<p>1. Do you have images or an exact square footage?</p>	<p>Images are not available. The area given in the event details is an estimated surface acreage measurement.</p> <p>Per Specifications Section 1, potential respondents are encouraged to visit the job site by contacting Mike Smith at 865-803-3601.</p>
<p>2. The areas given (0.8 and 1.5 acres) are adding up to a surface space of 34,848 and 65,340 square feet. Is this what your wanting our bid to cover, or would you want a price per square foot and field measurements done before start of project?</p>	<p>There are two line items to be bid with a unit of measure of "Each". Respondents shall propose their total price of the 0.8 acre pond and 1.5 acre pond. The square foot measurements would be inaccurate to cover the pond and anchor trenches.</p> <p>Per Specifications Section 1, potential respondents are encouraged to visit the job site by contacting Mike Smith at 865-803-3601.</p>
<p>3. Does the area given in the Event Details include all surface space including flat area and slopes? If area given is just the flat space could you provide me with more details such as hatchery depth and</p>	<p>The area given in the event details is an estimated surface acreage measurement, the inside slope of the pond levees was not taken into account.</p> <p>Per Specifications Section 1, potential respondents are encouraged to visit the job</p>
