BOARD OF EMERGENCY MEDICAL SERVICES

Licensee: Landon Howard, AEMT 216331, Ooltewah
Violation: Licensee tested positive for marijuana on a for-cause drug screen. Any person subject to regulation pursuant to this part may be subject to discipline or may be denied authorization for the following prohibited acts: (A) Any provision of this part; (B) Any rule or regulation of the board. Habitual intoxication or personal misuse of any drugs or the use of intoxicating liquors, narcotics, controlled substances, controlled substance analogues or other drugs or stimulants in such manner as to adversely affect the delivery, performance or activities in the care of the patients requiring medical care; Performing or attempting emergency care techniques or procedures without proper permission, license, certification, training, medical direction, or otherwise engaging in unethical practices or conduct. A healthcare practitioner violates the practitioner's practice act by refusing to submit to a drug test or testing positive for any drug on any government or private sector preemployment or employer-ordered confirmed drug test for an employer when the practitioner does not have a lawful prescription for using the drug or a valid medical reason for using the drug. If a healthcare practitioner refuses to submit to a drug test or tests positive for any drug on any government or private sector preemployment or employer-ordered confirmed drug test for a covered employer, then this section shall apply to the practitioner. The practitioner shall be given three (3) business days from the time of notification to the practitioner of the confirmed test result to: (i) Produce a lawful prescription for the drug or a valid medical reason for using the drug to the employer; or (ii) Report to the substance abuse peer

assistance or treatment program of the appropriate board for the practitioner. So long as the practitioner obtains and maintains the advocacy of the substance abuse peer assistance or treatment program, unless otherwise required by law, the employer is not required to notify the appropriate board for the practitioner of the violation of the practitioner's practice act. Whenever a healthcare practitioner who has been referred by the practitioner's employer or who has self-reported to the substance abuse peer assistance or treatment program of the appropriate board pursuant to subdivision (c)(1) fails to obtain or maintain the advocacy of the program, the program shall report the practitioner to the appropriate board concerning the violation of the practitioner's practice act. So long as the practitioner complies with the terms and conditions of a referral to a substance abuse peer assistance or treatment program, the practitioner's license or certificate shall not be suspended or revoked by the appropriate board for a positive result on a confirmed drug test or a refusal to submit to a drug test.

Action: Licensee's license is placed on suspension, upon the ratification of this Final Order by the Board. Respondent may undergo an evaluation with the Tennessee Professional Assistance Program to employ their recommendations. If recommended to sign a TnPAP monitoring agreement, the probation of Respondent's license shall run concurrent with the monitoring agreement with TnPAP for no more than three (3) years. By following the recommendations, the suspension will be stayed and their licensed place on probation for three years. If no monitoring agreement is recommended, Respondent license will be place on probation for three (3) years.

Licensee: Hailu, Biruk, AEMT 214706, Cordova

Violation: On or about May 9, 2024, the licensee transported a quadriplegic patient to a clinic to have the patient's medicine pump refilled. Prior to the completion of the appointment, the licensee left the patient in the clinic waiting room to complete the separate transport of a different patient. The initial patient remained unattended for approximately twenty-three (23) minutes. The licensee also made errors in documenting the patient care report. Licensee's conduct violates Tenn. Code Ann. § 68-140-311 (a) et. seq., which reads in pertinent part: Any person subject to regulation pursuant to this part may be subject to discipline or may be denied authorization for the following prohibited acts: (1) Violation or attempted violation or assisting in or abetting the violation of or conspiring to violate any of the following: (a) Any provision of this part; (b) Any rule or regulation of the board; (6) Abandoning or neglecting a patient requiring emergency care, following assumption of duty; (8) Performing or attempting emergency care techniques or procedures without proper permission, license, certification, training, medical direction, or otherwise engaging in unethical practices or conduct. Licensee's conduct also violates Tenn. Code Ann. § 68-140-309, which reads in pertinent part: (a) EMS personnel shall exercise the skills and abilities needed to render appropriate emergency medical care and provide emergency medical services in accordance with authorized procedures in the respective level of training, and shall administer care to patients base upon knowledge and application of principles derived from accepted practice and medical approval, and shall fully comply with

the board's regulations governing activities and performance for the category of license or certification[…]

Action: Licensee's EMT license 214706 shall be SUSPENDED for a period of one (1) month, effective immediately. The suspension period shall be immediately followed by a probationary period of three (3) years, effective August 29, 2025. Licensee: Karen Bernice Arnold, pharmacist License No. 27061, Dayton
Violation: On or about September 17, 2024, an investigator from the Tennessee Board of Pharmacy conducted a routine inspection of the practice site where the licensee serves as pharmacist in charge. During the inspection, it was discovered that the registration of one of the pharmacy technicians under the licensee's supervision had been lapsed for a period of eighteen (18) months. The same technician's license was also not displayed within the pharmacy. Pursuant to Tenn. Code Ann. § 63-10-309 (7), the Board may discipline a licensee for failing to comply with a properly promulgated rule of the Board. The licensee failed to adhere to Tenn. Comp. R. & Regs. 1140-02-.02, which tasks the pharmacist in charge with making sure pharmacy technicians under their supervision are properly registered and that registration certificates are displayed at the practice site.

Action: Licensee shall pay a civil penalty in the amount of one thousand eight hundred dollars ($1,800.00) by September 28, 2025. This amount represents a civil penalty of one hundred dollars ($100.00) per month that the licensee failed to properly execute the duties of the pharmacist in charge related to pharmacy technicians.
