		<p>be shared as a subcommittee but they cannot with the whole committee. Mr. Seaton stated they hope to have a finished product by the next meeting. Mr. Seaton reviewed questions for the different areas. Questions for Medical Directors were tabled due to concerns with how to communicate with the group. Mr. Spratlin asked if the sub committee would be able to have a finished product by September meeting. Mr. Seaton stated if they can communicate by email he should be able to get it done.</p>			
	<p>Education Sub Committee</p>	<p>Ms. Bricker reported on the Education Sub Committee. Ms. Bricker stated that they discussed the Community Paramedic as a traffic director that would help a patient through the various forms of health care. Medical direction was also The committee discussed items that should be considered in the educational standards. Ms. Bricker reviewed those areas the Sub Committee felt were important for education. Ms. Bricker stated the sub committee would review other program's educational content as well. Ms. Adkins stated the committee felt this was not a scope of practice change but rather a role change for the paramedic. Mr. Thompson asked if they talked about how many hours of education would be needed. Ms. Bricker stated it was discussed however the hours cannot determined until there is a clearer picture as to standards. Ms. Bricker stated Tim Strange will be chairing the subcommittee. Mr. Spratlin asked if they had discussed any minimum requirements to</p>

		<p>become a Community Paramedic. Mr. Lankford stated was discussed. Mr. Lankford stated it is a big role and does not want over look anything. Mr. Spratlin asked if the the requirements for the Community Paramedic should it be given to the Gap Analysis Sub Committee. Ms. Adkins recommended that the Education Sub Committee be responsible to review and establish the requirments. Mr. Lankford agreed and stated input would be needed from gap analysis committee as well before minimums could be set. There also needs to be a better understanding as to the role of the community paramedic. Mr. Spratlin stated that it appears the Education Sub Committee will need information from the Gap Analysis Sub Committee's findings to be able to move forward. Mr. Seaton stated that are questions on the survey concerning education which when surveys results are returned they will be shared with the Education Sub Committee. Mr. Spratlin asked the Education Sub Committee to review other states minimum requirements for entering in to Community Paramedic.</p>			
	<p>New Business</p>	<p>Dr. Holley stated the current status of telemedicine and physician liability issues needed to be reviewed. Dr. Holley reported the Medical Board has concerns on telemedicine. The BME board is concerned individuals will be getting prescription medicine without being seen. Dr. Holley stated that some proposed rule change is that the patient would have to either</p>
