Clinical Perfusionists

Continuing Education Policy Statement

**The Committee for Clinical Perfusionists adopted the following policy on February 6, 2007.**

A clinical perfusionist licensed in Tennessee is required to complete fifteen (15) hours of continuing medical education courses each calendar year for the two (2) years (January 1 – December 31) that precede the licensure renewal year. (See Tennessee Rules and Regulations 0880-11-.12 regarding continuing education requirements)

**Should the practitioner fail to obtain the continuing education hours for a calendar year, the following shall occur:**

- 1. The practitioner must pay a civil penalty in the amount of forty dollars (\$40.00) for each hour missed. Payment must be rendered within sixty days of notification from the Board that the practitioner has been found to have failed to obtain the required continuing education hours.**
- 2. The practitioner must make up the amount of continuing education hours that he/she is lacking, in addition to completing the continuing education hours requirement for the current calendar year. The deficient hours must be made up within one hundred eighty (180) days of receipt of this policy. Documented proof of the deficient hours obtained must be submitted to the Committee upon completion.**
- 3. The practitioner must complete an additional ten (10) Category I continuing education hours. This requirement is in addition to the requirement that the practitioner make up the continuing education hours that he/she is lacking, and in addition to the continuing education hours' requirements for the current calendar year. The ten (10) Category I hours must be made up within two years of receipt of this policy. Documented proof of completion of the deficient hours must be submitted to the Committee upon completion.**

Failure to comply with this policy may result in disciplinary action. Failure to respond to the Committee request for documentation or to make up deficient continuing education hours after notification by the Committee may also result in disciplinary action.
