The State of Tennessee Real Estate Asset Management ("STREAM"), an agency of the State of Tennessee, hereinafter referred to as “the State,” has issued this Request for Qualifications (“RFQ”) to define the State's minimum service requirements, solicit responses, detail response requirements, and outline the State's process for evaluating responses and selecting a contractor using the Best Value Procurement Option One (“BV1”).

Through this RFQ, the State seeks to contract for the requested services and to give ALL qualified businesses, including those that are owned by minorities, women, service-disabled veterans, persons with disabilities, and small business enterprises, opportunity to do business with the State as contractors and subcontractors.

3. RESPONSE REQUIREMENTS

3.1. Response Contents: A response to this RFQ should address the following:

3.1.1. **Technical Response.** RFQ Attachment 6.2., Technical Response & Evaluation Guide provides the specific requirements for submitting a response. This guide includes mandatory requirement items, general qualifications and experience items, and technical qualifications, experience, and approach items all of which must be addressed with a written response and, in some instances, additional documentation.

**NOTICE:** A technical proposal must not include any pricing or cost information related to this project. If any pricing or cost information amounts related to this project are included in any part of the technical proposal, the State may deem the proposal to be non-responsive and reject it.

3.1.1.1. A Respondent shall use the RFQ Attachment 6.2., Technical Response & Evaluation Guide to organize, reference, and draft the Technical Response by duplicating the attachment, adding appropriate page numbers as required, and using the guide as a table of contents covering the Technical Response.

3.1.1.2. A response should be economically prepared, with emphasis on completeness and clarity. A response, as well as any reference material presented, must be written in English, and shall be written on standard 8 ½” x 11” pages (although oversize exhibits are permissible) and use a 12-point font for text. All response pages shall be numbered.

3.1.1.3. All information and documentation included in a Technical Response shall respond to or address a specific requirement detailed in the RFQ Attachment 6.2., Technical Response & Evaluation Guide. All information shall be incorporated into a response to a specific requirement and clearly referenced. Any information not meeting these criteria will be deemed extraneous and will not contribute to evaluations.

3.1.1.4. The State may determine a response to be non-responsive and reject it if:

   a. The Respondent fails to organize and properly reference the Technical Response as required by this RFQ and the RFQ Attachment 6.2., Technical Response & Evaluation Guide; or

   b. The Technical Response document does not appropriately respond to, address, or meet all of the requirements and response items detailed in the RFQ Attachment 6.2., Technical Response & Evaluation Guide.

3.2. Response Delivery (Electronic Format)

3.2.1. A Respondent must ensure that the State receives a Response to this RFQ no later than the Response Deadline time and dates detailed in the RFQ Section 2, Schedule of Events.

3.3. **Response Format (Electronic Format)**

3.3.1. A Respondent must ensure that the original Technical Response documents meet all form and content requirements, including all required signatures, as detailed within this RFQ.

3.3.2. A Respondent must submit, **via e-mail**, the **Technical Response** documents as specified below.

3.3.2.1. The subject of the Technical Response e-mail should be:

```
SBC No. «SBC_» TECHNICAL RESPONSE FROM [RESPONDENT LEGAL ENTITY NAME]”
```

Technical Response document with the file name:

```
“SBC No. «SBC_» TECHNICAL RESPONSE FROM [RESPONDENT LEGAL ENTITY NAME]”
```

3.3.3. The Response Package Cover Sheet (RFQ Attachment 6.3.a) must be completed filled in with all pertinent information and included as the cover sheet for the Technical Response.

3.3. **Non-Responsive:**

The State may determine a response to be non-responsive and reject it if

- b. The Respondent’s document does not appropriately respond to, address, or meet all of the requirements and proposal items detailed in RFQ Attachment 6.2.

3.4. **Response & Respondent Prohibitions:** A response to this RFQ should not:

3.5.1. A Respondent must not include the Respondent’s own contract terms and conditions. If a response contains such terms and conditions, the State, at its sole discretion, may determine the proposal to be a non-responsive counter-offer and reject it.

3.5.2. A Respondent must not restrict the rights of the State or otherwise qualify offer to deliver services as required by this RFQ. The State, at its sole discretion, may determine the proposal to be a non-responsive counteroffer and reject it.
3.5.3. A Respondent must not propose alternate services (i.e., offer services different from those requested and required by this RFQ). The State may consider a proposal of alternate services to be non-responsive and reject it.

3.5.4. A Respondent must not provide, for consideration in this RFQ process or subsequent contract negotiations, incorrect information that the Respondent knew or should have known was materially incorrect. If the State determines that a Respondent has provided such incorrect information, the State may deem the Respondent’s proposal non-responsive and reject it.

3.5.5. A Respondent must not submit more than one Proposal in response to this RFQ. If a Respondent submits more than one Proposal, the State may deem all of the proposals non-responsive and reject them.

3.5.6. A Respondent must not submit a Proposal as a prime contractor while also permitting one or more other Respondents to offer the Respondent as a subcontractor in their own Proposals. Such may result in the disqualification of all Respondents knowingly involved. This restriction does not, however, prohibit different Respondents from offering the same subcontractor as a part of their proposals (provided that the subcontractor does not also submit a proposal as a prime contractor).

3.5.7. A Respondent must not be (and the State will not award a contract to):

   a. an individual who is, or within the past six months has been, an employee of the State of Tennessee or who is a volunteer member of a State board or commission that votes for, lets out, overlooks, or in any manner superintends the services being procured in this RFQ;

   b. a company, corporation, or any other contracting entity in which an ownership of two percent (2%) or more is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee (this will not apply either to financial interests that have been placed into a “blind trust” arrangement pursuant to which the employee does not have knowledge of the retention or disposition of such interests or to the ownership of publicly traded stocks or bonds where such ownership constitutes less than 2% of the total outstanding amount of the stocks or bonds of the issuing entity);

   c. a company, corporation, or any other contracting entity which employs an individual who is, or within the past six months has been, an employee of the State of Tennessee in a position that would allow the direct or indirect use or disclosure of information, which was obtained through or in connection with his or her employment and not made available to the general public, for the purpose of furthering the private interest or personal profit of any person; or,

   d. any individual, company, or other entity involved in assisting the State in the development, formulation, or drafting of this RFQ or its scope of services (such person or entity being deemed by the State as having information that would afford an unfair advantage over other Respondents).
For the purposes of applying the requirements of this RFQ subsection 3.5.7., the State will
dee an individual to be an employee of the State of Tennessee until such time as all
compensation for salary, termination pay, and annual leave has been paid, but the term
“employee of the State of Tennessee” shall not include individuals performing volunteer
services for the State of Tennessee.

3.6. **Conflict of Interest**

3.6.1. This RFQ is also subject to *Tennessee Code Annotated*, Section 12-4-101

3.6.2. This RFQ is also subject to State Building Commission Policy and Procedure 12.02, and
the duties and obligations of the State are subject to Policy 12.02.

3.7. **Response Errors & Revisions**

Respondent will not be allowed to alter or revise its response after the Response Deadline time and
date as detailed in RFQ Section 2, Schedule of Events, unless such is formally requested in writing by
the State (e.g., through a request for clarification, etc.).

3.8. **Response Withdrawal**

A Respondent may withdraw a response at any time before the Response Deadline time and date as
detailed in RFQ Section 2, Schedule of Events, by submitting a written signed request by an

submit another Response at any time before the Response Deadline time and date as detailed in
RFQ Section 2, Schedule of Events.

3.9. **Response Preparation Costs**

The State will not pay any costs associated with the preparation, submittal, or presentation of any
response. Each Respondent is solely responsible for the costs it incurs in responding to this RFQ.
4. GENERAL CONTRACTING INFORMATION & REQUIREMENTS

4.5. RFQ Amendment

The State reserves the right to amend this RFQ at any time, provided that it is amended in writing. However, prior to any such amendment, the State will consider whether it would negatively impact the ability of potential Respondents to meet the deadlines and revise the RFQ Schedule of Events if deemed appropriate. If a RFQ amendment is issued, the State will convey it to potential Respondents who submitted a Notice of Intent to Respond (refer to RFQ Section 1.11). A Respondent must respond, as required, to the final RFQ (including its attachments) as may be amended.

4.6. RFQ Cancellation

The State reserves the right, at its sole discretion, to cancel the RFQ or to cancel and reissue this RFQ in accordance with applicable laws and regulations.

4.7. State Right of Rejection

4.7.1. Subject to applicable laws and regulations, the State reserves the right to reject, at its sole discretion, any and all responses.

4.7.2. The State may deem as non-responsive and reject any response that does not comply with all terms, conditions, and performance requirements of this RFQ. Notwithstanding the foregoing, the State reserves the right to waive, at its sole discretion, minor variances from full compliance with this RFQ. If the State waives variances in a response, such waiver shall not modify the RFQ requirements or excuse the Respondent from full compliance, and the State may hold any Respondent to strict compliance with this RFQ.

4.8. Assignment

The Respondent may not subcontract, transfer, or assign any portion of the Contract awarded as a result of this RFQ without prior approval of the State. The State reserves the right to refuse approval, at its sole discretion, of any subcontract, transfer, or assignment.

Listed below is a summary of the minimum liability insurance coverages required of the Respondent. 4.10.1. Respondents must be familiar with the Contractors Licensing Act of 1994, as currently amended (codified in Tennessee Code Annotated Sections 62-6-101, et seq). A contract will not be awarded to a Respondent whose proposal is in conflict with the State of Tennessee licensing law.

4.10.2. A Respondent must be a licensed Contractor in the State of Tennessee. Appropriate Tennessee Contractor License(s) are required, and demonstration of current licensure in the State of Tennessee is a mandatory part of the proposal submission. The Contractor must maintain licensure during the period of this Contract, and must notify the State of any changes in licensure.

4.10.3. Before the response to this RFQ is submitted, the apparent successful Respondent (and Respondent employees as applicable), must hold all necessary, appropriate business and professional licenses to provide service as required. The State may require any Respondent to submit evidence of proper licensure.

The dollar limit on the license must be sufficient to support the preliminary estimated construction cost for this Project (Refer to RFQ Section 1.6).

4.10.5. Before the Contract resulting from this RFQ is signed, the apparent successful Respondent must be registered with the Tennessee Department of Revenue for the collection of Tennessee sales and use tax. The State will not award a contract unless the Respondent provides proof of such registration or provides documentation from the Department of Revenue that the Respondent is exempt from this registration requirement. The foregoing is a mandatory requirement of an award of a contract pursuant to this solicitation. For purposes of this registration requirement, the Department of Revenue may be contacted at: TN.Revenue@tn.gov.

4.11. **Disclosure of Response Contents**

4.11.1. All materials submitted to the State in response to this RFQ will become the property of the State of Tennessee. Selection or rejection of a response does not affect this right. By submitting a response, a Respondent acknowledges and accepts that the full response
contents and associated documents will become open to public inspection in accordance with the laws of the State of Tennessee.

4.11.2. The State will hold all responses in confidence during the evaluation process. Notwithstanding the foregoing, a list of actual Respondents submitting timely responses may be available to the public, upon request, after the responses are opened.

4.11.3. Upon completion of response evaluations, indicated by public release of Evaluation Notice, the responses and associated materials will be open for review by the public in accordance with Tennessee Code Annotated, Section 10-7-504(a)(7).

4.12. **Contract Approval and Contract Payments**

4.12.1. The State shall not be liable for payment of any type associated with the Contract and shall not be responsible for any work done by the Contractor, even work done in good faith and even if the Contractor is orally directed to proceed with the delivery of services, if it occurs before the Contract start date or after the Contract end date.

4.12.2. All payments relating to this procurement will be made in accordance with the Payment Terms and Conditions of the Contract.

4.12.3. If any provision of the Contract provides direct funding or reimbursement for the competitive purchase of services or items to be delivered to the State as a component of contract performance or otherwise provides for the reimbursement of specified, actual costs, the State will employ all reasonable means and will require all such documentation that it deems necessary to ensure that such purchases were competitive and costs were reasonable, necessary, and actual. The Contractor shall provide reasonable assistance and access related to such review. Further, the State shall not remit, as funding or reimbursement pursuant to such Contract provisions, any amount(s) which it determines did not result from a reasonably competitive purchase or do not represent reasonable, necessary, and actual costs.

4.13. **Severability**

If any provision of this RFQ is declared by a court to be illegal or in conflict with any law, said decision will not affect the validity of the remaining RFQ terms and provisions, and the rights and obligations of the State and Respondents will be construed and enforced as if the RFQ did not contain the particular provision held to be invalid.

4.14. **Joint Ventures**

Firms submitting Qualification Statements as a Joint Venture must file a statement of partnership authority with the Tennessee Secretary of State’s office containing the information required by Tenn. Code Ann. Section 61-1-303(a)(1).

If a Respondent intends to submit a Proposal as a joint venture, then the following requirements will apply:

a. For the purposes of this RFQ, the State recognizes a joint venture as separate organizations or business entities that intend to combine professional or technical
expertise and business experience, and to share contractual and project responsibilities in performance of a contract pursuant to this RFQ;

b. The joint venture must be registered to do business in the State of Tennessee or each joint venture participant must be registered to do business in Tennessee.

c. The joint venture must meet the licensure requirements stated in Section 4.6 of this RFQ or each joint venture participant must meet the licensure requirements stated in Section 4.10 of this RFQ.

d. The joint venture must have a monetary limitation on the license sufficient to support the preliminary estimated construction cost for this project or one of the joint venture participants must have a monetary limitation sufficient to support the preliminary estimated construction cost for this project. Joint venture participants' monetary limits may not be combined to support the preliminary estimated construction cost for the project.

e. The joint venture must meet the insurance requirements state in the RFQ or each joint venture participant must meet the insurance requirements stated in this RFQ. A certificate of insurance must be submitted to provide proof of compliance with the insurance requirements.

f. Each joint venture participant must individually provide all documentation required for a review of financial responsibility and stability. A sub-contractor to a Respondent is not a joint venture participant.
5. PROCUREMENT PROCESS & CONTRACT AWARD

5.1. Evaluation Categories & Maximum Points

5.1.1. The evaluation process is designed to determine those responses having the highest total scores. The RFQ Coordinator will use RFQ Attachment 6.2., Qualifications & Evaluation Guide, to manage the evaluation and maintain evaluation records.

The RFQ Coordinator will review each response to determine compliance with RFQ requirements (refer to RFQ Attachment 6.2.). If the RFQ Coordinator determines that the response may have failed to meet one or more of the RFQ requirements, the Evaluation Team (made up of three or more State of Tennessee employees) will review the responses and record its determination of whether: 1) the Response meets mandatory requirements; 2) the State will request clarifications or corrections; or, 3) the State will determine the Response as non-responsive to the RFQ and reject it.

The State will consider qualifications, experience and approach, in the evaluation of proposal. The maximum points that may be awarded for each of these categories are detailed below.

Each category is weighted as follows and one hundred points is the maximum total number of points which may be awarded:

<table>
<thead>
<tr>
<th>EVALUATION CATEGORY</th>

</tbody>

5.1.2. This competitive BV1 selection process is separated into two parts: a response (containing Qualifications, Experience, and Project Approach), and a bid submitted by qualified Respondents.

**Part One - Qualifications, Experience, and Project Approach:** The Qualifications, Experience, and Project Approach response must attain a Total Response Evaluation Score of Seventy-Five (75) to move on to Part Two – Bidding and be offered the opportunity to submit a bid. Total Response Evaluation Score will be calculated using the following formula as noted on RFQ Attachment 6.4.

Total Response Evaluation Score will be totaled by adding the Section B Respondent Average to the Section C Respondent Average. That formula is:

\[
\text{Section B Respondent Average} + \text{Section C Respondent Average} = \text{Total Response Evaluation Score}
\]
**Part Two - Bidding:** Bids will be submitted through a separate process and only Respondents qualified during the Part One phase will be invited to bid. Refer to RFQ Section 2 for anticipated bid date.

5.1.3. Contractors shall address the bidding requirements provided in the project documents, and the State of Tennessee’s bidding procedures.

5.1.4. The Contractor submitting the lowest bid during Part Two will be considered the apparently low bidder for contract award, pending review by the State.

5.1.5. The State reserves the right, at its sole discretion, to request clarification of response documents or to conduct clarification discussions with any or all Contractors responding to the RFQ. Any such clarification or discussion may be limited to specific sections of the responses identified by the State. The subject Contractor must submit any resulting clarification in writing as may be required by the State.

5.1.6. The State reserves the right to receive an oral presentation from, or conduct interviews with, Contractors responding to the RFQ. Oral presentations and the number of firms interviewed are at the sole discretion of the State. Presentations or interviews will be scheduled by the State and included as a component of response documents.

5.1.7. The evaluation of responses concludes with determination of the responses having the highest total scores.

5.1.8. The State will issue an Evaluation Notice to identify the apparently high scoring responses on the date detailed in the RFQ Schedule of Events. The Evaluation Notice shall not create rights, interests, or claims of entitlements with any RFQ participant.
