**INVITATION TO BID (ITB) # 40100-13904
AMENDMENT #1 FOR MCNAIRY MANHOLE REPAIRS**

DATE: 05/20/2026

ITB # 40100-13904 IS AMENDED AS FOLLOWS:

1. State responses to questions and comments in the table below amend and clarify this ITB.

Any restatement of ITB text in the Question/Comment column shall NOT be construed as a change in the actual wording of the ITB document.

Comments, Questions and Answers			
#	ITB Section	Question/Comment	Answer
1	Terms & Conditions	Is there a bond required?	Please reference below Summary of Changes for the added language into the Terms and Conditions.
2	Terms & Conditions	Certified payroll?	Certified payrolls are not required to be submitted.
3	Specifications	New lids have manhole covers left out as depicted in photo's?	That is correct. No lids necessary.
4	Specifications	The project time would need to be 160 days instead of 45 days due to set up time, ordering materials and there is a time frame of 105 days for cure time.	TDOT is not holding the contractor to the normal cure times or waiting for 7 or 28 day breaks. The lids can be transported and set when the contractor is confident in doing so without damage. In the Specifications Scope of Work Section d.ii. states "use hi-early strength concrete for all lid fabrication as solid covers".
5	General	Will there also be a bidders list posted?	Yes, it will be available during the Open File Period in the procurement file after the Intent to Award is sent out.

2. Summary of Changes.

Performance Bond language has been added to the Terms and Conditions, Section 8.5.

Payment Bond language has been added to the Terms and Conditions, Section 8.6.
