- notice of claim within 30 days of the date of loss; and
- the required Proof within 90 days after the end of the Elimination Period.

Step 1

A claimant may give Us notice by calling Us at the toll-free number shown in the Certificate Face Page within 30 days of the date of a loss.

Step 4

The claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice or Proof are given as soon as is reasonably possible; and, in no event, except in the absence of legal capacity, later than 1 year after the date Proof is otherwise required.

Subject to due Written Proof of loss, all accrued benefits for loss for which this certificate provides periodic payment will be paid as follows:

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a **brief summary** of the Utah Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Accident and Health Insurance
 - o \$500,000 for health benefit plans
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to health benefit plans.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

Benefits provided by a long-term care rider to a life insurance or annuity contract shall be considered the same type of benefit as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, please visit the Association's website at www.ulhiga.org or contact:

Actively at Work or Active Work means that You are performing all of the usual and customary duties of Your job. This must be done at:

- the Policyholder's place of business;
- an alternate place approved by the Policyholder; or

For purposes of determining whether a Disability is the direct result of an accidental injury, the Disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

If You are Disabled and have received a Monthly Benefit for 12 months, We will adjust Your Predisability Salary only for the purposes of determining whether You continue to be Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:
We will add to Your Predisability Salary an amount equal to the product of:

DEFINITIONS (continued)

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT (continued)

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below.

Disability Income Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to injury or sickness, up to the earlier of the Policyholder's general practice, or 60 months;
2. for the period You cease Active Work in an eligible class due to any other Policyholder approved leave of absence, up to the earlier of the Policyholder's general practice, or 60 months.

EVIDENCE OF INSURABILITY

No evidence of insurability is required for the insurance described in this certificate.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Monthly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews or functional capacity exams, as needed.

While You are Disabled, the Monthly Benefit described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Monthly Benefit one month after the date benefits begin to accrue. We will make subsequent payments monthly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each month and will be pro-rated for any partial month of Disability.

We will pay Monthly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

RECOVERY FROM A DISABILITY

If You return to Active Work, We will consider You to have recovered from Your Disability.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group long term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period for a period of 30 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. We will count those days towards the completion of Your Elimination Period.

If You return to Active Work for a period of more than 30 days, and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work only includes those days You actually work.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after completing Your Elimination Period for a period of 6 months or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Salary and apply the same terms, provisions and conditions that were used for the original Disability.

If You return to Active Work for a period of more than 6 months and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work includes all of the continuous days which follow Your return to work for which You are not Disabled.

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Monthly Benefit by an amount equal to 10% of the Monthly Benefit. We will do so before We reduce Your Monthly Benefit by any other income.

While You are Disabled, We encourage You to work. If You work while You are Disabled and receiving Monthly Benefits, Your Monthly Benefit will be adjusted as follows:

- Your Monthly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Monthly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Monthly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Salary as calculated in the definition of Disability. In addition, the Minimum Monthly Benefit will not apply.

Limit on Work Incentive

After the first 24 months following Your return to work, We will reduce Your Monthly Benefit by 50% of the amount You earn from working while Disabled.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to \$400 for monthly expenses You incur for each family member to provide:

 - chiefly dependent on You for support; and
 - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

We will make reimbursement payments to You on a monthly basis starting with the first Monthly Benefit payment until You have received 24 Monthly Benefit Payments. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS (continued)

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

1. any disability or retirement benefits which You, Your Spouse or child(ren) receive or are eligible to receive because of Your disability or retirement under:
 - Federal Social Security Act;
 - Railroad Retirement Act;
 - any state, public or federal employee retirement or disability plan, including State Teachers Retirement System (STRS); Public Employee Retirement System (PERS) or Federal Retirement System (FERS). You must apply for such benefits through the highest appeal level that is applicable to such benefits and available under the plan; or
 - any pension or disability plan of any other nation or political subdivision thereof.
2. any income received for disability or retirement under the Policyholder's Retirement Plan, to the extent that it can be attributed to the Policyholder's contributions.
3. any income received for disability under:
 - a group insurance policy to which the Policyholder has made a contribution, such as:
 - benefits for loss of time from work due to disability;
 - installment payments for permanent total disability;
 - a no-fault auto law for loss of income, excluding supplemental disability benefits;
 - a government compulsory benefit plan or program which provides payment for loss of time from Your job due to Your disability, whether such payment is made directly by the plan or program, or through a third party;
 - a self-funded plan, or other arrangement if the Policyholder contributes toward it or makes payroll deductions for it;
 - any sick pay, vacation pay or other salary continuation that the Policyholder pays to You;
 - workers' compensation or a similar law which provides periodic benefits;
 - occupational disease laws;
 - laws providing for maritime maintenance and cure;
 - unemployment insurance law or program.
4. any income that You receive from working while Disabled to the extent that such income reduces the amount of Your Monthly Benefit as described in REHABILITATION INCENTIVES. This includes but is not limited to salary, commissions, overtime pay, bonus or other extra pay arrangements from any source.
5. recovery amounts that You receive for loss of income as a result of claims against a third party by judgment, settlement or otherwise including future earnings.

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR FEDERAL SOCIAL SECURITY BENEFIT, GOVERNMENT COMPULSORY BENEFIT PLAN OR PROGRAM OR STRS, PERS OR FERS OR OTHER PUBLIC EMPLOYEE RETIREMENT OR DISABILITY BENEFIT PLAN OR PROGRAM

If there is a reasonable basis for You to apply for benefits under the Federal Social Security Act, a government compulsory plan or program or a federal, state or other public employee retirement or disability plan or program, including a STRS, PERS or FERS Retirement System, We expect You to apply for such benefits.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

1. With respect to benefits under the Federal Social Security Act, to apply means to pursue such benefits until You receive approval from the Federal Social Security Administration, or a notice of denial of benefits from an administrative law judge. We will reduce the amount of Your Disability benefit by the amount of Federal Social Security benefits We estimate that You, Your Spouse or child(ren) are eligible to receive because of Your Disability or retirement. We will start to do this after You have received 24 months of Disability benefit payments, unless We have received:

- approval of Your claim for Federal Social Security benefits; or
- a notice of denial of such benefits indicating that all levels of appeal have been exhausted.

You must, within 6 months following the date You became Disabled:

- send Us Proof that You have applied for Federal Social Security benefits;
- sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this coverage and
- sign a release that authorizes the Federal Social Security Administration to provide information directly to Us concerning Your Federal Social Security benefits eligibility.

If You do not satisfy the above requirements, We will reduce Your Disability benefits by such estimated Federal Social Security benefits starting with the first Disability benefit payment coincident with the date You were eligible to receive Federal Social Security benefits.

2. With respect to Government Compulsory Benefit Plans or Programs or STRS, PERS, FERS Benefit Plans or Programs, or to apply means to pursue such benefits through all applicable levels of appeal provided under such benefit plans or programs. You must, within 6 months following the date You become Disabled:

- send Us Proof that You have applied for benefits under such plans or programs; and
- sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this insurance.

If You do not satisfy the above requirements, We will reduce Your Disability benefit by the amount of such government compulsory benefit plan or program benefit, or STRS, PERS or FERS benefit that We estimate You, Your Spouse or child(ren) are eligible to receive, provided that We have the reasonable means to make such an estimate. We will start to do this with the first Disability benefit payment under this certificate coincident with the date You were eligible to receive such government compulsory benefit plan or program benefit or STRS, PERS or FERS benefits under any such plan or programs.

3. With respect to benefits You have applied for under the Federal Social Security Act, a government compulsory benefit plan or program or a federal, state or other public employee retirement or disability plan or program, including a STRS, PERS or FERS Retirement System plan or program, or if You do receive approval or final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability Benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS, or by:

- cost of living adjustments that are paid under any of the above sources of Other Income;
- reasonable attorney fees included in any award or settlement. If the attorney fees are incurred because of Your successful pursuit of Social Security disability benefits, such fees are limited to those approved by the Social Security Administration;
- group credit insurance;
- mortgage disability insurance benefits;
- early retirement benefits that have not been voluntarily taken by You;
- veteran's benefits;
- individual disability income insurance policies;
- benefits received from an accelerated death benefit payment; or

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: COST OF LIVING ADJUSTMENT

If You have been receiving Monthly Benefits under this certificate (either Option 3 or Option 4 as shown on the Schedule of Benefits), We will adjust Your benefit amount on the date following the date the 12th Monthly Benefit is payable. As limited by the Maximum Benefit Period, further adjustments will take effect on each anniversary of the first adjustment. The total number of adjustments may not exceed 5.

The adjustments do not apply to amounts We pay under this certificate for Rehabilitation Incentives or any Additional Benefits shown in the Schedule of Benefits.

BENEFIT AMOUNT

To calculate Your cost of living adjustment, We will multiply the amount of Your Monthly Benefit for the month prior to the date the cost of living adjustment is to take effect by 3%. We will add this amount to each subsequent Monthly Benefit payment.

To calculate Your cost of living adjustment, We will multiply the amount of Your Monthly Benefit by the lesser of:

- the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W); or
- 3%.

We will add this amount to each subsequent Monthly Benefit payment.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: SINGLE SUM PAYMENT IN THE EVENT OF YOUR DEATH

If You die while You are Disabled and You were entitled to receive Monthly Benefits under this certificate, Proof of Your death must be sent to Us. When We receive such Proof, We will pay the benefit described in this section.

BENEFIT AMOUNT

The benefit amount will be equal to 3 times the lesser of:

- the Gross Monthly Benefit You receive for the calendar month immediately preceding Your death;
- the Gross Monthly Benefit You were entitled to receive for the month You die, if You die during the first month that Disability benefits are payable.

Gross Monthly Benefit means the Monthly Benefit determined prior to any reductions for Other Benefit Sources as set forth in OTHER BENEFIT SOURCES WHICH WILL REDUCE YOUR MONTHLY BENEFIT.

We will reduce the benefit amount by any overpayment We are entitled to recover.

BENEFIT PAYMENT

Benefit payments will be made as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: ALTERNATIVE BENEFIT PAYMENT OFFER, AT OUR OPTION

If We approve Your claim for benefits under this certificate in accordance with the Long Term Benefit provisions of this certificate, We may offer to pay You a Disability benefit in the form of a lump sum benefit payment as an alternative to the Monthly Benefit payments described in the DISABILITY INCOME INSURANCE: LONG TERM BENEFITS provision of this certificate. If We determine on the basis of objective criteria applied to the particular facts and circumstances of Your claim that a lump sum payment is an appropriate option for Us to offer to You, We will make an offer of a lump sum payment to You. If You accept Our offer in Writing, Signed by You, and We make such lump sum benefit payment to You, no further Disability benefit payments will be made to You under this certificate. If You do not accept Our offer of a lump sum benefit payment, We will continue to administer Your claim in accordance with the terms and conditions of this certificate.

Disability Income Benefit Payments: Who We Will Pay

We will make any benefit payments during Your lifetime to You or Your legal representative as Beneficiary. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving designated Beneficiary at Your death, We may determine the Beneficiary for any amount that is or becomes due, according to the following order:

1. Your Spouse, if alive;

5. Your estate, if there is no such surviving sibling(s).

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum.

GENERAL PROVISIONS (continued)

Physical Exams

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

If the overpayment results solely from Our error in the processing of Your claim under this certificate, We have the right to recover the overpayment from You within 15 months of the date such overpayment occurs.

Lien and Repayment

If You become Disabled and You receive Disability benefits under this certificate and You receive payment from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate (for example, a judgment, settlement, payment from Federal Social Security or payment pursuant to Workers' Compensation laws), You shall reimburse Us from the proceeds of such payment up to an amount equal to the benefits paid to You under this certificate for such Disability. Our right to receive reimbursement from any such proceeds shall be a claim or lien against such proceeds and Our right shall

GENERAL PROVISIONS (continued)

provide Us with a first priority claim or lien over any such proceeds up to the full amount of the benefits paid to You under this certificate for such Disability. You agree to take all action necessary to enable Us to exercise Our rights under this provision, including, without limitation:

- notifying Us as soon as possible of any payment You receive or are entitled to receive from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate;
- furnishing of documents and other information as requested by Us or any person working on Our behalf; and
- holding in escrow, or causing Your legal representative to hold in escrow, any proceeds paid to You or any party by a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate, up to an amount equal to the benefits paid to You under this certificate for such Disability, to be paid immediately to Us upon Your receipt of said proceeds.

You shall cooperate and You shall cause Your legal representative to cooperate with Us in any recovery efforts and You shall not interfere with Our rights under this provision. Our rights under this provision apply whether or not You have been or will be fully compensated by a third party for any Disability for which You received or are entitled to receive benefits under this certificate.

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable, but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return to Work Services

As a covered employee you are automatically eligible to participate in our Return to Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. Labor Market Surveys

Studies to find jobs available in your local economy that would utilize your abilities and skills. Also identify your earning potential for a specific occupation.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. Job Modifications

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or modifications to help you perform the previous job or a similar vocation.

5. Job Seeking Skills and Job Placement Assistance

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return to Work Program Staff

The Case Manager handling your claim will coordinate return to work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return to work plan.

Social Security Assistance Program

If your claim for Disability benefits under this plan is approved, MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability.

There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids Reduced Retirement Benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost-of-Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost-of-living increases awarded by Social Security. This is also true for any cost-of-living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a) an error by Social Security in computing the initial amount;
- b) a change in dependent status; or
- c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

Over a period of years, the net effect of these cost-of-living increases can be substantial.

SPECIAL SERVICES

How MetLife Assists You in the Social Security Approval Process

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

2. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provides expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a) Reconsideration by the Social Security Administration
- b) Hearing before an Administrative Law Judge
- c) Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d) A civil suit in Federal Court.

3. Social Security Attorneys

Depending on your individual needs, MetLife may provide a referral to an attorney who specializes in Social Security law. The Social Security approved attorney's fee is credited to the Long Term Disability overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney's fee, which is capped by Social Security law, will be deducted from the lump sum Social Security Disability benefits award and will not be used to further reduce your Long Term Disability benefit.

Early Intervention Program

The MetLife Early Intervention Program is offered to all covered employees, and your participation is voluntary*. The program helps identify early those employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability benefits. Early rehabilitation efforts are more likely to reduce the length of your Long Term Disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your employer will notify MetLife. Our Clinical Specialists may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier,* workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).
6. Providing analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities. It also includes an on-site ergonomic evaluation of work conditions to assist you in returning to work. If MetLife agrees that job modifications are likely to help you remain at work or return to work we may also agree (with your consent) to reimburse your employer for the cost of such modifications up to an amount agreed to between MetLife and your employer.

SPECIAL SERVICES

Our assistance is offered at no cost to either you or your employer.

* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your employer is not necessary.

CLAIMS INFORMATION

Disability Benefits Claims

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife.

Claim Submission

For claims for disability benefits, the claimant must report the claim to MetLife and, if requested, complete the appropriate claim form. The claimant must also submit the required proof as described in the "Filing A Claim" section of the certificate.

Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for disability benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Program provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Program
- Reference to the initial decision
- An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Program provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.
