Action: License reprimanded; assessed civil penalty of \$4,100.00 plus costs of the cause not to exceed \$2,000.00

Licensee: Douglas E. Jones, MD, Memphis
Violation: Failed to meet the applicable standard of care with respect to providing chronic pain management to patients. Pursuant to the General Rules and Regulations Governing the Practice of Medicine and promulgated by the Tennessee State Board of Medical Examiners that; it shall be a prima facie violation for a physician to prescribe or dispense any drug to any individual, whether in person or by electronic means or over the Internet or over telephone lines, unless the physician, or his/her licensed supervisee pursuant to appropriate protocols or medical orders, has first done and appropriately documented, for the person to

whom a prescription is to be issued or drugs dispensed, all of the following: 1. Performed an appropriate history and physical examination; and 2. Made a diagnosis based upon the examinations and all diagnostic and laboratory tests consistent with good medical care; and 3. Formulated a therapeutic plan, and discussed it, along with the basis for it and the risks and benefits of various treatments options, a part of which might be the prescription or dispensed drug, with the patient; and 4. Insured availability of the physician or coverage for the patient for appropriate follow-up care.

Action: License placed on probation; permanently prohibited from owning, operating, or working at a pain management clinic; permanently prohibited from owning, or serving as the medical director of, a medication-assisted treatment facility; permanently prohibited from prescribing controlled substances to any patient with terms. Assessed costs of the cause not to exceed \$90,000.00.

Licensee: Carl A. Linblad, MD, Chattanooga

Violation: Guilty of unprofessional conduct; to wit: Gross health care liability, ignorance, negligence or incompetence; dispensing or otherwise distributing any controlled substance or any other drug not in the course of professional practice; giving or receiving or aiding or abetting the giving or receiving, of rebates, either directly or indirectly; prescribing or dispensing any drug to any individual by electronic means or over the internet or over telephone lines unless the physician has first done and appropriately documented an appropriate history and physical examination; formulated a therapeutic plan and discussed it with the patient; and insured physician coverage for the patient for follow-up care. Failed to create and maintain medical records.

Action: License suspended; successfully complete the Professional/Problem Based Ethic Program; obtain practice monitoring through Affiliated Monitors for at least one year. Assessed civil penalty of \$3,000.00 plus costs not to exceed \$3,000.00.

Licensee: Brooks Graham Morelock, MD Greeneville

Violation: Violation or attempted violation, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of this chapter or, any lawful order of the board issued pursuant thereto or any criminal statute of the state of Tennessee. Violation of Board Order entered on January 11, 2017, by failing to pay penalties, costs, and take the continuing education courses.

Action: License is suspended upon the effective date of the Order until Respondent becomes compliant with the terms of the 2017 Order and obtains an evaluation from the Vanderbilt Comprehensive Assessment Program. Assessed costs of prosecuting the cause not to exceed \$12,000.00.

Licensee: Stephen D. Pershing, MD, Lenoir City

Violation: Guilty of unprofessional conduct; to wit: engaging in the practice of medicine when mentally or physically unable to safely do so.

Action: License suspended; Respondent to undergo a psychological evaluation; assessed costs of the cause not to exceed \$5,000.00

Licensee: Levan V. Trull, ADMX, Dandridge

If the patient or caregiver is not present, a pharmacist shall make a reasonable effort to counsel through alternative means. Failed to comply with a lawful order or duly promulgated rule of the Board.
Action: Assessed civil penalty of \$1,000.00

Licensee: Jeffrey McClain Duren, D.PH, Waynesboro
Violation: Failure to adhere to the Board's statutes and rules as follows; A drug or device shall be deemed to be adulterated if: (4) It is a drug and any substance has been mixed or packed with the drug so as to reduce its quality or strength [.] Any drug or device that is misbranded, out of date, old, deteriorated, not kept under proper refrigeration as required, or that has been exposed to fire, heat, smoke, water, flood or windstorm damage is deemed to be adulterated, and the possession, sale or distribution of those drugs or devices is prohibited. Been guilty of dishonorable, immoral, unethical or unprofessional conduct [.] Any person who violates any rule of the board may be deemed guilty of dishonorable, immoral, unethical or unprofessional conduct within the meaning of TCA Sec. 63-10-305(g). The owner or pharmacist in charge of a pharmacy practice site shall immediately return or destroy all outdated, defective, or deteriorated prescription drugs and devices and related materials; except that the destruction of controlled substances listed in any schedule shall be performed by a Board approved agent or vendor. Upon request, the Board may waive selected portions of these requirements so long as any waiver granted is consistent with the Board's authority under Ten. Code Ann. Title 63, Chapters 1 and 10, and Tenn. Code Ann. Title 4, Chapter 5. Engaged in conduct prohibited or made unlawful by any of the provisions of parts 2-5 of this chapter or any other laws of the state or the United States relating to drugs or to the practice of pharmacy.
Action: License reprimanded; assessed civil penalty of \$1,980.00 plus costs not to exceed \$2,000.00

Licensee: Duren Pharmacy, Waynesboro

Action: License reprimanded; assessed civil penalty of \$1,980.00 plus costs not to exceed \$2,000.00

Licensee: Kevin J. Evetts, D.PH, Cordova

Violation: Failure to adhere to the Board's statutes and rules as follows; A drug or device shall be deemed to be adulterated if: (1)(B) It has been produced, prepared, packed or held under unsanitary conditions whereby it may have been contaminated with filth, or whereby it may have been rendered injurious to health [.] The pharmacy practice site and equipment therein shall be maintained in a clean, sanitary, orderly and well-lighted condition, and all persons working in the pharmacy practice site shall be required to keep themselves and their apparel in a clean and sanitary condition. Any drug or device that is misbranded, out of date, old, deteriorated, not kept under proper refrigeration as required, or that has been exposed to fire, heat, smoke, water, flood or windstorm damage is deemed to be adulterated, and the possession, sale or distribution of those drugs or devices is prohibited. The owner or pharmacist in charge of a pharmacy practice site shall immediately return or destroy all outdated, defective, or deteriorated prescription drugs and devices and related materials; except that the destruction of controlled substances listed in any schedule shall be performed by a Board approved agent or vendor. Upon request, the Board may waive selected portions of these requirements so long as any waiver granted is consistent with the Board's authority under Ten. Code Ann. Title 63, Chapters 1 and 10, and Tenn. Code Ann. Title 4, Chapter 5. Each individual pharmacist using a computerized system in the refilling of a medical or prescription order shall certify that the information entered into the computer for such a refill is correct by verifying, dating, and signing a hard-copy printout of each day's medical or prescription order refill data, or in lieu of such a printout, by signing a statement in a book or file each day attesting that the refill information entered that day has been reviewed by the pharmacist and is correct as shown. Such documentation shall be separately maintained at the pharmacy practice site for at least two (2) years from the date of the last dispensing. Each registered pharmacy shall maintain the inventories and records of controlled substances as follows: (1) Inventories and records of all controlled substances listed in Schedule I and II shall be maintained separately from all other records of the pharmacy. (2) Inventories and records of Schedules III, IV, and V controlled substances shall be maintained either separately from all other records of the pharmacy or in such form that the information required is readily retrievable from ordinary business records of the pharmacy. All sterile products shall be prepared in compliance with applicable USP standards for Pharmaceutical compounding. As part of its quality assurance program, any licensed facility which engages in sterile compounding shall perform a gap analysis pursuant to guidelines adopted by the Board of Pharmacy. Any exceptions or serious deficiencies noted in this analysis shall be reported to the

Board of Pharmacy. Any licensed pharmacy which compounds sterile products, except hospital pharmacies compounding for inpatients of a hospital, shall submit to the Board of Pharmacy, on a quarterly basis, a report listing the quantity of high risk or batch sterile products, as defined by USP standards, compounded and dispensed during the previous quarterly period and any other information as require by USP standards. (a) Quarterly reports submitted pursuant to this paragraph shall be submitted by the 15th day of the month following the end of each calendar quarter. (b) In any calendar year where any one of the above dates fall on a weekend or official state holiday, all quarterly reports due on that date shall be submitted on the following business day. The format for reports submitted pursuant to this paragraph shall be determined by the Board of Pharmacy through policy and made available to the public on the Board of Pharmacy's website. A registered technician shall maintain his or her registration certificate at the pharmacy practice site; additionally, all certified technicians shall display in like manner evidence of certification. Pharmacy technicians shall possess at all times, while on duty, proof of registration and proof of certification, if applicable. To the extent that a medical order contains an order for the compounding, dispensing or administration of a prescription drug or device or related material, the medical order shall be treated as a prescription order. Written medical and prescription orders must be signed by the prescriber. Verbal medical and prescription orders must be immediately reduced to writing (by hand or other means), dated, and initialed by the authorized individual accepting the medical and prescription orders. Initial inventory date. Every person required to keep records shall take an inventory of all stocks of controlled substances on hand on the date he/she first engages in the manufacture, distribution, or dispensing of controlled substances, in accordance with paragraph (e) of this section as applicable. In the event a person commences business with no controlled substances on hand, he/she shall record this fact as the initial inventory. (c) Biennial inventory date. After the initial inventory is taken, the registrant shall take a new inventory of all stocks of controlled substances on hand at least every two years. The biennial inventory may be taken on any date which is within two years of the previous biennial inventory date. There shall be a documented, ongoing quality assurance program that monitors process validation; pharmacist(s), pharmacy intern(s), and pharmacy technician(s) performance; equipment; and environment. Any licensed pharmacy which compounds and dispenses sterile products must ensure that the following information is on file at the practice site and readily accessible for sterile products: (b) The sources of lot numbers of the components used in those drug products [.] Maintain in the pharmacy practice site, documentation of completion of the required training [.]

Action: License reprimanded; sterile compounding modifier registration is suspended; provide proof of 15 live hours of continuing education in the area of regulatory compliance with state and federal law in the compounding of sterile products; engage in a practice monitoring program for 2 years; assessed costs not to exceed \$2,000.00
