Break out of committees		
Regan Williams	Data committee report	See attachment
Anissa Revels	Membership committee report	Membership committee has updated operating rules which will be forwarded to CoPEC membership for review with voting to place at the November 9, 2018 meeting.
Michele Walsh	Disaster committee report	It was decided that other websites had more updated disaster materials. Links would be provided to update TN site that include CAPC. Statewide project – JumpStart using the same triage and linking with state tracking system training in 2020.
Kevin Brinkmann	Standards committee report	The Pediatric Emergency Care rules and regulations continue to be updated. 8/9/18: Standards committee met, reviewed portions of the PECF and made proposals. Areas that were addressed include: (1) Definitions: Abuse, Neglect, ACS, ATLS, FAST, PIPS, Trauma Team, Trauma Program Leader and Basic Facility. Motion made to change the above definitions and was approved. The removal of the last sentence under the definition of Basic PECF which stated (A

		<p>Basic Facility shall not admit a pediatric patient to inpatient admission status or observation status outside the emergency room” was discussed. (2) Further motions approved included amending section 1200-08-30-.03-(1)-(m) addressing pediatric skills and competencies of staff at all PECF in direct care of a pediatric patient in every area of the facility where a pediatric patient is receiving care.</p> <p>8/10/18: Standards Committee meeting on Pediatric Trauma Rules in the PECF Rules: Discussion was held regarding the definition of requirements of a CRPC in providing trauma care including whether or not a CRPC would be able fulfill this requirement through active collaboration with another local verified/designated trauma center. A final definition was not developed and further discussion was tabled for the next meeting. Further discussion on trauma center Designation, Verification and Disciplinary Action was held. Legal made the decision that they were going to review this and address wording such that the state’s rules replicated in this section only address pediatric trauma and not adult trauma. This will then be further reviewed at the next meeting.</p>
