As I mentioned when we started this section, I would give you a phone number for an organization that can provide information and referral for these issues. You can do [place state or local hotline here] to reach a referral service to locate an agency in your area. [Note: if no referral or state hotline is available, give respondent the National Hotline for child abuse 1-800-4-A-CHILD (1-800-422-4453).

CLOSING STATEMENT

That was my last question. Everyone's answers will be combined to help us provide information about the health practices of people in this state. Thank you very much for your time and cooperation.
