated property is not in compliance status, a reduction the period of restriction may be authorized when a revised standard covering the period of restriction is promulgated by the State agency.

(8) **Limitations.** These provisions are not applicable to:

   (a) Donated military-type aircraft, or other item of property on which GSA has imposed special handling condition or use limitations.

   (b) Property which was not placed in use for the purposes for which acquired within one year from the date the property was placed in use, and continued in use for one year from the date the property was placed in use, except with respect to secondary use or cannibalization as provided in FPMR 101-44.208(h).

8. In the event the aircraft Property is disposed of without prior written approval, or is used for a purpose other than the purpose stated, the Donee, at the option of the Donor, shall be liable to the United States of America for the proceeds of the disposal, the fair market value, or the fair rental value of the aircraft Property at the time of such unauthorized transaction or use, as determined by the Donor.

**A. THE DONEE CERTIFIES THAT:**

1. It is a public agency; or a nonprofit educational or public health institution or organization, exempt from taxation under Section 501 of the Internal Revenue Code of 1954; within the meaning of Section 203(j) of the Federal Property and Administrative Services Act of 1949, as amended, and the regulations of the Administrator of General Services.
2. If a public agency, the property is needed and will be used by the recipient for carrying out or promoting for the residents of a given political area one or more public purposes, or, if a nonprofit tax exempt institution or organization, the property is needed for and will be used by the recipient for educational or public health purposes, and including research for such purposes. The property is not being acquired for any other use or purpose or for sale or other distribution, or for permanent use outside the State, except with prior approval of the State Agency.

3. Funds are available to pay all costs and charges incident to donation.

4. This transaction shall be subject to the nondiscrimination regulations governing the donation of surplus personal property issued under Title VI of the Civil Rights Act of 1964 and Title VI Section 606 of the Federal Property and Administrative Services Act of 1949, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended.

B. THE DONEE AGREES TO THE FOLLOWING FEDERAL CONDITIONS:

1. All items of property shall be placed in use for the purposes for which acquired within one year of receipt and shall be continued in use for such purposes for one year from the date the property was placed in use. In the event the property is not so placed in use, or continued in use, the donee shall immediately notify the State Agency, and at the donee’s expense, return such property to the State Agency, or otherwise make the property available for transfer or other disposal by the State Agency, provided the property is still usable as determined by the State Agency.

2. Such special handling or use limitations as are imposed by General Services Administration (GSA) on any item(s) of property listed hereon.

3. In the event the property is not so used or handled as required by (B)(1) and (2), title and right to the possession of such property shall at the option of GSA revert to the United States of America and upon demand the donee shall release such property to such person as GSA or its designee shall direct.

C. THE DONEE AGREES TO THE FOLLOWING CONDITIONS IMPOSED BY THE STATE AGENCY, APPLICABLE TO ITEMS WITH A UNIT ACQUISITION COST OF $3,000 OR MORE AND PASSENGER MOTOR VEHICLES REGARDLESS OF ACQUISITION COST, EXCEPT VESSELS 50 FEET OR MORE IN LENGTH AND AIRCRAFT:

1. The property shall be used only for the purpose(s) for which acquired and for no other purpose.

2. There shall be a period of restriction which will expire after such property has been used for the purpose(s) for which acquired for a period of 18 months from the date the property is placed in use, except for such items of major equipment, listed hereon, on which the State Agency designates a further period of restriction.

3. In the event the property is not so used as required by (C)(1) and (2) and federal restrictions (B)(1) and (2) have expired, then title and right to the possession of such property shall at the option of the State Agency revert to the State of Tennessee and the donee shall release such property to such person as the State Agency shall direct.

D. THE DONEE AGREES TO THE FOLLOWING TERMS, RESERVATIONS AND RESTRICTIONS:

1. From the date it receives the property listed hereon and through the period(s) of time the conditions imposed by (B) and (C) above remain in effect, the donee shall not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property, or remove it permanently for use outside the State, without prior approval of GSA under (B) or the State Agency under (C). The proceeds from any sale, trade, lease, loan, bailment, encumbrance or other disposal of the property, when such action is
authorized by GSA or by the State Agency, shall be remitted promptly by the donee to GSA or the State Agency as the case may be.

2. In the event any of the property listed hereon is sold, traded, leased, loaned, bailed, cannibalized, encumbered, or otherwise disposed of by the donee from the date it receives the property through the period(s) of time the conditions imposed by (B) and (C) remain in effect, without the prior approval of GSA or the State Agency, the donee, at the option of GSA or the State Agency, shall pay to GSA or the State Agency, as the case may be, the proceeds of the disposal or for the fair market value or the fair rental value of the property at the time of such disposal, as determined by GSA or the State Agency.

3. If at any time, from the date it receives the property through the period(s) of time the conditions imposed by (B) and (C) remain in effect, any of the property listed hereon is no longer suitable, usable, or further needed by the donee for the purpose(s) for which acquired, the donee shall promptly notify the State Agency, and shall, as directed by the State Agency, return the property to the State Agency, release the property to another donee or another State Agency, a department or agency of the United States, sell or otherwise dispose of the property. The proceeds from any sale shall be remitted promptly by the donee to the State Agency.

4. The donee shall make reports to the State Agency on the use, condition, and location of the property listed hereon, and on other pertinent matters as may be required from time to time by the State Agency.

5. At the option of the State Agency, the donee may abrogate the conditions set forth in (C) and the terms, reservations and restrictions pertinent thereto in (D) by payment of an amount as determined by the State Agency.

E. THE DONEE AGREES TO THE FOLLOWING CONDITIONS, APPLICABLE TO ALL ITEMS OF PROPERTY LISTED HEREON:

1. The property acquired by the donee is on an “as is, where is” basis, without warranty of any kind.

2. Where a donee carries insurance against damages to or loss of property due to fire or other hazards and where loss of or damage to donated property with unexpired terms, conditions, reservations or restrictions occurs, the State Agency will be entitled to reimbursement from the donee out of the insurance proceeds of an amount equal to the unamortized portion of the fair value of the damaged or destroyed donated items.

F. TERMS AND CONDITIONS APPLICABLE TO THE DONATION OF AIRCRAFT AND VESSELS (50 FEET OR MORE IN LENGTH) HAVING AN ACQUISITION COST OF $3,000 OR MORE, REGARDLESS OF THE PURPOSE FOR WHICH ACQUIRED:

THE DONATION SHALL BE SUBJECT TO THE TERMS, CONDITIONS, RESERVATIONS, AND RESTRICTIONS SET FORTH IN THE CONDITIONAL TRANSFER DOCUMENT EXECUTED BY THE AUTHORIZED DONEE REPRESENTATIVE.

Title VI of the Civil Rights Act of 1964
Annual Training

Purpose of Training
To ensure General Services employees are aware of the provisions of Title VI of the Civil Rights Act of 1964 and the minimum requirements to be in compliance with its rules, laws, and regulations.

Protected Classes

1. Race:
   - American Indian or Alaska Native
   - Asian
   - Black or African American
   - Native Hawaiian or other Pacific Islander
   - White
   - Person may identify one or more race in addition to identifying their ethnicity as Hispanic or Latino

2. Color: skin color

3. National Origin: country of ancestry (not country of citizenship)

Federal Financial Assistance

Federal financial assistance means more than just money. It is also aid that enhances the ability to improve or expand allocation of recipient's own resources. Examples might include:

- Student Aid
- Training of employees
- Award or grant money
- Use or rent of federal land or property below market value
- Tax incentives
- Loan of federal personnel
- Technical Assistance
Discrimination is prohibited throughout an entire agency or institution if any part of that agency or institution receives Federal financial assistance, not just actions involving the federally assisted program.

The entire agency is required to comply with Title VI, not just that particular program.

Although the Department does not directly receive Federal funding, the Vehicle & Asset Management (VAM) Surplus Property program receives Federal surplus property, which it sells to governmental subdivisions, non-profit organizations, and the public.

Because VAM receives and redistributes Federal surplus property to eligible recipients, all of the Department’s operations are subject to the requirements of Title VI.

“No person, based on race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or otherwise subjected to discrimination under any program, service, or activity operated, funded, or overseen by the Tennessee Department of General Services.”

“Agencies and recipients must take reasonable steps to provide meaningful access to LEP individuals.

- LEP individuals are defined as persons who do not speak English as their primary language with a limited ability to read, speak, write, or understand English. This includes people who do not speak English at all.
- Providing language assistance ensures that services are not delayed or denied because of communication issues.

The Department is covered by a statewide contract to provide interpreter services: Linguistica International

“The Department of General Services does not discriminate against anyone with Limited English Proficiency (LEP), who participates in our programs and/or services and steps have been taken to ensure that all individuals will be able to communicate, either through written or oral language services, with members of our staff.”
Title VI Does...

- Prohibit entities from denying service, financial aid, or other benefits.
- Prohibit entities from providing services or benefits that are different or inferior.
- Prohibit segregation or separate treatment.
- Prohibit entities from requiring different standards or conditions as prerequisites in order to be eligible for benefits.

Title VI Does Not...

- Apply to federal assistance provided through insurance or guaranty contracts.
- Apply to employment, except where employment practices result in discrimination against program beneficiaries or where the purpose of the Federal assistance is to provide employment.
- Apply to benefit programs such as Social Security.
- Apply to contracts and set-aside programs.
- Provide relief for discrimination based on age, sex, geographical locale, or wealth.

How Is Title VI Different From Respectful Workplace?

- Respectful workplace covers discrimination and harassment in the workplace.
- Title VI only applies to discrimination in the provision of public services and is limited to race, color, or national origin discrimination.

DGS Title VI Compliance Report and Implementation Plan FY 2020-2021
CERTIFICATION REGARDING DEBARMMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION—LOWER TIER TRANSACTIONS

This certification is required by the General Services Administration regulations implementing Executive Order 12549-41 CFR 105-68 for all lower tier transactions meeting the requirements stated at 41 CFR 105-68.110.

1. By signing and submitting this proposal, the prospective lower tier participating is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification
(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
