## TN Smart Shop

### Welcome to TN Smart Shop!

TN Smart Shop is an e-marketplace of active statewide contracts where local governments and municipalities can leverage the buying power of the state government to purchase goods and services.

The TN Smart Shop team will continue to add statewide agreements to the marketplace that are aligned with local government purchasing needs.

By combining state and local spend on common goods and services, the State is able to negotiate deeper discounts and enhanced services with vendors. TNSmartShop works because leveraging state and local purchasing power saves taxpayer dollars. The TNSmartShop team will continue to add statewide agreements to the repository that are aligned with local government purchasing needs.
