

STATE OF TENNESSEE
 TENNESSEE DEPARTMENT OF EDUCATION

**INVITATION FOR BID # 33101-11729
 AMENDMENT # 1
 FOR YORK SECURITY CAMERAS**

DATE: JANUARY 28, 2021

ITB # 33101-11729 IS AMENDED AS FOLLOWS:

1. State responses to questions and comments in the table below amend and clarify this ITB.

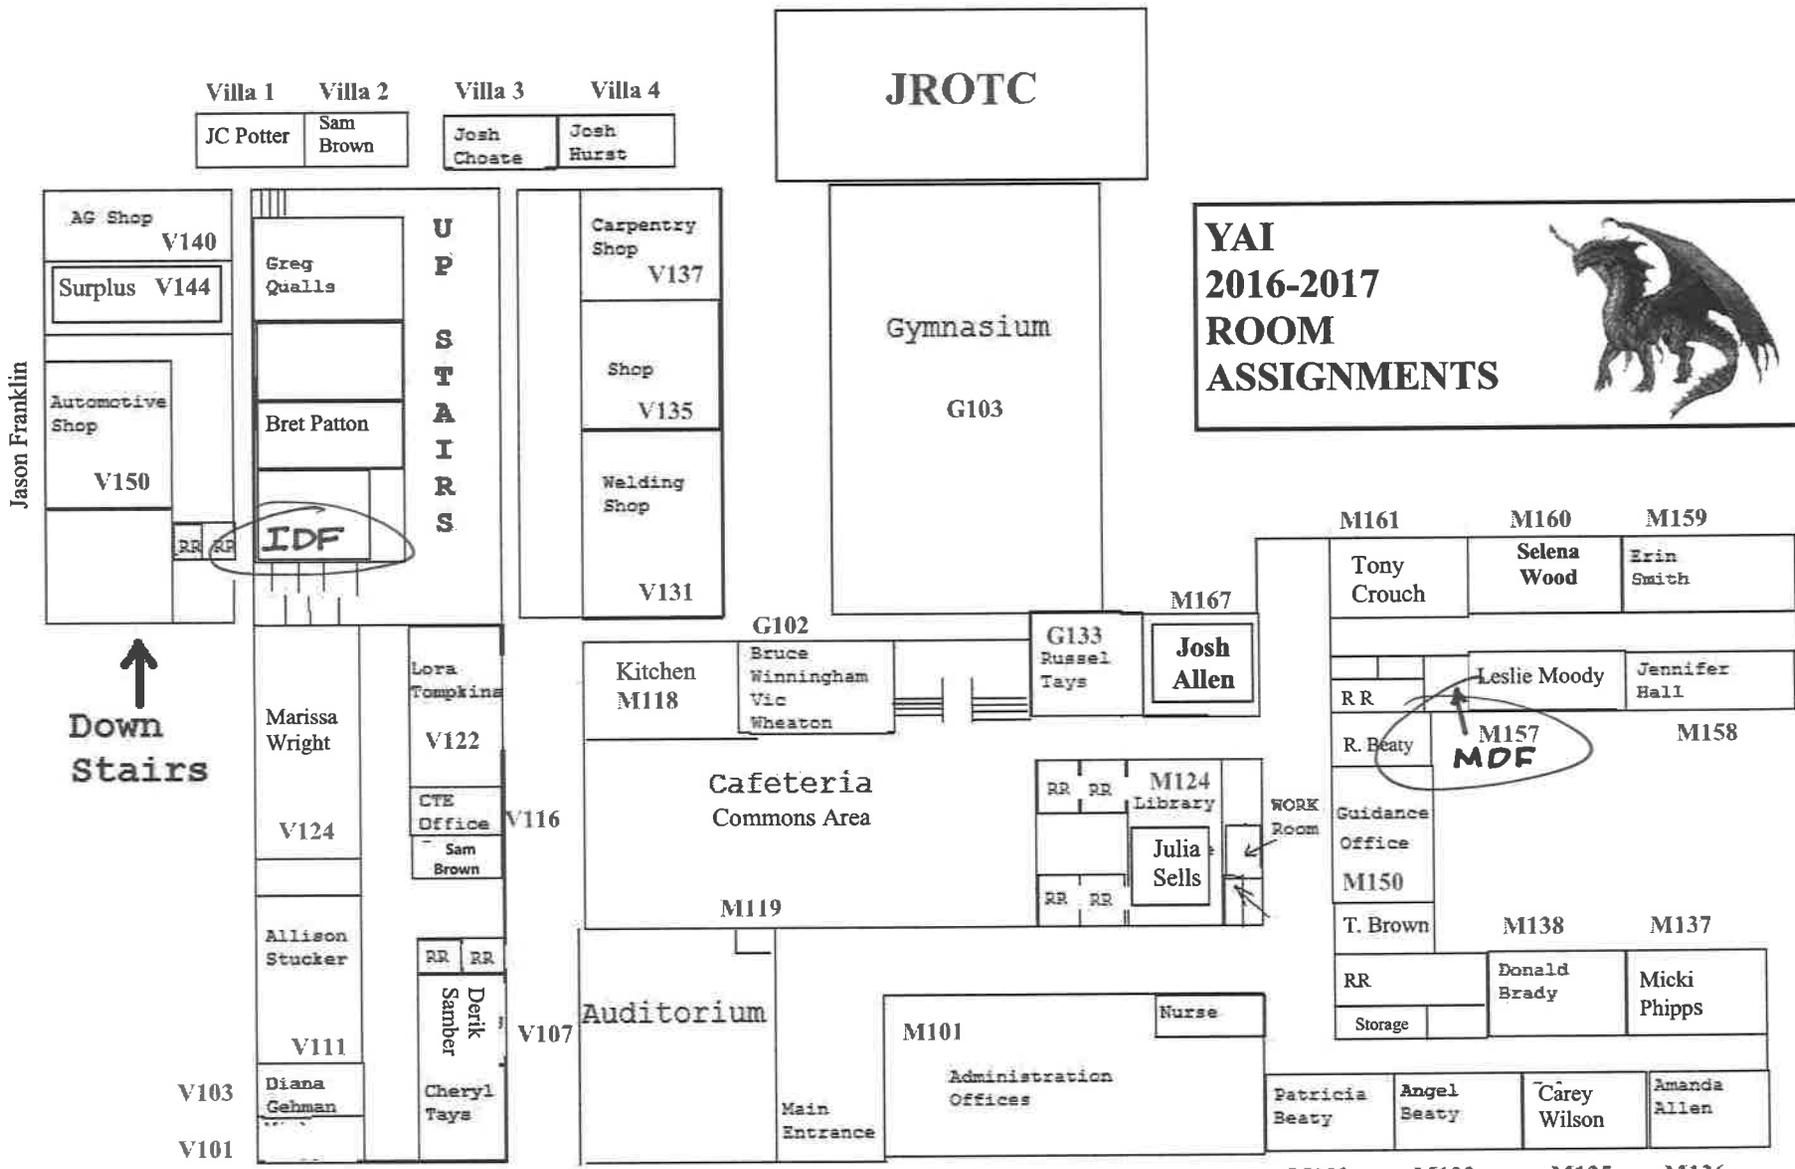

Any restatement of ITB text in the Question/Comment column shall NOT be construed as a change in the actual wording of the ITB document.

ITB SECTION	QUESTION / COMMENT	STATE RESPONSE
Specifications	1. As noted in the Specifications, will the State be providing rack space in the server room in the main building to house the requested 3 NVRs? Confirm that all camera distances will be within the required 100M or 328ft of this location?	Yes, rack space in the server room will be provided. This cannot be confirmed; some may be more than 328ft.
	2. If any camera locations exceed the 100m distance location, can you confirm how many additional IDF locations will need to be fitted with POE switches to meet the camera requirements?	Vendor should bid switches for all IDF locations. Specifications call for independent switches.
	3. Will you provide interconnecting cable/fiber in addition to the Cat16 camera cabling for these remote switch locations if applicable?	All remote IDF have interconnectivity already.
Specifications; Item 13	4. Please confirm if the VMS should be a software only solution to include licensing installed on provided hardware or if the 3 NVR's/Servers will be required.	NVR's/Servers will need to be provided by the vendor
Specifications; Item 14	5. Please confirm who will be providing the 50' monitors and mounting hardware as well as quantity as mentioned in item 14 of the specifications document.	Owner will provide monitors and hardware to mount

ITB SECTION	QUESTION / COMMENT	STATE RESPONSE
Specifications; Item 14	6. Please confirm who will be responsible for removing the existing monitors upon project completion (new monitors being fully functional) as also mentioned in item 14 of the specifications document.	Vendor will remove and mount new monitors as well as connect.
Specifications; Item 19	7. Will the assumed door contacts, motions, other devices be provided and installed by others and be available for integration/tie-in prior to project kick off?	Main entrance doors are on a S2 box with key card access. They are mag locks with interior motion to exit releases.
General	8. Will respondents have an opportunity to do a site visit?	Yes. Site visits can be scheduled by contacting Derwin Wright, director of operations, at (931) 879-8101 or dwright@yaidragons.com .
General	9. Will there be an award if no respondents meet the project spend on the project?	No.
	10. Is the installation integrator required to install new J-Hook pathway, conduit, etc.?	Yes.
	11. Since this is a 5-year contract, is there a format that you can provide to submit pricing for future additions, adds, service, etc.?	The event was set up as a five (5) year contract for the licenses. There will not be, and there will be no need for, future additions. Therefore, we cannot provide a format for pricing for future additions, adds, services, etc.
	12. How will the respondents be scored? Is there a specific scoring matrix we can review for this project?	The respondent with the lowest cost that meets the specifications will be recommended for contract award.
	13. What is the project timeline? School work is generally more efficient in Summer break months. Specific timelines are needed for estimating labor.	Project timeline is May 28-August 1. However, work may begin earlier if the school transitions to virtual instruction prior to May 28 and approved by the director of schools. T
	14. Please offer additional specifications on the 50" monitors. Is the State asking for professional grade CCTV monitors or 50" TV's?	50" TVs.
	15. Will the customer be providing the CCTV viewing station PC's or should they be included in our bid?	The school will provide the CCTV viewing station PCs.
	16. Please specify if the bidder is to provide new Cat6 patch panels in every closet.	Yes, the bidder is to provide new Cat6 patch panels in every closet.
	17. Will RFI responses be sent out to all respondents?	No. RFI responses will not be sent out. Suppliers must submit a bid before the deadline. Bids will be reviewed once the deadline expires.
	18. Is there a sight map available or this project?	Attached is the only map available.

2. **ITB Amendment Effective Date.** The revisions set forth herein shall be effective upon release. All other terms and conditions of this ITB not expressly amended herein shall remain in full force and effect.
