MINUTES

Dr. Bull made a motion, seconded by Dr. Caldwell, to approve the December 5, 2014 minutes. The motion carried.

OFFICE OF GENERAL COUNSEL

Ms. Barde stated there are currently four (4) open cases in OGC against four respondents.

Ms. Barde discussed the Board’s legislative activities which are mostly informational, stating the Board can vote to either support or oppose the legislation.

SB0217/HB03389 extends the Board for four (4) more years and changes the nomination language to allow groups other than the Tennessee Counseling Association, the Tennessee Association for Marriage and Family Therapy and the Tennessee Association of Pastoral Therapists to make nominations for Board members. Upon discussion and a review of a letter from Lisa Henderson, LPC and TMHCA President, the Board made no motion to support or oppose the bill.
**SB0397/HB0566** does not allow a counseling program to retaliate against a student who refuses to counsel someone due to a deeply held moral belief. Upon discussion, Dr. Nelson made a motion, seconded by Mr. Caldwell, to oppose the bill. The motion carried.

**SB0469/HB0406** allows the legislature to rewrite the rules of any agency under certain conditions and make suggestions to the Boards for their consideration to support or oppose the changes. The Board made no motion to support or oppose the bill.

Ms. Barde said the rules regarding the fee changes are in the AG’s office awaiting approval and the rules pertaining to distance counseling have been drafted and awaiting a response from the task force.

Ms. Barde said there are other miscellaneous rules she is working on for the Board’s review and the jurisprudence exam has been updated with the NBCC and went in affect in December.

OGC is monitoring the North Carolina Dental Board Examiners vs. the FTC Supreme Court case. The Dental Board of Examiners issued cease and desist letters to kiosk teeth whitening companies. The teeth whitening companies contacted the FTC who ruled it was an anti-trust case behavior by a group of dentists trying to exclude the companies from the profession. The Supreme Court agreed with the FTC. Ms. Barde said OGC will keep the Board informed on what, if anything needs to be done to prevent this from happening in Tennessee.

**Administrative Report**

As of March 13, 2015 there are 1749 licensed professional counselors, 465 licensed marital and family therapists and 27 licensed pastoral therapists. There are a total of 1491 licensed professional counselors with the mental health services provider endorsement as of February 27, 2015.

Mr. Hill reviewed the 2015 Board meeting dates and the conflict of interest statement which must be signed and reviewed annually.

**Application Review**

Mr. Hill asked the Board to review the reciprocity application of Melody Ingram to verify her clinical hours. Dr. Bull made a motion, seconded by Dr. Nelson, to approve Ms. Ingram’s application as submitted. The motion carried.

The Board reviewed a letter from Rosalyn Pitt, LPC/MHSP applicant, requesting that the Board allow her to use her hours as a psychological examiner as supervision hours for her MHSP designation. Dr. Nelson made a motion, seconded by Mr. Caldwell, to inform Ms. Pitt that she must complete the 3000 hours under an approved supervisor. The motion carried.

**Reciprocity Agreement**

Dr. Hammonds-White stated that the Board has been discussing the reciprocity language in the statute and looking at agreements with other states. The Board said if other states allowed reciprocity with Tennessee licensees then Tennessee would allow reciprocity with their state.
Ms. Barde said the agreement is only between Kentucky Licensed Professional Clinical Counselors (LPCC) and Tennessee Licensed Professional Counselors with Mental Health Service Provider (LPC/MHSP) designation. The LPC license without MHSP is not equivalent to Kentucky statutes.

Ms. Barde stated she has drafted a reciprocity agreement with the Licensed Marital and Family Therapist in Kentucky which is a separate Board in that state.

Dr. Bull said COAMFTE is coming out with a new set of criteria for accreditation and since there are accrediting agencies that have national standards it seems like the Board would use the same procedures for reciprocity.

Dr. Hammonds-White said CACREP is going to accept grandfathering from CACREP approved programs in 2022. Kentucky, Ohio and Georgia have gone in that direction. This is being imposed on the states by the Federal Government because of VA, TriCare and the Department of Defense. They will only accept people who work for those groups who are CACREP approved.

**Financial Report**

Ms. Wilkins reviewed the financial report stating the Board should have a reduction in revenue with the fee reduction.

**Teleconference with Kentucky LPC Board**

The Board conducted a teleconference with the Kentucky LPC Board. The Kentucky Board Chair, Mr. Griffith, introduced himself and stated all Board members were present including the Board attorney and administrator.

Dr. Hammonds-White introduced the Tennessee Board members, attorney and staff.

Ms. Barde reviewed the reciprocity agreement and stated the agreement would be between Tennessee’s LPC/MHSP and Kentucky’s LPCC. Ms. Barde said only those applicants who have five (5) years of experience could apply since Kentucky requires five (5) years.

The Kentucky Board asked that language be included to allow each party to reserve the right to require proof of active valid licensure from the other state to practice as an LPC/MHSP or LPCC in good standing with the certifying or licensing Board. Dr. Wesley, of the Kentucky Board, made a motion, seconded by Dr. Ringed, to approve the agreement as amended. The motion carried.

The motion carried.

The Board reviewed a letter from Marsha Thompson, LMFT applicant requesting an extension of time on her temporary license to complete her supervision. Dr. Nelson made a motion, seconded by Dr. Bull, to inform Ms. Thompson that the Board cannot extend a temporary license; a temporary license is not required to obtain supervision, and there is no four (4) year requirement on supervision for LMFT’s. The motion carried.

The Board reviewed a letter from Mary Zseltvay, LPC/MHSP regarding the continuing education hours she failed to obtain in 2012/2013. The Board asked Mr. Hill to contact Ms. Zseltvay and apologize for the delay in contacting her and to give her the opportunity to submit the documentation or make up the deficient hours.
