

**Kindergarten Immunization Compliance Assessment  
Private Schools by County and District, School Year 2017-2018**

The annual Kindergarten Immunization Compliance Assessment evaluates immunization coverage and exemption levels of state-required vaccines among children entering kindergarten. The Tennessee Immunization Program (TIP) collaborates with the Tennessee Department of Education (TDOE) to conduct this assessment of compliance with immunization requirements designed to ensure a healthy learning environment.

This report lists the results of each private school that responded to the 2017-2018 Kindergarten Immunization Compliance Assessment. Schools in categories 1, 1-SP (excepting hospital-based schools), 2, and 3 were included. Schools with fewer than 10 kindergarten students were exempted from reporting. Categories are defined here: <https://www.tn.gov/education/school-options/non-public-schools/non-public-school-categories.html>.

Below are descriptions of each category included in the report. All percentages listed are the percentage of the Total Students category on that row.

<b>County</b>	Tennessee county name. School districts are grouped into their corresponding counties.
<b>District</b>	Department of Education school district name. Schools are grouped into their corresponding school district.
<b>School</b>	School name, listed alphabetically within each school district.
<b>Total Students</b>	Total number of enrolled kindergarten students at the time of immunization record assessment.
<b>Fully Immunized</b>	Number and percentage who meet state school entry requirements by being fully immunized.
<b>Religious Exemption</b>	Number and percentage with a valid religious exemption.
<b>Medical Exemption</b>	Number and percentage with a valid medical exemption to one or more vaccines.
<b>Temporary Certificate</b>	Number and percentage with a valid temporary certificate.
<b>Incomplete Record</b>	Number and percentage who do not meet requirements because they have an incomplete vaccination record.
<b>Missing Record</b>	Number and percentage who do not meet requirements because the school has no official certificate.
