General specifications and delivery instructions:

Contractor must ship all uniform items FOB destination to one of the delivery addresses listed below. Delivery location will be identified with each purchase order issued. Contractor will be required to package and clearly label each item shipped by employee name. The employee name will be provided with each order placed. The contractor must also enclose a separate invoice with each shipment that references the employee name.

Contractor must attach emblems, perform embroidery, and deliver all items ordered within 45 days after receipt of a purchase order. The fee for attaching the emblem needs to be included in the bid price and not added as a separate charge.

In addition to the scope of services outlined here in response to this bid event must conform to requirements as outlined in Attachment 1.
