

SWC# 235 Industrial Supplies Contact Information and Special Instructions

Summary/Background Information: The intent of this statewide contract is to provide Industrial Supplies to State Agencies and local governments. It is a discount from catalog contract that consists of seven (7) product categories which receive a percentage off catalog items by subcategory. The contracts by category are listed below.

Please note: Only products that fall under the categories mentioned in these instructions are considered to be contract items. Any item outside these contract categories should be purchased from another appropriate contract, or using Local Purchase Authority procedures, as applicable.

Category	Award Winner
Commercial Cleaning	Fastenal, W.W. Grainger, Benefast Inc.
General Industrial	Fastenal, W.W. Grainger, Benefast Inc.

TN Smart Shop: Now Has a Hosted Catalog

Contract Period:

Total number of years if all options are exercised: 5

- Initial one year contract term with four, one-year options to renew
- Start date: June 1, 2019
- Initial end date: May 31, 2020
- Final end date: May 31, 2024

Special Instructions:

To purchase from SWC 235 – MRO and Industrial Supplies, a special request can be created in Edison or purchasing can be made through the punch-out in TN SmartShop.

Punch-out refers to the process by which items purchased from the online catalog in TN SmartShop are automatically linked to the vendors' e-commerce website, hence the term "punch-out." The TN SmartShop user interface is designed to provide buyers with a user-friendly shopping experience.

Send the contract released order to the Contractor and follow all applicable purchasing procedures.
