PLEASE ANSWER THE FOLLOWING QUESTIONS. If any answers to the questions in this part are in the affirmative, attach an explanation on a separate sheet. In support of your explanation, the final documents or orders from the issuing states, courts, or agencies must be submitted along with this application.

For the purposes of these questions, the following phrases or words have the following meanings:

3. “Chemical substances” is to be construed to include alcohol, drugs, or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber’s direction, as well as those used illegally.

4. “Currently” does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather it means recently enough so that the use of drugs or alcohol may have an ongoing impact on one’s functioning as a licensee or within the past two (2) years.

5. “Illegal use of controlled substances” means the use of controlled substances obtained illegally (e.g. heroin, or cocaine) as well as the use of controlled substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

      YES  
      NO

[If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individual assessment of the nature, the severity, and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed, or whether you are not eligible for licensure.]
