

PUBLIC RECORDS POLICY FOR THE OFFICE OF THE GOVERNOR

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy (the “Policy”) for the Office of the Governor (the “Governor’s Office”) is adopted to provide economical and efficient access to public records in the custody of the Governor’s Office as provided under the Tennessee Public Records Act (“TPRA”) in Tenn. Code Ann. § 10-7-501, *et seq.*

The TPRA provides that all state, county and municipal records shall, at all times during business hours, be open for personal inspection by any citizen of this state, unless otherwise provided by state law. *See* Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the records of the Governor’s Office are presumed to be open for inspection unless otherwise provided by law.

I. Definitions

All terms used in this Policy shall have the meaning assigned by Tennessee Code Annotated, Title 10, Chapter 7, Part 5, unless the context requires otherwise, including the following:

- a. Records Custodian: The office, official, or employee lawfully responsible for the direct custody and care of a public record. *See* Tenn. Code Ann. § 10-7-503(a)(1)(C). The records custodian is not necessarily the original preparer or receiver of the record.
- b. Public Records: All documents, papers, letters, maps, books, photographs, microfilms, electronic data processing files and output, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by any governmental agency. *See* Tenn. Code Ann. § 10-7-503(a)(1)(A).
- c. Public Record Request Coordinator (“PRRC”): The individual within the Governor’s Office designated in Section II of this Policy whose role it is to ensure that public record requests are routed to the appropriate records custodian and fulfilled in accordance with the TPRA. *See* Tenn. Code Ann. § 10-7-503(a)(1)(B). The PRRC may also be a records custodian.
- d. Requestor: A person seeking access to a public record, whether it is for inspection or duplication.

II. Requesting Access to Public Records

Public record requests for the Governor's Office shall be made to the PRRC or his/her designee in order to ensure such requests are routed to the appropriate records custodian and fulfilled in a timely manner.

Requests for inspection may be made orally or in writing:

Public Record Request Coordinator, Office of the Governor
Attn: Deputy General Counsel
State Capitol, 600 Charlotte Avenue, Ground Floor
Nashville, TN 37243

or by phone at (615) 741-2001

or by email at Gov.PPRC@tn.gov.

In the case of oral requests, the PRRC should request a mailing or email address from the requestor for providing any written communication required under the TPRA.

Requests for copies, or requests for inspection and copies, shall be made in writing:

Public Record Request Coordinator, Office of the Governor
Attn: Deputy General Counsel
State Capitol, 600 Charlotte Avenue, Ground Floor
Nashville, TN 37243

or by email at Gov.PPRC@tn.gov.

Proof of Tennessee citizenship may be required as a precondition to inspecting or receiving copies of public records, which may be satisfied by presentation of a valid Tennessee driver's license (or alternative form of government-issued or other acceptable ID).

III. Responding to Public Record Requests

Role of the Public Record Request Coordinator

The PRRC shall review public record requests and make an initial determination of the following:

- a. Whether the requestor provided evidence of Tennessee citizenship;

- b. Whether the record(s) requested are described with sufficient specificity to identify them; and
- c. Whether the Governor's Office is the custodian of the records.

The PRRC shall acknowledge receipt of the request and take any of the following action(s), as appropriate:

- a. Advise the requestor of this Policy; request proof of Tennessee citizenship, if necessary; and advise the requestor of any form(s) required for copies.
- b. Deny the request in writing, providing the appropriate ground for the denial.¹
- c. Forward the records request to the appropriate records custodian in the Governor's Office. The communication to the records custodian should include instructions for completing the request and a deadline for responsive documents to be sent to the PRRC.

The PRRC shall report to the Counsel to the Governor regarding the Governor's Office's compliance with the TPRA pursuant to this Policy and may make recommendations for revisions to this Policy.

Role of the Records Custodian

Upon receiving a public record request from the PRRC, the records custodian shall promptly respond to the PRRC's notice to make responsive records available to the requestor in accordance with Tenn. Code Ann. § 10-7-503.

If not practicable to promptly provide requested records because additional time is necessary to determine whether responsive records exist; to search for, retrieve, or otherwise gain access to records; to determine whether records are subject to disclosure under the TPRA; to redact records; or for other similar reasons, the records custodian shall promptly notify the PRRC of the issue. The PRRC shall, within seven (7) business days of the records custodian's receipt of the request, send the requestor a completed Public Record Request Response Form, which is attached as Attachment A.

¹ Grounds for denial include, but are not limited to, (a) the requestor is not, or has not presented evidence of being, a Tennessee citizen; (b) the request lacks specificity, (c) the record is not subject to disclosure under the TPRA, (d) the Governor's Office is not the custodian of the requested record(s), and (e) the requested record(s) do not exist.

If the request lacks specificity, the PRRC may contact the requestor to see whether the request can be clarified or narrowed, if appropriate.

If the record is not subject to disclosure under the TPRA, the PRRC shall provide the legal basis on which the record is not subject to disclosure.

If requested records are in the custody of a different governmental entity, and the PRRC has knowledge of the governmental entity with custody of the records, the PRRC may advise the requestor of that governmental entity.

If a records custodian denies a public record request, he or she shall promptly inform the PRRC, who will deny the request in writing as provided in Section III.b using the Public Record Request Response Form attached as Attachment A.

If a records custodian reasonably determines that production of records should be segmented because the record request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall promptly notify the PRRC. The PRRC shall use the Public Record Request Response Form attached as Attachment A to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the PRRC should contact the requestor to determine whether the request can be narrowed.

If a records custodian discovers records responsive to a record request were omitted, the records custodian shall contact the PRRC. The PRRC shall then contact the requestor concerning the omission and produce the omitted records as quickly as practicable.

Redaction

If some, but not all, information in a record is not subject to public inspection, the records custodian or PRRC shall prepare a copy redacting the information not subject to public disclosure prior to providing access. If questions arise concerning redaction, the records custodian or PRRC should coordinate with the Governor's Counsel's office or other appropriate parties regarding review and redaction of records. The records custodian and PRRC may also consult with the Office of the Attorney General and Reporter.

Whenever a redacted record is provided, the PRRC or records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose information not subject to public inspection.

Inspection of Records

Upon request, records shall be made available for inspection at a designated location within the Governor's Office. Under reasonable circumstances, the PRRC may require an appointment for inspection. In such a case, the PRRC shall contact the requestor and schedule the appointment during regular business hours.

Copies of Records

Copies will be available for pickup at a designated location within the Governor's Office, or copies will be delivered to the requestor's address by the United States Postal Service. The Governor's Office reserves the right to charge for postage costs. A records custodian shall

promptly respond to a public record request for copies in the most economic and efficient manner practicable.

A requestor will not be allowed to make copies of records with personal equipment. The Governor's Office will not use requestor-provided electronic data storage devices.

IV. Fees and Charges

The Governor's Office waives any fees, duplication costs, and labor costs incurred in accessing public records. However, the Governor's Office reserves the right to charge for record-request-related expenses in accordance with state law and the Schedule of Reasonable Charges promulgated by the Tennessee Office of Open Records Counsel. Additionally, the Governor's Office maintains the right to aggregate record requests in accordance with the Frequent and Multiple Request Policy promulgated by the Tennessee Office of Open Records Counsel when more than four requests are received within a calendar month (either from a single individual or a group of individuals deemed working in concert).

V. Policy

This Policy is posted online at <https://www.tn.gov/governor/>.

This Policy may be regularly reviewed, and, as such, is subject to change. Any updates to the Policy shall be promptly made available.

Concerns about this Policy should be addressed to the Public Record Request Coordinator for the Governor's Office or the Tennessee Office of Open Records Counsel.

Policy effective June 21, 2017.
