Kevin Spratlin		<p>Mr. Spratlin handed out a copy of the draft of the curriculum of what they have been looking at. Mr. Spratlin asked which document they would like to look at and the Committee chose to look at the draft that Mr. Hodges had. Mr. Hodges went over what the changes were with the Committee. Mr. Hodges then went over the progress of these rules and where they are at this point. Mr. Spratlin stated that the next board meeting is March 30 and 31 and they will not have rule making at that time. Mrs. Tidwell stated that they can hold a separate meeting for rule making if they did get them within the next week. Dr. O'Brien stated that he did not see anything to indicate how this is implemented in practice and explained what he meant. He then stated that he recommends that be counterproductive in the stated. He has some concern about the money that will be available to a person wanting to pursue this route. Mr. Thompson stated that he believes that they need to give this training so that the Paramedic will</p>

		<p>be able to go out and do their job right. He believes that this is one step closer to becoming a total health care and not just a reactive part. Mr. Edwards stated that he does not see anything in the rules that will prohibit what Dr. O'Brien was stating. Mr. Mize stated that one thing they have to do is make sure the records are accessible to the patient primary doctor. He then stated what can be done so that they get reimbursed and if they do all these things they can hopefully keep patients from being readmitted.</p>			
		<p>Mr. Spratlin asked the Committee to please refer back to the document and went over it. He asked them to look over the document and asked if they have any questions or comments. Mr. Spratlin stated it came out to be ten (1) modules and believes that they can probably condense that down to less modules. They then looked at the modules and went over them. Mr. Spratlin asked what layout they would like and the committee gave their opinion. Mrs. Tidwell stated that some of the modules that will not be available or be able to be used. Mrs. Allen stated that on the federal side she does not believe they will have a problem working with them. They went over what they would take out and what should be left in or what should be put in instead. They went over what groups need to be together and which ones need to stay separate. The Committee talked about how many clinical hours that needs to be done. Mr. Edwards asked if in the future if they have to</p>

		<p>make changes they would have to bring it to the Board. Mrs. Tidwell stated that if it were minor changes they would just have to let the board know, but major changes would have to be brought back to the board. Mr. Thompson made a motion to accept the document after the subcommittee reviews it and if no objections are made move forward with the document and if they do have any objections to make a meeting to discuss it and seconded by Mr. Edwards. Motion passed with a voice vote. The Education Subcommittee will meet on March 3rd to look at the document and recommend any changes. The full committee will meet on March 14th and will be canceled if there are no major concerns.</p>			
		<p>Meeting was adjourned.</p>
