State Agency Ordering Instructions:

1. Please consult the SAS product catalogs to determine what software or support to order. If you need assistance selecting software or support, please contact Bill Huskey or Jeremy Davis with SAS. You can email them at Bill.Huskey@sas.com and Jeremy.Davis@sas.com.
2. Once you have selected all of the needed software or support, please contact Bill Huskey or Jeremy Davis with SAS for a quote.

3. If you are adding licenses to a pre-existing installation, follow your normal requisition/purchase order process to complete the order.
4. If you are buying a new type of software license, SAS will require the State to sign a supplement governing the use of the software. Please send the supplement to the Contract Administrator with the Central Procurement Office to negotiate and sign the supplement on your behalf. Once the supplement has been signed, follow your normal requisition/purchase order process to complete the order.
5. All licenses for every agency are co-termed to expire on December 31st every year. SAS will send you a renewal quote 90 days before the license expiration date. You will need to send a purchase order to SAS to renew your support. If you are unable to send your purchase order prior to the annual expiration date, SAS will grant your agency a grace period in which your licenses will continue functioning.

State License Management & Support Instructions:

1. Every agency will have a unique site number and license key based on the type of SAS software. If you are unsure of your site number and license key, please contact your agency SAS administrator(s). If you are unsure who your agency SAS administrator(s) is, please contact the Contract Administrator with the Central Procurement Office.
2. The license key is needed to install SAS licenses on workstations and servers.
3. When your agency renews your SAS licenses for an additional annual term, your agency SAS administrator(s) will receive a new license key for that term of service. The old license key expires at the beginning of the new term of service.
4. The site number is needed to open support tickets with SAS.
5. You can open support tickets with SAS by going to <http://support.sas.com/techsup/index.html> or calling 1-800-727-0025.

Local Government Entity Instructions:

1. Local Governments and other eligible entities are encouraged to use this contract.
2. Local entities should contact Bill Huskey or Jeremy Davis with SAS with respect to how they would like to conduct business transactions. You can email them at Bill.Huskey@sas.com and Jeremy.Davis@sas.com.
3. The State requires SAS to report all sales to Local Government entities making use of the State contract.
