Use ICVT to Evaluate Student Immunization Record for Validated Immunization Certificate

- Using Navigation Menu, click Reports.
- Click State Reports.

- Click IMM Cert.
(Link not available for students > 20 years old.)

- Tennessee Immunization Certificate screen displays with different buttons depending on age of student.
Click button for certificate needed:

- Complete for Childcare/Pre-school and Kindergarten

Tennessee Immunization Certificate
<p>The Tennessee Immunization Certificate is required for children in child care or pre-school, and when they enroll for the first time in a school located in Tennessee. In addition, all currently enrolled students entering 7th grade must provide a certificate showing they have had the vaccines required for 7th grade entry.</p> <p>Select Certificate to View</p> <p>State regulations do NOT require an Immunization Certificate for infants younger than 2 months of age who are enrolling in child care. For this reason, the Immunization Certificate Validation Tool (ICVT) is not available for children younger than 2 months of age.</p> <p><input checked="" type="radio"/> Select this box to produce a validated certificate (or Failed Validation Report) for a child in one of the following categories :</p> <ul style="list-style-type: none"> A child entering child care and younger than 18 months of age (up to date for age) A child who has completed all requirements for child care/pre-school A child entering Kindergarten A child age 4 years who has completed requirements for <u>both</u> pre-school and Kindergarten <p>Select Document to View</p> <p><input type="radio"/> Official Tennessee Immunization Schedule: required as of July 1, 2010 <i>(Accepted schedule of immunization for vaccines required in Tennessee - also printed on the back of the official certificate)</i></p> <p><input type="radio"/> Instructions for the New Tennessee Immunization Certificate: required as of July 1, 2010 <i>(Instructions for Healthcare Providers Completing Tennessee Certificate of Immunization)</i></p> <p style="text-align: right;">Back View Certificate/Document</p>

Tennessee Immunization Information System (TennIIS) School User Quick Reference Guide

PH4102 (Rev. 4/13)

Note: This spreadsheet or school automated validation function accesses only immunization records in the State of Tennessee Immunization Registry. The accuracy of the information depends upon the completeness and accuracy of records entered by immunization providers.

8) If immunization record in TennIIS does not meet requirements for certificate type, Validation Results screen displays link for validation report only. Click link to produce validation report for desired certificate type:

Tennessee Immunization Certificate

Validation Results

Validation results are shown for each Section 3 Provider Assessment category (Box B through E) that MIGHT be age-appropriate for this child. **Please select only the category that is needed.** Other categories may be disregarded.

The correct assessment category for a school-aged child **depends on the grade the child is entering**. New students entering a Tennessee school for the first time in either Kindergarten and 7th grades have additional requirements compared to children entering all other grades. Review options and select the category appropriate for the grade the child is entering.

[Select certificate or document to View](#)

Box C: Complete For Child Care / Pre-School (under 5 Years of Age)

Fulfills all requirements for child care / pre-school or pre-K and under 5 years of age.

PASSED - Validated for this Category

[View/Print validated Official Certificate for BoxC.](#) (PDF).

[View Validation Report](#)

This report shows exactly how the child's record passed or failed to meet the requirements of this assessment category. The report may guide completion of requirements and may identify invalid doses in the record.

Box D: Complete K-6th Grade (Entering Kindergarten)

Fulfills requirements for Kindergarten.

FAILED - NOT Validated for this Category

This child is not eligible for a temporary Official Certificate

This child is not as up-to-date as possible. A temporary Official Certificate is only for a child who has not completed the required vaccines for this stage of school, but is as up-to-date as possible as of today. Please refer to the Validation Report and Vaccination Forecast to determine which vaccines are due today. After administering the vaccines and entering them into TennIIS, use the ICVT to produce an appropriate validated certificate.
