New Business

*Greg Johnson (Education Committee) - brought up that Mary Maddox (Southwest Community College) was removed due to 50% requirement. Requesting that she be reinstated to her position. She had missed two previous meetings 1.) Due to her own medical emergency 2.) Due to paramedic practical. Mr. Ward has expressed the fact that it is imperative that if you are at any committee meeting you must sign in on the roster, because Ms. Ferguson does not attend these meetings and she is only able to look at the sign in rosters. EMS Office goes by the sign in sheets/roll call Mr. Cook states that he reviewed the video and Ms. Maddox did not show up on video nor did she answer during roll call.

No action was taken by the Oversight Committee due to being previously discussed in the last Oversight Committee Meeting.
