## LIMITED AND LIMITED EDUCATIONAL LICENSURE REQUIREMENTS FOR DENTIST

**A Limited Educational License** is provided to applicants who are faculty members in Dental Institutions. This license allows practice only under the auspices of the educational institution and does not permit private practice. Once a licensee is no longer employed by the educational institution, the license to practice in Tennessee will be terminated.

**A Limited License** is provided to applicants who are practicing in ADA accredited institutions, or dental education programs, or in federally-designated health professional shortage areas. This license does not allow private practice outside of the institution, program or shortage area. Once a licensee is no longer employed by the educational institution, program or working in federally-designated health professional shortage area, the license to practice in Tennessee will be terminated.

Application, practice, and renewal as a dentist are governed by T.C.A. § 63-5-101, et seq. and Rules 0460-1-.01, et seq.

1. All **application fees are non-refundable.**
