Tennessee Reconnect at Four-Year Institutions:

Beginning in Fall 2018, students may be able to enroll in a two-year program at an eligible four-year college or university. In order to use the Tennessee Reconnect grant at a four-year college or university students must enroll in an associate degree program at that school – not a bachelor’s degree program. A list of associate degree programs at each eligible four-year institution across the state is below for your reference. Students enrolling in a health sciences program will only begin receiving funds once admitted to the actual program of study.

At a four-year institution, the Tennessee Reconnect grant will not be last-dollar, meaning it will not cover all tuition and fees. The amount of funding you will receive will be based on the average amount of tuition and fees at a community college, which is estimated to be \$4,200. As a last-dollar scholarship, Tennessee Reconnect will provide whatever amount remains after your Pell, HOPE, and TSAA funds are applied. For example, if you were to receive \$1,000 in Pell funds, but no other federal or state financial aid, Tennessee Reconnect would provide \$3,200 to cover the remaining amount that you could apply toward tuition and fees at a four-year school.
