A. Overview of the Department

The Department of General Services was established by Tennessee Code Annotated (TCA) § 4-3-1101. The function of the Department is to act as a service provider to other State agencies by coordinating and administering the State's purchases, real property, personal property, printing, motor vehicles, surplus property, postal services, and general public works services, as well as other support services not specifically assigned by law to other departments. In addition to the administrative staff, the Department is divided into several divisions which provide services to other State agencies. These are:

1. **Vehicle and Asset Management:** This division is responsible for the management and maintenance of State vehicles utilized by State departments, offices, and agencies. The Division establishes policies and procedures to affect the best maintenance, repair, operation, and administration of the fleet consistent with safety and service. In addition, the division is responsible for the redistribution of personal property declared as surplus by a State agency or the Federal government. This property is redistributed to other State agencies and eligible recipients as needed.

2. **Document Solutions:** This division provides a full range of services including graphic design, photography, printing, copying, and binding services to State agencies, other government agencies, non-profit agencies, and charities. They also provide storage and distribution services for a variety of forms, envelopes, and other printed materials. This division also houses the centralized mail services for State agencies in Davidson County. It is the recognized liaison between State government and the U.S. Postal Service.

3. **Real Estate Asset Management:** This division is dedicated to operating, managing, and maintaining the State's real estate assets and needs, in a manner that ensures a comfortable, safe, and secure working environment for State tenants, employees, and guests.

4. **Central Procurement Office:** The Central Procurement Office was created by Public Chapter 1098 (passed in 2010) with the goal of making the procurement and contracting processes faster and easier, while ensuring transparency and creating cost savings.

**Governor's Office of Diversity Business Enterprise (GODEE):** This office, housed within the Central Procurement Office, is charged with coordinating and directing the Executive Branch's efforts in assisting minority owned, women owned, service-disabled veteran owned, and small businesses in participating in bids and contracting opportunities within the State procurement processes. In accordance with TCA §12-3-1107, the Department issues an annual
report to the Governor and members of the Tennessee General Assembly regarding GODBE. This public report outlines the purpose, goals, and achievements of the Office.

**Appendix A** displays the organizational chart for the department.

The primary goal of the Department's Title VI Program is to ensure that all staff, contractors, and service beneficiaries are aware of the provisions of Title VI and the responsibilities associated with Title VI of the Civil Rights Act of 1964. Public Chapter 502, passed by the Tennessee General Assembly and signed into law on May 31, 1993, requires each State agency to develop a Title VI Implementation Plan. Each State governmental entity must submit an updated plan annually to the Human Rights Commission by October 1.

**B. Mission Statement**

The Department's Title VI and non-discrimination policies and statements are as follows:

**Policy Compliance Statement**

The Department of General Services, State of Tennessee, complies with Title VI of the Civil Rights Act of 1964, as codified in 42 U.S.C. 2000d, which states that: “No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving federal financial assistance.”

**Affirmative Action/Equal Employment Opportunity**

Pursuant to State and Federal law, the Department of General Services does not discriminate on the basis of race, color, age, national origin, religion, sex, disability, pregnancy, veteran status, or any other category protected by State and/or Federal civil rights laws. It is the policy of the State of Tennessee, in all of its decisions, programs, and activities, to promote equal employment opportunity and to eliminate unlawful discrimination. Equal Employment/Affirmative Action inquiries should be directed to the Department of General Services’ DOHR Business Partner, Melissa Thomas (615-741-1037).

**Americans with Disabilities Act (ADA)**

It is the policy of the Department of General Services to comply with all Federal and State laws concerning the employment of persons with disabilities. The Department prohibits discrimination and harassment against any qualified individual with a qualified disability as defined by the Americans with Disabilities Act and the Americans with Disabilities Act Amendment Act (ADA/ADAAA). Furthermore, the Department of General Services shall comply with applicable requirements set forth by the Rehabilitation Act of 1973, the Department of Human Resources Rules and Regulations, and any other applicable laws that pertain to disability non-discrimination. Anyone wishing to request an accommodation under the ADA should contact the Department's ADA Coordinator at 615-741-1037. Individuals seeking to file an ADA complaint should contact the General Services’ Affirmative Action Officer directly.

**THRC Requests**

The Department of General Services, its subrecipients or contractors shall make available any compliance report for review by the Tennessee Human Rights Commission upon request.
The Commissioner of the Department has assigned Title VI responsibilities and the title of Title VI Coordinator to Abdul Fathi, within the Office of Internal Audit. The Title VI Coordinator is charged with the responsibility for implementing, monitoring, and ensuring the Department's compliance with Title VI regulations.

Title VI Coordinator responsibilities are as follows:

1. Receive and process the disposition of Title VI complaints.
2. Review annual Title VI reviews of DGS program areas performed by division representatives to determine the effectiveness of program activities at all levels.
3. Coordinate training programs on Title VI for Title VI Division Representatives and recipients of Federal property.
4. Establish procedures for promptly resolving deficiency status and reducing to writing the remedial action agreed to be necessary, all within a period not to exceed 30 days. See Appendix B - Title VI Policy.
5. Prepare annual Title VI Implementation Plan as required by the Tennessee Human Rights Commission.

Divisional Title VI Representatives are a key component in assisting the Title VI Coordinator in fostering the department's mission to ensure compliance with Title VI Regulations. The following staff members have been designated to ensure compliance within their division.

Responsibilities of the Title VI Division Representatives are as follows:

1. Serve as the point of contact for division Title VI complaints.
2. Disseminate Title VI information to the public and, where appropriate, in languages other than English. See Appendix C – Title VI LEP Policy.
3. Conduct quarterly compliance audits of program activities, applicable contracts, and donees.
4. Report Title VI noncompliance issues to the Title VI Coordinator and appropriate supervisor.
5. Prepare a final monitoring report of Title VI findings to the Title VI Coordinator.
The following activities would be considered discriminatory practices under Title VI:

- Denying any individual any service, financial aid, or other benefits offered by the Department because of their race, color, or national origin.
- Treating individuals differently because of their race, color, or national origin.
- Using methods which directly or indirectly, through contractual relationships, defeat or substantially impair the accomplishment of effective non-discriminatory practices.
A. Program Coverage

Title VI prohibits discrimination in “any program or activity” that receives Federal financial assistance. Although the Department does not directly receive Federal funding, the Vehicle and Asset Management Division receives Federal surplus property from the U.S. General Services Administration, which it sells to governmental subdivisions, non-profit organizations, and other eligible recipients as defined by Federal guidelines. As a recipient of Federal surplus property, the requirements of Title VI are applicable to all of the operations of the Department.

The Federal Surplus Property Section is governed by Federal guidelines (41 CFR 102-37), which are incorporated into the Federal Surplus Property Rules in Chapter 0690-1-1 in the Rules and Regulations of the State of Tennessee (Appendix D). Under these rules, the Department receives surplus property from the Federal government, which it redistributes throughout the state to eligible recipients. The process of redistributing Federal surplus property is completed in accordance with Federal Surplus Property Rules and Guidelines.

Federal Assistance

For the most recent State fiscal year, the total original acquisition cost of property received through the Federal Surplus Property program for the period July 1, 2018, through June 30, 2019, was $2,177,769.66 with a fair market value of $489,344.84 represented by direct sales amounts.

Any property received from State agencies for surplus, which may have been originally purchased using Federal Aid, would not be included in the above totals.

The Department does not receive any federal grants, loans, subsidies, training resources, land, or detail of Federal personnel.
SECTION 9
DATA COLLECTION AND ANALYSIS

1. Beneficiaries of Federally Assisted Programs
The primary beneficiaries of the Surplus Property Distribution Program are State and local governmental agencies, non-profit organizations, and other organizations listed in Appendix E, as opposed to the public. Property not distributed to one of these organizations within 30 days of receipt is made available for sale to any other entity or the public via a third-party online auction site managed by Asset Auctions. Collection of participant race, color, or national origin data is not applicable to the Department because the main beneficiaries of the surplus program are other government agencies and non-profit organizations. Inclusion of U.S. Census data regarding race and ethnicity or any other demographic data is not applicable to these organizations.

2. Minority Representation of Agency Staff

The organizational list below displays the staff composition of the Department as of September 5, 2019.

Limited English Proficiency policies and procedures for the Department are included as Appendix C.

The Central Procurement Office, Department of General Services manages a statewide contract called the Managed Service Provider contract with Guidesoft Inc, DBA Knowledge Services. Under this contract, Knowledge Services manages all vendors who provide staff augmentation for the State, which includes telephonic interpretative services. Knowledge Services' vendors for telephonic interpretative services are Linguistica International and Avaza Language Services Corporation.

The Department did not utilize Linguistica's or Avaza's interpretation and translation services during the fiscal year.

As the Department’s main function is to provide services to other State departments and agencies, the Department does not encounter LEP persons on a regular basis. However, the Department has elected to provide its Title VI poster in both English and Spanish, the second most common language spoken in Tennessee. This poster is displayed in all of the Department’s offices and is distributed to donees participating in the surplus property program. In addition, each security checkpoint in each DGS building has a language card to assist in identifying 27 of the most common languages spoken and accessing an interpreter for the appropriate language in need.

Because the Department acts as a service provider for other State agencies and does not conduct business with LEP persons on a regular basis, the Department does not currently have any documents available in languages other than English. If ever needed, the Department will provide such documents in a reasonable period of time using the contracted translation services.
SECTION 11

1. Process for Filing a Complaint

A formal complaint must be filed in writing, within one hundred-eighty (180) days of the occurrence of the alleged discrimination.    ii. The notification will include a request for a time and date an investigator can reach the complainant by telephone or in person to discuss the complaint.

g. If a complaint involves an Executive Director, Assistant Commissioner, Deputy Commissioner or the Commissioner, the Department of Human Resources or the
Human Rights Commission will investigate the complaint on behalf of DGS and report the results to the appropriate agency.

3. Department of General Services Complaints for Fiscal Year 2018-2019:

- No complaints were filed regarding Title VI during the year.
- No complaints were closed.
- No complaints were referred to another State or Federal department or agency.

There were no lawsuits filed during fiscal year 2018-2019 against the Department alleging discrimination on the basis of race, color, or national origin under any federally funded program or activity.

A copy of the Department’s Title VI Complaint Log has been included as Appendix G.
The Department has communicated the Title VI policy to its Title VI representatives, staff, vendors, and donees through training seminars, one-on-one counseling, posters hung in centrally located areas, dissemination of Title VI brochures, and by making available upon request its written non-discrimination policy.

In addition, the Department includes its non-discriminatory policy clause on all pro forma Invitation to Bid and Request for Proposal contract documents. The Department's efforts in the promulgation of Executive Order 14 and involvement with the Governor's Office of Diversity Business Enterprise are other examples of the Department's commitment to Title VI.

The Department provides and requires Title VI training for employees on an annual basis. For the current plan year, the Title VI Coordinator attended the annual update meeting presented by the Human Rights Commission in July 2019. All employees within the Department were provided Edison access to a Title VI training presentation in August 2019. Each active employee was required to register and complete the training in Edison. A copy of the training presentation is included as Appendix H.

A total of 335 Department employees completed the Title VI training in 2019 which constitutes 100% of active employees as of September 26, 2019. Individual training dates are tracked in Edison. Records of completed training for each fiscal year are retained in an electronic format by the Department's Title VI Coordinator.
A. Subrecipients, Contractors, and Vendors

The Department acts primarily as a service provider to other State departments and agencies by coordinating and administering the State's purchases, real property, personal property, printing, motor vehicles, surplus property, postal services, and general public works services. In performing these activities, the department utilizes numerous contractors and vendors.

The Department's Central Procurement Office (CPO) was created with the purpose of centralizing the State's procurement and contracting activities. In this role, the CPO works with all State agencies and departments to fulfill their purchasing needs and serves as the primary point of contact for registering vendors seeking to provide goods or services to the State. The templates and models for contracts, including grants, which have been approved by the Procurement Commission and used by the CPO, contain language that ensures Title VI compliance by state grantees or contractors. Under applicable state law, state agencies are responsible to ensure Title VI compliance for their grantees, subrecipients, and contractors.

While the CPO facilitates many aspects of these processes, it is not applicable for the Department to include all of these contractors and vendors in this Implementation Plan. Because many of these contractors and vendors are for utilization by other State departments, they should be included in the applicable department's plan, and inclusion by the Department of General Services would be duplicative. The department does not have any direct subrecipient relationships. Appendix I list all contractors and vendors utilized by the Department.

The Department does not have any Federal Financial Assistance applications pending with other Federal and/or State departments.

B. Pre-Award Procedures – Assurances and Data Collection

The Department agrees that as a condition to receiving any Federal financial assistance, it will comply with Title VI of the Civil Rights Acts of 1964. The Commissioner has the overall responsibility for compliance with Title VI. The Title VI Coordinator, appointed by the Commissioner, is responsible for coordinating Title VI within the Department. The Department will make available to the Human Rights Commission any compliance reports upon request.

The U.S. General Services Administration, Southeast Office of Civil Rights, requires the Department to comply with Title VI for the receipt of Federal property. The Vehicle and Asset Management Division is required to follow strict Federal compliance review procedures in order to remain eligible to participate in the Federal surplus property program. The Title VI Coordinator and the Director of Vehicle and Asset Management are responsible for coordinating and monitoring all approved donees that are participating in the Federal surplus property program. The rules of Federal Surplus Property are included in Appendix D. See
Appendix E for qualifications to become a donee. All donees must complete the application and non-discrimination assurance documents found in Appendix J.

Currently, the Department only has approved donees that participate in our Federal property program. We do not have any subrecipients that would require compliance with Title VI regulations. Additionally, we do not provide services or benefits to individuals.

All Requests for Proposals (RFPs) for professional service contracts require signed statements that the proposer will conform to the requirements of Title VI. See the Proposal Statement of Certifications and Assurances in Appendix K.

Title VI training assistance is available through the Department’s Title VI Representatives upon request or as deemed appropriate in the event compliance audits indicate deficiencies.

C. Post-Award Procedures

The Department does not have any subrecipient relationships. However, the Department has a total of 81 active donees who have received Federal surplus property from the Surplus Property Program in the last two fiscal years. Appendix L contains the complete list of active donees. Surplus Property staff periodically conducts Title VI compliance checks of selected active donees. The Title VI Audit Checklist (Appendix M) is utilized during these visits.

D. Public Notice and Outreach

All donees receive Title VI posters and brochures for display and distribution. All RFPs and contracts include standard language concerning non-discrimination practices and compliance with the requirements of Title VI.

E. Procedures for Noncompliance

After compliance checks, follow-up letters are sent to each donee and deficiencies are noted if the donee is found to be in noncompliance with the Title VI regulations. An example follow-up letter is included as Appendix N. The Department will work with all non-compliant donees in an effort to achieve voluntary compliance and will follow up on any deficiencies within ninety (90) days to ensure that each area has been sufficiently addressed. If noncompliance is not corrected, the donee will be denied access to surplus property and will be reported to the appropriate Federal and State authorities. Any bidder for State contracts who does not sign the required acknowledgement regarding Title VI compliance is not eligible to do business through the Department.
A. Commitment Statement

The primary goal of the Department’s Title VI Program is to ensure that all staff, contractors, and service beneficiaries are aware of the provisions of Title VI and the responsibilities associated with Title VI of the Civil Rights Act of 1964. We are readily available to provide high-quality technical assistance, resources, guidance, and any other information in regard to Title VI. Information related to the Department’s Title VI Policy, which includes complaint procedures, is included as part of the Department’s Title VI Implementation Plan, which is accessible on the Department’s internet page at https://www.tn.gov/generalservices/about-dgs/title-vi-implementation-plan.html. In addition to electronic distribution, the Department will provide all of these documents in print, upon request.

The workshop concept has been utilized as a means of identifying specific issues and concerns of minorities. Concerns can be properly addressed only when they have been identified. This type of outreach and training throughout the State is continuously promoted by the Department through the GODBE office. Along with various other state agencies, this effort is intended to increase awareness of the Department’s policy, as well as to increase contracting opportunities with minority owned, women owned, service-disabled veteran owned, and small businesses.

B. Board and Advisory Bodies

The Department does not control the membership of any Board or Commission. However, the Commissioner, or the Commissioner’s designee, sits on the following boards and commissions listed below, pursuant to the statutes indicated for each:

- State Capitol Commission pursuant to TCA § 4-8-301. The Capitol Commission has minority participation assured by the General Assembly through this legislation.
- Procurement Commission pursuant to TCA § 4-56-102. The membership of this commission consists of the commissioners of General Services and Finance and Administration, as well as the Comptroller of the Treasury as rotary members.
- State Protest Committee pursuant to TCA § 4-56-103. The Committee’s comprised of the commissioners of General Services and Finance and Administration, as well as the State Treasurer.
- Public Records Commission pursuant to TCA § 10-7-302. The Commission consists of the State Treasurer, the Comptroller of the Treasury, the Secretary of State, the Director of Legal Services for the General Assembly, and the commissioner of General Services as voting members.

Effective November 1, 2011, a separate twelve-member, advisory council on State procurement was established by TCA § 4-56-106. Membership information is available on the Department’s website at https://www.tn.gov/generalservices/procurement/central-procurement-office--cpo-/procurement-commission-and-advisory-council-.html and has been included as Appendix O. The Commissioner appoints two members to the council and gives due consideration to the
need for geographic, age, racial, gender, and ethnic diversity on the council, in accordance with the requirements of the TCA. As stipulated by the TCA, the Commissioner must appoint one representative from the Department and one representative from other State agencies.

C. Documentation of Minority Input
The Governor’s Office of Diversity Business Enterprise (GODE) is charged with coordinating and directing the Executive Branch’s efforts in assisting small businesses and businesses owned by minorities, women, service-disabled veterans, and persons with disabilities to develop into viable, successful businesses. This work includes assisting these businesses to compete successfully for the State of Tennessee’s expenditures for goods and services. In fulfilling its charge, the Governor’s Office of Diversity Business Enterprise is directed to work with all existing state agencies and departments, specifically including the Business Enterprise Resource Office (BERO) within the Department of Economic and Community Development. In accordance with TCA § 12-3-1107, the Department issues an annual report to the Governor and members of the Tennessee General Assembly regarding GODE. This public report outlines the purpose, goals, and achievements of the Office and can be found at the following link https://www.tn.gov/content/dam/tn/generalservices/documents/cpo/godbe/annual-report/Annual%20Report%20FY17-18%20%20Final%2012-11-2018.pdf

Bidding opportunities for surplus personal property and professional service contracts are published on the Department’s website.

D. GODE ACCOMPLISHMENTS

- **Contracts and Payments**
  For 14 years running, agencies have increased spend with diversity businesses. Purchases to certified diversity businesses for Fiscal Year (FY) 2018 increased to $530,458,463, a 7.97% increase over the previous fiscal year.

- **Diversity Solicitations and Responses**
  The office of Go-DBE proactively engages with the diversity business community. Every year, the office releases an upcoming procurements report that depicts likely procurement opportunities over the next year.

- **Certification**
  Go-DBE certifies diversity businesses as minority-owned, woman-owned, persons with disabilities, service-disabled veteran-owned or small business enterprises. FY 2018 saw a 12.66% increase from 1,580 to 1,780 in the number of certified businesses from the previous year.

- **Distressed and At-Risk Counties**
  Go-DBE has now certified 89 diversity businesses in Distressed or At-Risk counties, representing 33 counties in Tennessee. From those businesses, the state procured $43.5 million in goods and services last fiscal year.

- **Sub-Contracting**
  Each year, the Governor’s Office of Diversity Business Enterprise participates in numerous Pre-Bid and Pre-Response conferences. The total sub-contracting dollars for FY 17-18 was $265.8 million. This represents 50% of the overall diversity spend for the year.
The Title VI Coordinator obtains a Title VI summary report from each divisional representative on a quarterly basis. Additionally, reports are prepared for each donee compliance check performed by the Department. These reports are used to track Title VI compliance, and a summary is communicated in the Department's annual Implementation Plan. See Section 11.C and Appendix G.

The Department does not routinely furnish to, or share individual Title VI compliance reports with any Federal or State agencies; however, compliance reports are furnished to the Human Rights Commission, upon request, and they are made available to the U.S. General Services Administration (GSA) during their periodic reviews of our Surplus Property Program. The Tennessee Human Rights Commission performed a compliance review in April 2017, and no findings were noted. Additionally, the GSA’s Office of Civil Rights performed a compliance review of VAM’s Surplus Program in October 2017. Our office received the final GSA report in April of 2019 which concluded that all requirements were satisfied.

The Department is required to report quarterly results of the surplus property program to the GSA (41 CFR 102-37.360). This report reflects the Federal surplus property that has been allocated from the GSA and the property that the Department has issued to donees. This report does not involve Title VI compliance.
The Department evaluates its Title VI compliance program on a regular basis to ensure effectiveness and efficiency and considers the following information when evaluating its Title VI program:

- Compliance reports received from the Human Rights Commission
- Recent complaints received
- Results of donee compliance checks
- Department program changes and additions
- Other relevant data and information

The Department was deemed compliant by the Human Rights Commission during the most recent audit in 2017. The Surplus Program was also deemed complaint by a GSA audit in 2017. Additionally, the Department did not receive any Title VI complaints in the previous year and as a result, has not identified any deficiencies at this time that need to be addressed.

The Title VI Coordinator and the Director of Surplus are responsible for coordinating and monitoring all approved donees that are participating in the Federal surplus property program. The rules of Federal Surplus Property are included in Appendix D. See Appendix E for qualifications to become a donee. All donees must complete the application and non-discrimination assurance documents found in Appendix J.

Ongoing compliance checks are performed by the Title VI Representative of VAM under direct supervision by the Title VI Coordinator. During the fiscal year 2018-2019, the Title VI Coordinator and Title VI Representative for VAM performed compliance checks for nine of the largest donees within the Surplus program. These nine donees held 54.52 percent of the total donated property from the Surplus program. Reviews included but were not limited to the display of appropriate posters, adequate written policies, adequate procedures for complaints, proper recordkeeping of complaints, minority representations on Boards, and evidence of training. These nine donees were all found to be in compliance with Title VI requirements. Additional donees will be selected for review on an ongoing basis.

The Department of General Services distributes an annual customer satisfaction survey to evaluate the quality of services provided. The annual survey examines not only the overall customer satisfaction, but also a range of specific topics related to departmental attitudes, performance, relationships with customers, and outcomes. Survey participants were asked to agree or disagree on several statements about DGS and its activities as well as evaluate individual business units on the same basis. The department’s overall satisfaction rate for calendar year 2018 was 92.7%.

(3) In certain cases conditional eligibility will be granted newly organized activities which may not have commenced operations, completed construction of its facilities, or not yet been approved, accredited, or licensed as may be required to qualify as an eligible donee. In other cases, there may be no specific authority which can approve, accredit or license the applicant as required for qualification. In such cases, the State Agency may accept letters from public authorities, either local or State, which the State Agency deems competent, such as a Board of Health or Board of Education, that the applicant otherwise meets the standards prescribed for approved, accredited or licensed institutions and organizations.

(4) The State Agency shall update a donee’s eligibility records on a periodic basis, but not less than once every three years, to insure continuing eligibility. When a eligible donee ceases to operate, or when it loses its status by not making prompt payment of service and handling charges or fees, compliance violations or other good reasons, the State Agency shall terminate its distribution of property to such activity.

**Authority:** T.C.A. Sections 4-330(15), 12-333(5A), and 49-808 through 49-810. See also Public Law No. 94-519.

**Administrative History:** Original Rule filed August 31, 1977, effective September 30, 1977.

0690-1-.04 FAIR AND EQUITABLE DISTRIBUTION. The State Agency will make property available to the eligible units in the State on a fair and equitable basis. When eligible units indicate an interest in property, it will be distributed on a fair and equitable basis based on their relative needs, resources and ability to utilize the property.

(1) Factors considered in the distribution of property based on relative needs, resources and ability to utilize the property.

(a) Relative needs - In considering requests of potential recipients, the criteria for determining the relative needs will be:

1. Size and types of programs conducted.
2. Contemplated use and frequency of use.
3. Economic condition of agency, activity or institution.
4. Critical or urgent need.
5. Geographical location (urban, suburban or rural).
6. Interest and expression of need on the part of the donee in the property available.

(b) Relative resources — In considering the request of potential recipients, the criteria for determining relative resources will be:
DISTRIBUTION OF FEDERAL SURPLUS PROPERTY
WITHIN THE STATE OF TENNESSEE

RULE 0690-1-1-.04, continued

1. Funding sources and availability (grants, donations, taxes, etc.).

2. Equipment availability.

(c). Ability to utilize — In considering requests of potential recipients, the criteria for evaluating ability to utilize property will be:

1. Length of time in contemplated usage.

2. When item can be put in use.

3. Availability of funds to repair or maintain property in use.

4. Ability of the donee to select and remove property from the distribution center of a Federal activity on a timely basis.

5. Type and quantity of property received by the donee to date.

(2) The State Agency operates a distribution center to serve the eligible donees in the distribution of available property. To insure that eligible donees located a greater distance from the distribution center will receive equity in the distribution of desirable items, the donees are invited to submit a listing of major items needed such as vehicles, construction equipment, materials handling equipment, machine tools, generators, air compressors, business machines, boats, aircraft, large electronics and scientific type items, etc. The agency employees will be guided by these requests in their search and selection of property. This equipment (major items) will be distributed on the basis of need, resources, and ability to utilize the property as outlined in Section (1) above. The distribution center is open for donees to visit eight hours per day, five days a week. Small miscellaneous items will be available on a supermarket plant, with quantity limited to any one donee depending upon the total quantity on hand.

(3) The State Agency will recommend to General Services Administration the certification of donee screeners, as are qualified and needed in accordance with FPMR 101-44.116. The State Agency will, insofar as practical, economical, and considering equitable distribution among its donees, select that property requested by the donees, and the agency will arrange for direct pickup or shipment of the property to the donee if requested to do so.

(4) Donees which suffer or experience a local disaster and/or loss of property due to fire, flood, tornado, etc., will be given a temporary priority for all requested items of property. Special efforts will be made to locate and distribute needed property to them.

(5) Where competing requests are received for property items, the State Agency will make a determination as to the donee based on the evaluation of the criteria in paragraph (1) above.

0690-1-1-.05 FINANCING AND SERVICE CHARGES

(1) The State Agency is a service organization whose function is to acquire and distribute all available Federal surplus property needed for the eligible recipients in the State. The State Agency does not receive any appropriated funds from either Federal or State sources for operation of the Agency. The total costs for operation must be absorbed by receipts from service charges assessed on items distributed and sales and compliance proceeds. Such charges will be fair and equitable in relation to the service performed and the direct and indirect costs for operation. If any appropriated funds are made available at a later date, they will become part of the capital reserve fund. In general, the assessment of service charges are related to the following factors:
Expenses of operation.

1. Administrative costs including salaries and fixed charges
2. Warehouse operating expenses
3. Transportation expenses
4. Property screening expenses
5. Compliance and utilization review expenses
6. Costs for facility construction, maintenance, and repair

Original government acquisition costs.

Condition and potential of property.

Costs for repair and rehabilitation of property as needed.

Due to the infinite variety of available property, varying condition, obsolescent factors, and potential use as an item or for parts or material content, the following chart has been developed to assure fair and reasonable service charges:

Direct Pick-Up - Charges on property transferred direct from Holding Agency to a donee will be approximately ½ of the percentage of column a.

Exceptions:

(a) **Rehabilitated property** - Direct costs for rehabilitating property will be added to the charge.

(b) **Overseas property** - Additional costs for screening and returning property will be added.

(c) **Extraordinary and/or unusual transportation charges** - Charges on property with “out-of-the-ordinary or “unusual transportation cost” will be added.

(d) **Special handling** - An additional charge may be made for dismantling, packing, crating, shipping, delivery and other extraordinary charges.

(e) **Adjustment in acquisition cost** - When the acquisition cost of an item is unrealistic, an adjustment will be requested from the GSA Region Office prior to assessment of service charge.
(Rule 0690-01-1-.05, continued)

(f) **Lotted property** - Property issued by pound, in accordance with State Agency inventory system, will be exempt from the above schedule. Service charges will be assessed on price per pound basis.

(3) The above schedule will be re-evaluated periodically for comparison of operating expenses with income receipts. When it is evident that operating costs exceed operating income, the percentage of A/C (Col. a) will be adjusted accordingly.

(4) In recognition of reduced agency expenses relating to such factors as loading, unloading, transportation, and screening, recipients making direct pick-up of surplus property from the holding agency will be assessed service charges at a lower rate than property transferred from the State Agency distribution centers. Normally, as a general rule, the rates for direct pick-up will be reduced by 50 percent or more when compared to similar items transferred from the Agency distribution centers. Since the screening process is inextricably involved in the basic function of the State Agency - to make fair and equitable distribution of all available property - the savings on screener expenses would not be in as direct proportion as other factors such as transportation, loading, and unloading. A further reduction may be made for direct donee screening.

(5) The funds accumulated from service charges, appropriated funds, sales and compliance proceeds, or any other source, including funds acquired prior to October 17, 1977, will be deposited with the State Treasury in a specific fund designated for the State Agency, and are to be used solely to cover direct and indirect costs of the State Agency’s operation, to purchase necessary equipment, to construct and maintain facilities as required, to rehabilitate donable property items, to purchase replacement parts for donable property items, and to maintain a reasonable working capital reserve, not to exceed $100,000 over the operating cost of the preceding year. The service charges can be spent in acquiring or improving office space or distribution facilities. The State Agency has the authority subject to the approval of the Commissioner of the Department of General Services and real property regulations of the State of Tennessee. When such facilities are sold or otherwise disposed of, funds will revert to the capital reserve fund subject to the approval of the Commissioner of the Department of General Services and real property regulations of the State of Tennessee. Any excess in working capital reserve will be reduced by reducing service charges to donees. The State of Tennessee does not permit the State Agency to invest funds.

**0690-1-1-.06 TERMS AND CONDITIONS ON DONABLE PROPERTY**

(1) The State Agency imposes the following terms, conditions, reservations, and restrictions on the donees obtaining Federal surplus property:

(a) All property shall be placed in use for the purpose for which acquired within one year from date of receipt and shall be continued in use for such purpose for one year. In the event the property is not so placed in use, or continued in use, the donee shall immediately notify the State Agency, and at the donee’s expense, return such property to the Agency, or otherwise make the property available for transfer to another donee.

(b) Property having a unit acquisition cost of $3,000 or more, and any passenger motor vehicle, carry a restriction of eighteen months from the date the property was placed in use.

(c) The State Agency may impose additional restrictions on any items, regardless of unit acquisition cost, as it may deem appropriate. It may further impose special restrictions on property involving special handling or use limitations as the Administrator of General Services may determine necessary because of the characteristics of the property pursuant to FPMR Par. 101-44.108, “Donation of Special Categories of Property,” which follows:

---

DGS Title VI Compliance Report and Implementation Plan FY 2018-2019

39
"The Administrator of General Services is authorized, as circumstances warrant, to impose appropriate conditions on the donation of property having characteristics that require special handling or use limitations. In exercising his discretion the Administrator may, on a case-by-case basis, prescribe additional restrictions covering the handling or use of such property."

(2) Section 101-44.108-1 — Drugs, biologicals, and reagents other than controlled substances; and certain shelf-life items.

(a) Surplus drugs, biologicals, and reagents which are in Federal Supply Class 6505 and which are not required to be destroyed as provided in Section 101-45.505 may be donated to public agencies for authorized public purposes and to non-profit health and educational institutions. If the report of excess or other communication from the holding activity listing the drugs, biologicals, and reagents indicates any items which are unfit for human use, GSA will not offer such items for donation. Controlled substances (as defined in Section 101-43.001-4) shall not be donated.

(b) Whenever surplus drugs, biologicals, and reagents are considered for donation, a letter of clearance shall be obtained by the State Agency or designated donee from the Food and Drug Administration (FDA) indicating which items may be safely donated. The State Agency or designated donee shall obtain the letter of clearance and ensure that the letter accompanies Standard Form 123, Application for Donation of Surplus Personal Property. (See Section 101-44.4901-123). Items which do not fall within the purview of FDA, on which FDA indicates are unsuitable, will not be considered by GSA for donation.

(c) For purposes of obtaining the letter of clearance from FDA, the State Agency or designated donee shall be responsible for obtaining and providing samples of any item that is required. Any payment of costs for laboratory examinations for quality assurance of samples shall be arranged by the State Agency. Before laboratory examinations are undertaken by FDA, an estimate of the expected cost of the quality assurance shall be furnished by FDA to the State Agency.

(d) In addition, in the case of property requested by a State Agency, the application shall contain also a statement that (1) for any quantity of items approved for donation which is to be stored in a State Agency warehouse prior to distribution, the State Agency certifies that adequate facilities are available to effect full accountability and property storage of the items in accordance with Federal, State, and local statutes governing the acquisition, storage, and accountability of the items requested; (2) the facilities will be used for the protection of the items, including protection against theft and pilferage; (3) the items will be distributed only to institutions licensed and authorized to administer and dispense items or to organizations authorized to store items; and (4) in addition to the normal certifications required by responsible officials of donee institutions or organizations when property is acquired by donation, the State Agency shall obtain a certification from the donee indicating that (i) the items transferred to the donee institution or organization will be safeguarded, dispensed, and administered under competent supervision; (ii) adequate facilities are available to effect full accountability and proper storage of the property in accordance with Federal, State, and local statutes governing the acquisition, storage, and accountability; and (iii) the administration or use of the property will comply with the provisions of the Federal Food, Drug, and Cosmetic Act, as amended (21 U.S.C. 301-392).

(e) Shelf-life items determined to be surplus in accordance with Section 101-43.313-9(I) shall be made available for donation screening for authorized public purposes, for nonprofit health and educational institutions, and for public airport purposes, pursuant to the provisions of Section 101-44.109. Prior to donation, drugs, biologicals, and reagents other than controlled substances, except those requiring refrigeration or deep freeze and those which are excepted from the provisions of Section 101-43.313-9, shall be processed as provided in this Section 101-44.108-1.
(Rule 0690-01-1-.06, continued)

The letter of intent shall provide the following information:

1. Description of the aircraft requested, including the type, model or size, and the serial number, if it is known;
2. Description of the donee’s program and the number of aircraft currently owned; and
3. Whether the aircraft is to be used for flight purposes or non-flight purposes (including ground instruction, simulation or static display), and details of the planned utilization of the property. 5. If a combat-type aircraft is disposed of by the donee without the prior written approval of GSA or is used for a purpose other than the purpose stated, the donee, at the option of GSA, shall be liable to the United States of America for the proceeds of the disposal, the fair market value, or the fair rental value of the aircraft at the time of authorized transaction or use, as determined by GSA.

6. In the event of a breach by the donee of any of the above conditions pertaining to a combat-type aircraft, whether caused by the legal inability of the donee or its successor in function to perform said conditions or otherwise, all rights, title, and interest in and to the aircraft shall, at the option of GSA, revert to and become the property of the United States of America and the donee, or its successors or assigns, shall forfeit all of its or their rights, title, and interest in and to the aircraft.

7. In the case of any aircraft donated for non-flight use, including cannibalization, the State Agency shall acquire and destroy the aircraft historical modification records and the manufacturer’s data plant, and shall by letter so certify to the Federal Aviation Administration at the following address: Chief, Quality Standard Service, Federal Aviation Administration, 800 Independence Avenue, SW, Washington, DC 20591.

8. The State Agency may impose other terms, conditions, reservations, or restrictions on the use of aircraft donated under this Section 101-44.108-2 which are not inconsistent with the conditions set forth in Sections 101-44.108-2(c)(2) and 101-44.208.

9. In the case of combat-type aircraft, the State Agency shall not grant waivers, amendments, modifications, or releases to the conditions required to be imposed by GSA of the use of the property nor issue disposal instructions to the donee for the aircraft without the prior written concurrence of GSA.

10. Any breach by the donee of any conditions imposed by GSA on the donation of any aircraft shall be reported immediately by the State Agency to GSA.

   (ii) The donee shall apply to the Federal Aviation Administration for registration within 30 days of receipt of the aircraft.

(6) Section 101-44.108-5 — Bedding and upholstered furniture — A Standard Form 123 submitted to GSA regional office for donation of bedding and upholstered furniture will not be approved by GSA unless the State Agency or other donee includes a statement that the material will be treated in accordance with applicable State laws and regulations before reuse.

   (a) Whenever tax-free or specially-denatured alcohol is requested for donation, the donee must possess a special permit to acquire the property issued by the Assistant Regional Commissioner of the appropriate regional office, Bureau of Alcohol, Tobacco, and Firearms (BATF), Department of the Treasury.

(11) The State Agency may amend, modify, or grant release of any term, condition, reservation, or restriction it has imposed on donated items of personal property in accordance with the enclosed standards (Exhibit A, sample copy enclosed), provided that the conditions pertinent to each situation have been affirmatively demonstrated to the prior satisfaction of the State Agency and made a matter of public record.

The proceeds from any sale, trade, lease, loan, bailment, encumbrance or other disposal of the property, when such action is authorized by the State Agency, shall be remitted promptly by the donee to the State Agency.

(16) In the event any of the property is sold, traded, leased, loaned, bailed, cannibalized, encumbered, or otherwise disposed of by the donee from the date it receives the property through the periods it is under restriction, without the proper prior approval of the State Agency, the donee, at the option of the State Agency, shall pay to the State Agency the proceeds of the disposal or for the fair market value or the fair rental value of the property at the time of such disposal, as determined by the State Agency.

(17) If at any time from the date it receives the property and throughout the period of restriction any of the property is no longer suitable, usable, or further needed by the donee for the purpose for which acquired, the donee shall promptly notify the State Agency, and shall, as directed by the State Agency, return the
property to the State Agency, release the property to another donee or another state agency, sell or otherwise dispose of the property. The proceeds from any sale shall be remitted promptly by the donee to the State Agency.

(18) The donee shall make reports to the State Agency on the use, conditions, and location of the property listed hereon, and on other pertinent matters as may be required by the State Agency.

(19) At the option of the State Agency, the donee may abrogate the terms, reservations, and restrictions by payment of an amount as determined by the State Agency.

Authority: T.C.A. Sections 4-330(15), 12-333 (5A), and 49-808 through 49-810. See also Public Law No. 94-519.

0690-1-1-.07 COMPLIANCE AND UTILIZATION

(1) Items Subject to Compliance Review. The terms, conditions, reservations, and restrictions under which Federal surplus property is donated are stated on the reverse of the property issue document. The State Agency shall conduct utilization reviews for donee compliance on items with a unit acquisition cost of $3,000 or more and on passenger motor vehicles. Also, reviews will include items of property on which the Administrator of GSA imposes restrictions for special handling and use limitations defined in Rule 0690-1-1-.06, Terms and Conditions on Donable Property. Major items of equipment on which the State Agency imposes special use restrictions will be of major interest in the reviews.

(2) Procedures for Conducting Utilization Reviews

(a) Compliance Memorandum. It shall be the policy of the State Agency to require a written utilization report from each donee who has acquired an item of property having a unit acquisition cost of $3,000 or more, a passenger motor vehicle, or certain items on which GSA has imposed special handling and use limitations. After posting invoice to donee ledger card, utilization inquiry letter is mailed in duplicate to donee. Satisfactory replies, reflecting specific date restrictive item is placed into use, or to be placed into use, location, etc. are filed in respective donee restrictive item folder. Non-response and insufficient reply cases are sent follow-up letter six months from date of first letter. If after 30 days no reply or unsatisfactory reply, cases are referred to Director for personal visit by State Agency representative.

(b) Physical Inspections. State Agency personnel will physically inspect during the period of restriction any major item of property on which the State Agency has imposed a special use limitation. During such visits, State Agency personnel will spot check other items of surplus property acquired with special emphasis on any items with special handling and use limitations imposed on it by GSA.

(c) Report of Cannibalization. A report shall be required on items with a unit acquisition cost of $3,000 or more and passenger motor vehicles on which cannibalization has been authorized to determine if the cannibalization has been performed and if any remaining component is valued at $3,000 or more.

(3) Compliance Actions

(a) Administrative compliance remedies in cases of non-use, misuse, or unauthorized disposal of donated property which had a unit acquisition cost of $3,000 or more, passenger motor vehicles, or property distributed with special conditions or restrictions will be undertaken as follows:

1. Whenever possible and practicable, the property will be placed into eligible use by the present donee, transferred to another eligible donee, or returned to the State Agency.
(Rule 0690-01-1-.07, continued)

2. When it has been determined that property has been ineligibly used, demand will be made of the donee organization to pay to the State Agency or to the U.S. Government, in cases where the Federal conditions have been violated, fair rental value for the time the property was ineligibly used.

3. If property has been disposed of and cannot be reclaimed for further use, or if property is worn or damaged so as to render it unfit for further use, the donee organization will be liable for fair market value as described above.

(b) A full investigation will be conducted when there is evidence that suggests possible property compliance violations. A complete report will be filed with the Regional Office of GSA describing the results of the investigation if any compliance action is taken.

(c) When fraud in the acquisition of donable property is alleged or suspected, a report containing all available information will be made to the FBI, with notification to the GSA regional office. Local law enforcement officials will be advised of any violations of State restrictions. The State Agency will take necessary actions to prosecute cases of fraud or misuse of donated property and will assist GSA or other responsible Federal or State officials in investigating such cases upon request.

EXHIBIT A

February 25, 1977

In accordance with Part VI of the plan of operation the State agency may amend or grant releases during the period of restriction from the terms, conditions, reservations, or restrictions it has imposed on donated property; in accordance with the following standards provided that the conditions pertinent to each situation have been affirmatively demonstrated to the prior satisfaction of the State agency, and have been made a matter of record:

(1) Secondary utilization or cannibalization. Secondary utilization or cannibalization may be accomplished provided that:

(a) Disassembly of the item for use of its component parts for secondary use or repair and maintenance of a similar item has greater potential benefit than utilization of the item in its existing form;

(b) Items approved for disassembly or cannibalization will remain under the period of restriction imposed by the transfer document pending completion of the proposed secondary use or cannibalization; and

(c) A written report of such action is made by the donee to the State agency, including a list of all components resulting from the secondary utilization or cannibalization which have a single item acquisition cost of $3,000 or more. These components will remain under the restrictions imposed by the transfer document. Components with a single item acquisition cost of less than $3,000 will be released from the restrictions imposed by the transfer document. However, these components will continue to be used or be otherwise disposed of in accordance with applicable law and regulations.

(2) Trade-in of an item on a similar replacement. An item of donated personal property may be traded in or used as whole or part payment for another like item of property provided:

(a) The item being traded in is not, when the request is made, in compliance status for violation of the terms, conditions, reservations or restrictions placed on it.

(b) The item being traded in has been used by the donee for eligible purposes for at least 12 months from the date of being placed in use, and it has been demonstrated that the trade-in will result in increased utilization value to the donee;

(c) The trade-in is on a one-for-one basis only, i.e., one donated item being traded for one like item having similar use potential.

(d) The item being acquired has an estimated market value at least equal to the estimated market value of the item being traded in, and

(e) The item is made subject to the period of restriction remaining on the item traded in.

(3) Abrogation. Except in cases involving the failure to use or the misuse of donated property, abrogation of restriction imposed by the State agency in the transfer instrument may be authorized upon payment to the State agency of an amount representing the fair market value at the time of donation less a credit for the time the property was used for the purpose for which donated, during the period of restriction, and provided that the State agency determines that such action will not result in a windfall revenue to the donee, and provided further that the property has been used for at least 12 months from the date of being placed in use.

(4) Revision of the acquisition cost. The acquisition cost of an item may be revised provided that the request therefor is made in writing by the donee, and it is determined by the State agency that the listed acquisition cost is unrealistic in view of its research and development costs, its incompleteness due to
missing parts, or its generally deteriorated condition.

(5) **Destruction and abandonment.** A donated item of personal property may be destroyed or abandoned by a donee when it is determined that the item has no commercial value or the estimated cost of its continued care and handling would exceed the estimated proceeds from its sale. The determination shall be based on a finding made in writing by the State agency and the State agency shall prescribe the means and methods whereby the property shall be destroyed or abandoned.

(6) **Enforcement of compliance.** The enforcement of the terms and conditions, reservations and restrictions imposed by the State Agency of donated property, or the remedy of breaches of such terms and conditions, may be satisfied:

(a) When payment is made to the State agency of any and all fair rental values due and payable for any unauthorized use of donated property.

(b) When payment is made to the State agency of either the fair market value or gross proceeds of sale, whichever is in the best interest of the State, for the unauthorized disposal or destruction of donated property; or

(c) When donated property is recovered by the State agency. Custody accountability and distribution of such reverted property are the responsibilities of the State agency.

(7) **Reduction in the period of restriction.** Provided an item of donated property is not in compliance status, a reduction the period of restriction may be authorized when a revised standard covering the period of restriction is promulgated by the State agency.

(8) **Limitations.** These provisions are not applicable to:

(a) Donated military-type aircraft, or other item of property on which GSA has imposed special handing condition or use limitations.

(b) Property which was not placed in use for the purposes for which acquired within one year from the date the property was placed in use, and continued in use for one year from the date the property was placed in use, except with respect to secondary use or cannibalization as provided in FPMR 101-44.208(h).

6. There shall be a further period of restriction beginning on the date the Property has been used for the period prescribed in (3) above. This period will expire after the Property has been used for the purpose stated for a period of 48 months.

7. During the period of restriction prescribed in (6) above, the Property shall be used only for the purpose stated above.

8. During the periods of restriction prescribed in (3) and (6) above, the Donee shall make reports to Donor on the use, condition, and location of the Property and on other pertinent matters as may be required from time to time by such Donor.

9. During the periods of restriction prescribed in (3) and (6) above, the Donee shall not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of the Property, or remove it permanently for use outside the State, without the prior written approval of the Donor under (3) or (4) above. The proceeds from any sale, trade, lease, loan, bailment, encumbrance or other disposal of the Property during the period of restriction set forth in (3) above when such action is authorized by the Donor shall be for the account of the United States of America, or for the benefit and account of the State of Tennessee during the period of restriction set forth in (6) above.

11. If at any time, from the date the Donee receives the Property through the periods of restriction prescribed in (3) and (6) above, the Property is no longer suitable, usable, or required by the Donee for the purpose for which acquired, the Donee shall promptly notify the Donor, and shall, as directed by the Donor, return the Property to the Donor, re-transfer the Property to another Donee or another State agency, or to a Department or Agency of the United States, sell the Property, or otherwise dispose of the Property as directed.

13. The Donor may waive any, or may terminate all, of the terms and conditions set forth in (6) through (11) above, and give unrestricted title to the Property in favor of the Donee whenever such action is determined to be appropriate.

A. THE DONEE CERTIFIES THAT:

1. It is a public agency; or a nonprofit educational or public health institution or organization, exempt from taxation under Section 501 of the Internal Revenue Code of 1954; within the meaning of Section 203(j) of the Federal Property and Administrative Services Act of 1949, as amended, and the regulations of the
DISTRIBUTION OF FEDERAL SURPLUS PROPERTY
WITHIN THE STATE OF TENNESSEE

Administrator of General Services.

2. If a public agency, the property is needed and will be used by the recipient for carrying out or promoting for the residents of a given political area one or more public purposes, or, if a nonprofit tax exempt institution or organization, the property is needed for and will be used by the recipient for educational or public health purposes, and including research for such purposes. The property is not being acquired for any other use or purpose or for sale or other distribution; or for permanent use outside the State, except with prior approval of the State Agency.

3. Funds are available to pay all costs and charges incident to donation.

4. This transaction shall be subject to the nondiscrimination regulations governing the donation of surplus personal property issued under Title VI of the Civil Rights Act of 1964 and Title VI Section 606 of the Federal Property and Administrative Services Act of 1949, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended.

B. THE DONEE AGREES TO THE FOLLOWING FEDERAL CONDITIONS:

1. All items of property shall be placed in use for the purposes for which acquired within one year of receipt and shall be continued in use for such purposes for one year from the date the property was placed in use. In the event the property is not so placed in use, or continued in use, the donee shall immediately notify the State Agency, and at the donee’s expense, return such property to the State Agency, or otherwise make the property available for transfer or other disposal by the State Agency, provided the property is still usable as determined by the State Agency.

2. Such special handling or use limitations as are imposed by General Services Administration (GSA) on any item(s) of property listed hereon.

3. In the event the property is not so used or handled as required by (B)(1) and (2), title and right to the possession of such property shall at the option of GSA revert to the United States of America and upon demand the donee shall release such property to such person as GSA or its designee shall direct.

C. THE DONEE AGREES TO THE FOLLOWING CONDITIONS IMPOSED BY THE STATE AGENCY, APPLICABLE TO ITEMS WITH A UNIT ACQUISITION COST OF $3,000 OR MORE AND PASSENGER MOTOR VEHICLES REGARDLESS OF ACQUISITION COST, EXCEPT VESSELS 50 FEET OR MORE IN LENGTH AND AIRCRAFT:

1. The property shall be used only for the purpose(s) for which acquired and for no other purpose.

2. There shall be a period of restriction which will expire after such property has been used for the purpose(s) for which acquired for a period of 18 months from the date the property is placed in use, except for such items of major equipment, listed hereon, on which the State Agency designates a further period of restriction.

3. In the event the property is not so used as required by (C)(1) and (2) and federal restrictions (B)(1) and (2) have expired, then title and right to the possession of such property shall at the option of the State Agency revert to the State of Tennessee and the donee shall release such property to such person as the State Agency shall direct.

D. THE DONEE AGREES TO THE FOLLOWING TERMS, RESERVATIONS AND RESTRICTIONS:

1. From the date it receives the property listed hereon and through the period(s) of time the conditions imposed by (B) and (C) above remain in effect, the donee shall not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property, or remove it permanently for use outside the State, without prior approval of GSA under (B) or the State Agency under (C). The proceeds from any sale, trade, lease, loan, bailment, encumbrance or other disposal of the property, when such action is
authorized by GSA or by the State Agency, shall be remitted promptly by the donee to GSA or the State Agency as the case may be.

2. In the event any of the property listed hereon is sold, traded, leased, loaned, bailed, cannibalized, encumbered, or otherwise disposed of by the donee from the date it receives the property through the period(s) of time the conditions imposed by (B) and (C) remain in effect, without the prior approval of GSA or the State Agency, the donee, at the option of GSA or the State Agency, shall pay to GSA or the State Agency, as the case may be, the proceeds of the disposal or for the fair market value or the fair rental value of the property at the time of such disposal, as determined by GSA or the State Agency.

3. If at any time, from the date it receives the property through the period(s) of time the conditions imposed by (B) and (C) remain in effect, any of the property listed hereon is no longer suitable, usable, or further needed by the donee for the purpose(s) for which acquired, the donee shall promptly notify the State Agency, and shall, as directed by the State Agency, return the property to the State Agency, release the property to another donee or another State Agency, a department or agency of the United States, sell or otherwise dispose of the property. The proceeds from any sale shall be remitted promptly by the donee to the State Agency.

4. The donee shall make reports to the State Agency on the use, condition, and location of the property listed hereon, and on other pertinent matters as may be required from time to time by the State Agency.

5. At the option of the State Agency, the donee may abrogate the conditions set forth in (C) and the terms, reservations and restrictions pertinent thereto in (D) by payment of an amount as determined by the State Agency.

E. THE DONEE AGREES TO THE FOLLOWING CONDITIONS, APPLICABLE TO ALL ITEMS OF PROPERTY LISTED HEREON:

1. The property acquired by the donee is on an “as is, where is” basis, without warranty of any kind.

2. Where a donee carries insurance against damages to or loss of property due to fire or other hazards and where loss of or damage to donated property with unexpired terms, conditions, reservations or restrictions occurs, the State Agency will be entitled to reimbursement from the donee out of the insurance proceeds of an amount equal to the unamortized portion of the fair value of the damaged or destroyed donated items.

F. TERMS AND CONDITIONS APPLICABLE TO THE DONATION OF AIRCRAFT AND VESSELS (50 FEET OR MORE IN LENGTH) HAVING AN ACQUISITION COST OF $3,000 OR MORE, REGARDLESS OF THE PURPOSE FOR WHICH ACQUIRED:

THE DONATION SHALL BE SUBJECT TO THE TERMS, CONDITIONS, RESERVATIONS, AND RESTRICTIONS SET FORTH IN THE CONDITIONAL TRANSFER DOCUMENT EXECUTED BY THE AUTHORIZED DONEE REPRESENTATIVE.

APPENDIX H
DGS TITLE VI TRAINING PROGRAM

What is Title VI? Federal Law

“No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefit of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

42 U.S.C. § 2000d
Tennessee Code Annotated § 4-21-904

It does not apply to discrimination based on age, sex, geographical locale, or wealth.

Purpose of Training

To ensure General Services employees are aware of the provisions of Title VI of the Civil Rights Act of 1964 and the minimum requirements to be in compliance with its rules, laws, and regulations.

Protected Classes

1. Race:
   - American Indian or Alaska Native
   - Asian
   - Black or African American
   - Native Hawaiian or other Pacific Islander
   - White
   ✷ Person may identify one or more race in addition to identifying their ethnicity as Hispanic or Latino
2. Color: skin color
3. National Origin: country of ancestry (not country of citizenship)

Funded Programs

It is a discriminatory practice for state agencies receiving federal funds making it subject to Title VI of the Civil Rights Act of 1964, or for any person receiving federal funds from a state agency, to exclude a person from participation in, deny benefits to a person, or to subject a person to discrimination under any program or activity receiving such funds on the basis of race, color, or national origin.

TCA § 4-21-904

Federal Financial Assistance

Federal financial assistance means more than just money. It is also aid that enhances the ability to improve or expand allocation of a recipient's own resources. Examples might include:

- Student Aid
- Training of employees
- Award or grant money
- Use or rent of federal land or property below market value
- Tax incentives
- Loan of federal personnel
- Technical Assistance
Programs or Activities Covered by Title VI

Discrimination is prohibited throughout an entire agency or institution if any part of that agency or institution receives Federal financial assistance, not just actions involving the federally assisted program.

The entire agency is required to comply with Title VI, not just that particular program.

Applicability to DGS

Although the Department does not directly receive Federal funding, the Vehicle & Asset Management (VAM) Surplus Property program receives Federal surplus property, which it sells to governmental subdivisions, non-profit organizations, and the public.

Because VAM receives and redistributes Federal surplus property to eligible recipients, all of the Department’s operations are subject to the requirements of Title VI.

DGS Title VI Policy

“No person, based on race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or otherwise subjected to discrimination under any program, service, or activity operated, funded, or overseen by the Tennessee Department of General Services.”

### Update Since Issuance of Original Video

In a 2001 case, Alexander v. Sandoval, the Supreme Court held that individuals can only sue in court to enforce Title VI claims of intentional discrimination; they cannot sue for disparate impact. It is important to recognize the Sandoval restrictions and to note that although courts will no longer accept Title VI disparate impact claims, individuals can still file such claims with the federal agency that provides financial assistance to the entity accused of discrimination.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION—LOWER TIER TRANSACTIONS

This certification is required by the General Services Administration regulations implementing Executive Order 12549-41 CFR 105-68 for all lower tier transactions meeting the requirements stated at 41 CFR 105-68.110.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification
(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

| Authority: T.C.A. §§ 4-3-1102, 4-21-901, 4-21-904, 4-21-905, and 49-1-304; Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d. |

Subject:
Title VI Program Complaint and Compliance Monitoring Process

If any portion of this policy conflicts with the applicable State and Federal laws or regulations that portion shall be considered void. In such an event, the remainder of this policy and the procedures described within shall not be affected and thereby remain in full force and effect.

I. POLICY STATEMENT: No person based on race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or otherwise subjected to discrimination under any program, service or activity operated, funded or overseen by the Tennessee Department of General Services (DGS).

II. PURPOSE: To ensure agency compliance with the requirements of Title VI of the Civil Rights Act of 1964 and related civil rights laws and regulations.

III. APPLICATION: All Department of General Services staff, contractors, subcontractors, service beneficiaries, and donee organizations. As a recipient of Federal surplus property, the requirements of Title VI are applicable to all of the operations of the Department.

IV. RESPONSIBILITY: The Title VI Coordinator, under the supervision and direction of the Director of Internal Audit, will coordinate all activities associated with Title VI complaint investigations and is charged with the responsibility for implementing, monitoring and ensuring the Department's compliance with Title VI regulations.
V. DEFINITIONS:

A. Beneficiary means any person or group of persons (other than States) entitled to receive benefits, directly or indirectly, from any federally assisted program.

B. Complaint means a written allegation of discrimination, which indicates that a program is operated in such a manner that it results in disparity of treatment to persons, or groups of persons, because of race, color or national origin.

C. Compliance means fulfillment of the requirements of Title VI, other applicable laws, implementing regulations and instructions to the extent that no distinctions are made in the delivery of any service or benefit based on race, color or national origin.

D. Compliance Review means a review conducted by means of either regular inspections of Department programs to determine compliance with Title VI requirements (which may be conducted on-site) or desk (structured paper) reviews of programs and associated documentation.

E. Contractor means an individual, group or company that agrees to perform services or provide commodities at a specified price pursuant to a contract.

F. Donee means a non-profit organization and/or state entity which receives federal surplus property from the Department.

G. Limited English Proficiency (LEP) means a person that does not speak English as their primary language, and has a limited ability to read, speak, write or understand English.

H. Monitoring means a review process used to determine compliance with the requirements of a state and/or federal program, applicable laws and regulations, and stated results and outcomes.

I. Recipient means any state, territory, possession, the District of Columbia, Puerto Rico, or any political subdivision, or instrumentality thereof, or any public or private agency, institution, or organization, or other entity, or any individual, in any state, territory, possession, the District of Columbia, or Puerto Rico, to whom federal assistance is extended, either directly or through another recipient, for any program. Recipient includes any successor, assignee, or transferee thereof. The term "recipient" does not include any ultimate beneficiary under any such program.

J. Title VI Coordinator means a position designated by the DGS Commissioner to ensure compliance with Title VI program requirements.
VI. PROCEDURES:

1. Discriminatory Practices.

The following activities would be considered discriminatory practices under Title VI:

a. Denying an individual any service, financial aid or other benefits offered by the Department because of their race, color or national origin;

b. Treating individuals differently because of their race, color or national origin;

c. Using methods directly or indirectly, through contractual relationships, that defeat or substantially impair the accomplishment of effective non-discriminatory practices.

2. Complaint Filing.

A formal complaint must be filed with either DGS or the State of Tennessee Human Rights Commission within one hundred-eighty (180) days of the occurrence of the alleged discrimination. No anonymous complaints will be investigated and the formal complaint should be in writing.

a. A formal complaint can be filed with DGS by filling out the form at:
   https://stateoftennessee.formstack.com/forms/dgs_title_vi_complaint_form.

b. The complaint can also be filed with the State of Tennessee Human Rights Commission:

   i. In a letter, stating the elements of the complaint, addressed to:
      
      State of Tennessee Human Rights Commission Central Office
      Tennessee Tower
      312 Rosa L. Parks Ave, 23rd Floor
      Nashville, TN 37243

   ii. By calling the State of Tennessee Human Rights Commission Central Office at 1-800-251-3589 (Spanish Toll Free Line: 1-866-856-1252)

c. Allegations that are received by telephone, fax or e-mail will be acknowledged and reduced to writing.

A complaint form will be forwarded for the person(s) to sign and return to the Department for processing. If the complainant is unable or unwilling to file the complaint in writing, the person to whom the complaint is made will document the elements of the complaint in writing.

The complaint must contain the following information:

i. Name, address and phone number of the complainant;

ii. Location and name of the agency, facility or other office where the alleged discrimination took place;

iii. Identification of the agency staff alleged to have engaged in discrimination;

iv. The elements of the event(s) that led to the belief that discrimination occurred;

v. The basis of the complaint: race, color or national origin;

vi. Names, addresses and phone numbers of people who may have knowledge of the event; and

vii. The date(s) the alleged discriminatory event(s) occurred.

d. A complaint alleging discrimination against a division or entity may be filed internally with the DGS Title VI Coordinator.

e. In addition, a complaint can be filed externally with the Human Rights Commission or the Office of Civil Rights, U.S. General Services Administration.

3. Investigation, Determination and Ruling.

DGS supervisory staff shall forward all written complaints received to the Title VI Coordinator within two (2) business days of the receipt of any complaint.

The Title VI Coordinator will:

a. Coordinate the review and investigation of complaints.

b. Notify the complainant of receipt of the complaint.

i. The notification will be accomplished by the most expedient means available, including e-mail, fax or telephone call to be documented in writing and confirmed by letter.
ii. The notification will include a request for a time and date an investigator can reach the complainant by telephone or in person to discuss the complaint.

c. Notify and consult with DGS Legal about the filed complaint.

d. Notify the complainant by certified letter of the determination and/or any remedial action that has been taken if it is determined that there was discrimination based on race, color or national origin.

e. Maintain copies of complaints and findings for a minimum of three (3) years from the resolution of the complaint.

f. Take primary responsibility for investigating complaints and reporting findings to the Commissioner. The investigation will review, minimally:

   i. Applicable practices and policies;

   ii. The circumstances and events which led to the filing of the complaint;

   iii. All other pertinent information.

g. Complete the investigation and prepare a written determination on the alleged discrimination and/or make any recommendations on appropriate remedial action to the Commissioner within thirty (30) calendar days of receipt of the written complaint.

h. If a complaint involves an Executive Director, Assistant Commissioner, Deputy Commissioner or the Commissioner, the Department of Human Resources or the Human Rights Commission will investigate the complaint on behalf of DGS and report the results to the appropriate agency.

If the complainant is not satisfied with the Title VI Coordinator’s findings and/or the remedial action taken, an appeal may be filed with the Commissioner or designee within 30 days of the receipt of the determination.

   a. Upon an appeal, the Director of Human Resources, the Title VI Coordinator, and the General Counsel will assist the Commissioner in reviewing the matter and making a determination.
b. The appeal process can include, but is not limited to: discussing the complaint with the complainant and/or the alleged offender, review of the initial recipient of the complaint, and the authority of the Department whose finding is appealed.

A complaint may be filed simultaneously with the Tennessee Human Rights Commission, the Office for Civil Rights, the U.S. Department of Justice, the Office of Justice Programs, or other appropriate Federal agency and with DGS. In such case, the external complaint supersedes the internal DGS complaint. Accordingly, the internal complaint procedures will be suspended pending the outcome of the Tennessee Title VI Compliance Commission or federal review procedure, unless there is a request from the external agency for assistance in the investigation.

If the complainant does not file a complaint with the Tennessee Human Rights Commission, the Office for Civil Rights, the U.S. Department of Justice, the Office of Justice Programs, or other appropriate Federal agency simultaneously with the complaint filed with DGS, and if the complainant is not satisfied with the DGS findings and/or the remedial action taken, the complainant may still file with these external agencies if the time for filing with the agencies has not expired or may appeal to the appropriate Federal agency or to a court with jurisdiction over the claim asserted.

a. The Title VI Coordinator will:

i. Coordinate desk audits and on-site reviews;

ii. Ensure proper notice is given to employees and outside parties regarding the Department's nondiscrimination policy; and

iii. Receive and retain copies of the final monitoring report for each compliance check completed by the compliance auditor and distribute those reports to the appropriate Division Director(s) and Donee, if applicable.

b. The Divisional Title IV Representatives will:

i. Serve as the point of contact within their respective divisions for Title VI concerns/issues;
ii. Ensure that LEP guidelines are followed and that Title VI materials are available; and

iii. Collect and maintain data on race and ethnic categories, if applicable.

c. The Compliance Auditor (Vehicles and Asset Management Title VI Division Rep) will:

i. Conduct quarterly compliance audits of DGS programs, activities and Donees. These audits may include desk reviews, on-site visits and routine reviews.

ii. Identify and report Title VI noncompliance issues to the Title VI Coordinator and appropriate supervisors.

iii. Prepare a final monitoring report of Title VI findings. The report shall be submitted to the Title VI Coordinator and applicable auditee within thirty (30) calendar days after the completion of the on-site review or the Title VI compliance questionnaire.

d. Upon receipt of the report, the auditee shall:

i. Prepare a corrective action plan outlining the steps that will be taken to correct findings identified in the monitoring report;

ii. Provide the name(s) of the contact person(s) responsible for corrective action, the corrective action planned and the anticipated completion date;

iii. Submit the corrective action plan within thirty (30) calendar days of the date of the report to the Compliance Auditor and Title VI Coordinator.

iv. If the auditee does not agree with the findings or believes corrective action is not required, then the corrective action plan shall include an explanation and specific reasons.

Any Donee or Contractor found to be in noncompliance with Title VI will be given a written notice. Failure to eliminate further discrimination within sixty (60) calendar days of receipt of notice will be considered a violation of the terms of the contract and a basis for contract suspension, termination, or rejection.
8. Title VI-Compliance Review and Implementation Plan.

   a. The Title VI Coordinator will develop the DGS Title VI Implementation Plan and monitor agency compliance.

   b. The Implementation Plan will provide a summary update of the Department's compliance review strategy and findings.

   c. The plan shall be submitted annually on or before October 1 to the Human Rights Commission (HRC).
