

Tennessee WIC Program Formulary

Standard Contract Infant Formulas (20 kcal/oz) are available by parent/caregiver request:

Similac Advance (milk-based) or Similac Soy Isomil

*** This does not include Similac Pro products or Similac Non-GMO products.**

Alternate Contract 19 Calorie Infant Formulas require a written request from the Health Care Provider (PH-4077) but do not require a qualifying condition:

Similac for Spit Up

Similac Sensitive

Similac Total Comfort

Therapeutic Formulas require a written request from the Health Care Provider (PH-4077) and also require a WIC qualifying condition to receive approval:

Alfamino and Alfamino Junior
