AMENDMENT # 1
FOR NWCX ELECTRICAL PANEL REPLACEMENT**

DATE: April 29, 2026

ITB # 32945-13884 IS AMENDED AS FOLLOWS:

1. State responses to questions and comments in the table below amend and clarify this ITB.

Any restatement of ITB text in the Question/Comment column shall NOT be construed as a change in the actual wording of the ITB document.

ITB SECTION	PAGE #	QUESTION / COMMENT	STATE RESPONSE
	1	Part III, paragraph c of the Scope of Work, states "Contractor shall provide and install one (1) custom fabricated interior panelboard assembly designed to match the dimensions, configuration, and mounting requirements of the existing panel enclosure." We do not believe it is possible to get a new interior fabricated, given the age and size of the existing panel board. It would also be difficult to get a replacement fabricated for that enclosure that would be UL rated. We believe it would be a better option to either find the interior replacement on the used/refurbished market or the second option would be to remove the existing enclosure and enlarge the opening and replace it with an entirely new panel board.	Please see Specifications v2.
	2	Will there be any provisions provided by the owner to facilitate the power outage? Any of the options of replacing this panel will require a power outage of both sections in the kitchen, leaving the kitchen without power for a period of time.	Yes, provisions for food preparedness shall be the responsibility of the facility due to any power outages. Contractor shall work with the facility manager to ensure any outages are preplanned and scheduled.
	3	Can the bid date be extended until there are resolutions to the preceding questions?	Yes

2. **Delete NWCX_ElectricalPanel_Kitchen_Specs_4.8.26, in its entirety, and replace it with NWCX_ElectricalPanel_Kitchen_Specs_v2, attached to this amendment.** Revisions of the original Specifications document are emphasized within the new release. **Any sentence or paragraph containing revised or new text is highlight.**
3. **ITB Amendment Effective Date.** The revisions set forth herein shall be effective upon release. All other terms and conditions of this ITB not expressly amended herein shall remain in full force and effect.
