Delivery/Pick Up Charges:

Contractor is responsible for full delivery and pick-up, including but not limited to, acquiring required permits. The State will measure delivery and pick-up costs as combined into one lump sum per piece of equipment per Category per Region or per piece of equipment per Line per Region where applicable. Payment at the lump sum price bid shall be full compensation for all materials, fuel, labor, equipment, and incidentals to and from the site.

Fuel Charges:

All equipment shall be delivered full of fuel and will be returned full of fuel. If the Authorized User fails to fill the fuel tank up to the same level that was present at delivery, the Contractor may charge their standard fuel charge plus the average retail cost of fuel for the Midwest region according to the United States Energy Information Administration (<https://www.eia.gov/petroleum>).

Additional Fees:

Contractor shall not charge any additional fees such as an environmental fee.

Supplier Catalogs:

The following suppliers have included a catalog of additional items.

Requisition and Purchase Order Generation:

For information on how to create a requisition and/or purchase order please reference our CPO Job Aids on the following page: <https://www.teamtn.gov/cpo/learning-development/cpo-job-aids.html>

Billing and Payment Instructions:

Methods of Payment: All contractors accept check and ACH deposit. The following Suppliers accept P Card: Gulf Material Sales LLC, H&E Equipment Services Inc., Herc Rentals Inc., Hutson Inc, Sunbelt Rentals Inc., TriGreen Equipment LLC, United Rentals North American Inc.

The Contractor shall submit an itemized invoice to the state agency billing address provided in the PO. The invoice may include only charges for services described in the PO.

NOTE: Agencies may use a decimal up to 3 digits long in the PO Qty when creating a PO against a line. This will allow agencies to pay incrementally for some line items ex. Pay monthly for an item with a yearly price.

Emergency Call Procedures:

The Contractor must have a dedicated emergency hotline to answer and provide equipment for declared states of emergency. Authorized User must identify emergency equipment requests as such in the call. Emergency equipment requests must be on site in twenty-four (24) hours, or otherwise mutually agreed upon time. A toll-free telephone number and an email address shall be provided to the CPO and must be continuously answered/monitored seven (7) days a week and twenty-four (24) hours a day.
