

2022 Tennessee Reportable Disease List for Healthcare Providers

The diseases, events, and conditions reportable to Tennessee Department of Health (TDH) by healthcare providers are listed below for 2022.

How to Report:

Fax

- Local/Regional Health Offices:
www.tn.gov/health/health-program-areas/localdepartments.html
- State/CEDEP: (615) 741-3857

Online

- Report conditions online through NBS:
<https://hssi.tn.gov/auth/login>
- To sign up for NBS online reporting, please fill out the REDCap survey:
<https://redcap.health.tn.gov/redcap/surveys/?s=8L7CMWHN4M>

Outbreaks and Events of Urgent Public Health Concern:

- Disease clusters or outbreaks !
- Single cases of pan-nonsusceptible organisms, unusual resistance mechanisms, or other emerging or unusual pathogen* !

*See Appendix A of the M100 Performance Standards for Antimicrobial Susceptibility Testing

Regular Reporting

PH-1600 only in 1 week (all diseases)

! Phone immediately + PH-1600 in 1 week

☎ Phone next business day + PH-1600 in 1 week

Special Reporting

All blood lead test results must be reported electronically or via fax. For more information, refer to www.tn.gov/health/health-program-areas/mch-lead-for-providers.html or email UT Extension at leadtrk@utk.edu for assistance

Report in 30 days. For more information, see <https://www.tn.gov/health/cedep/hai.html>

Neonatal Abstinence Syndrome in 1 month at <https://www.tn.gov/health/nas.html>

Birth Defects in 1 week at <https://tdhrc.health.tn.gov/redcap/surveys/s=TDEYPYCHET>

Weekly, every Tuesday for the previous week. For more information, see www.tn.gov/content/tn/health/health-programareas/pdo/pdo/drug-overdose-reporting.html

Refer to online reporting requirements for COVID-19 www.tn.gov/health/cedep/ncov/healthcare-providers.html

*Healthcare providers should only report "Tuberculosis, infection" (formerly, "latent" TBI) for a positive tuberculin skin test (TST) for any child or adolescent < 18 years of age, or a positive interferon-gamma release assay (IGRA) for a patient of any age. Refer to the PH-1600 for additional directions on how to report.

More information about reporting is available on the Reportable Diseases website at www.tn.gov/health/cedep/reportable-diseases.html.

For questions, contact CEDEP at (615) 741-7247 or (800) 404-3006.

For more details about the laboratory tests and results, specimen or isolate submission requirements, and catchment areas for individual pathogens, please refer to the 2022 Reportable Diseases in Tennessee: Detailed Laboratory Guidance.
